Letter of Transmittal

To the Honorable Mayor and
Members of Town Council
Town of Chapel Hill, North Carolina

Greetings:

I present to you the Town of Chapel Hill, North Carolina Annual Budget for Fiscal Year 2026-27. The budget includes no property tax increase.

The Adopted Budget for 2026-27 recognizes Council's most important goals and invests in strategic initiatives to achieve those objectives, even during these challenging and unprecedented times. We look forward to working with Council to continue offering the core services our residents expect.

This Adopted Budget document includes the fund summaries that utilize the governmental budget practices recommended by the Government Finance Officers Association of the United States and Canada.

Respectfully submitted,

Theodore L. Voorhees, ICMA-CM
Town Manager

June 10, 2026

June 10, 2026

Mayor Anderson and Members of the Chapel Hill Town Council:

Following is the FY2026-2027 adopted budget. This year's budget is the next step in aligning our financial plan with the newly established Council goals and strategic priorities, maintaining a focus on long-term fiscal stability, and delivering high quality services for our community.

The total FY 2027 adopted budget is \$170 million, representing a 3.6% increase over the prior year. The General Fund accounts for roughly \$99.8 million. Importantly, there is no property tax rate increase, maintaining the rate of 50.0 cents per \$100 of assessed valuation.

COUNCIL GOALS AND STRATEGIC PRIORITIES

The Council's four strategic priority areas shaped the FY 2027 budget.

1. **Complete Community** – Framework to advance thoughtful growth, more connected neighborhoods, and implementation of key mobility and land use plans. This includes progressing the Land Use Management Ordinance (LUMO) update and moving forward elements of the Everywhere to Everywhere (E2E) plan.
2. **Environmental Resiliency** – Strengthening the Town's ability to prepare for and withstand climate and infrastructure stresses by implementing the stormwater plan, expanding sustainable facility strategies (solar storage, EV charging), and continuing early flood warning sensor deployment.
3. **Housing** – Expanding a diverse, attainable, and sustainable housing supply through continued implementation of the Affordable Housing Strategy and Investment Plan, development of a Public Housing Repositioning Plan, and homelessness response in partnership with the towns, Orange County, and the University.
4. **Organizational & Fiscal Sustainability** – Ensuring the long-term health of the organization by aligning staffing and equipment needs with capacity, using data to review services, and applying the five-year budget outlook to guide strategic investments.

These goals connect our strategic work and our financial plan. This year's adopted budget intentionally invests in each priority area.

HOW WE BUILT THE FY 2027 BUDGET

We grounded our approach in four commitments:

- Supporting our employees with competitive compensation and sustainable benefits.
- Funding and strengthening our core municipal services.
- Advancing Council's strategic goals.
- Progressing toward fiscal sustainability, guided by the five-year budget outlook.

The first step each year in developing the base budget is to project estimated revenue data. We collect data from Orange and Durham County, consult current economic indicators, and reach out to our departments who estimate their fees for the upcoming year. Each December, we ask departments to submit their base budgets, which are roughly equal to the current year budget with some flexibility to move money between operating lines but one that requires departments to absorb cost increases. In February, departments submit requests for budget additions that represent cost of doing business increases or new programs. In March, departments present their budgets to the Manager. They share their goals and priorities, key budget issues for the coming year, and their top three budget additions. The Manager's Office reviews this information along with Business Management to prioritize needs, allocate resources, validate alignment with Council priorities, and ultimately develop the Manager's Recommended Budget.

Specific context for key aspects of this year's budget is discussed below.

REVENUES

Last year, Orange County estimated that approximately 5% of assessed value following the revaluation would be lost through appeals. Fewer people than estimated appealed their assessed value. Updated data shows valuations and the resulting property tax revenues will exceed earlier estimates. For FY 2027, we anticipate receiving \$3.5 million in the General Fund over the County's original estimates and \$1 million combined in the Debt Service Fund and Transit Fund, over the County's original estimates. The combined \$4.5 million is a 6.9% increase in estimated property tax revenue.

Despite market volatility and recent conflict in the Middle East, sales tax revenues, which are influenced by economic activity, continue to trend upward. Current year collections grew about 5% and we project a 3% increase over the current year in FY 2027.

These improved revenue projections position us to make targeted investments in FY2027, advancing our priorities and supporting the Town's long-term fiscal sustainability.

FIVE-YEAR BUDGET OUTLOOK

The Town has used a five-year outlook to inform tax rate decisions since FY 2024. Increasing

the rate has addressed some core needs, including Affordable Housing, Parks and Recreation, Transit, Everywhere to Everywhere, and the rising cost of doing business, which has been unusually high in recent years.

The FY 2027 budget continues to move us along the five-year path to fiscal sustainability, addressing structural issues that have challenged the Town for many years. The outlook identifies sustainable funding targets in **staffing, operations, facilities and streets, fleet, and fire capital**. While the Town still faces significant gaps, particularly in capital needs, the FY 2027 adopted allocations represent meaningful steps forward.

STAFFING

Our employees are our most important assets because they carry out the operations of the Town and deliver our services.

We face known challenges, especially employee burnout and exhaustion, a competitive job market, inflation, and the high cost of living in Chapel Hill. A stable workforce helps us lower costs by reducing overtime and minimizing the need to train new hires when experienced employees leave. We are committed to delivering high-quality services with a strong, capable team, and to maintaining a supportive workplace for the employees who serve our community every day. Included in the FY 2027 adopted budget:

- 4% of market pay adjustment. This pay adjustment will be a percentage of market pay rather than base pay, to move below-market employees more quickly to the market rate for their jobs.
- 4% pay increase for the Mayor and each Council member.
- 0.75% mandatory increase to the employer share of the retirement system contribution.
- 10% budgeted increase in the cost of employee medical insurance.
- To ensure we have staff capacity aligned with service demands, we are adding three new positions:
 - Fleet Technician,
 - Library Associate,
 - Destination Coordinator (repurposed Visitors Bureau funding to bring this function in-house)

Although departments requested additional new positions, in this budget we prioritized our existing employees, competitive wages, and the tools and equipment to support them. We continue to evaluate each vacancy before recommending future additions.

OPERATIONS

In any given year, we face the challenge of addressing the average 3-5% increases to "the cost of doing business." This includes everything from increased contract costs for cleaning and landscaping, for software licenses, and the numerous services provided by outside vendors. In recent years, departments have absorbed these costs into their budgets; however, with continued, historic levels of inflation, this is no longer sustainable.

To address the rising cost of doing business, the adopted budget includes a \$544,375 allocation to address some of the increases (maintenance, insurance, day-to-day operations), to expand a few critical services that create operating efficiencies (technology), and advance Council's goals (long-range planning capacity). These activities directly support the Council's strategic priority areas.

FACILITIES and STREETS

Just as our community expects high quality services, they also expect well-maintained, high-quality buildings, facilities, and streets. We continue to address a substantial backlog of deferred maintenance, and the rising costs of labor and materials make facility repairs and upkeep more expensive. The five-year outlook anticipates continued investments to reach a sustainable funding level by 2030.

With this budget, we have increased the allocation for deferred maintenance by \$250,000. This will fund projects such as the Public Works HVAC design, Community Center fiberglass roof over the pool deck, Fire Station 5 roof design and replacement, small parks repairs, and other small facility improvement projects.

We have also increased the allocation for street resurfacing by \$250,000 which will patch, mill, and resurface an additional 2-3 streets (total of ~2.7 lane miles) and will bring our resurfacing cycle from 48 years to 40 years. If we continue with the 5-year outlook funding plan, we will be at 24 years by 2031.

FLEET

To get our business done, we need a fleet of vehicles across departments and divisions – and as stewards of public dollars, we need to keep that fleet well-maintained. We have aging vehicles, and our maintenance costs have increased with inflation. In addition, we are committed to electrifying our fleet, which takes additional resources.

Our existing allocation will replace 17 vehicles. With the adopted increase of \$250,000, we will replace an additional 6 vehicles.

FIRE CAPITAL

The Town has been addressing a significant backlog in fire capital needs, where essential

equipment, facility designs, fleet replacements, and safety investments far exceed current annual funding levels. Increasing the annual capital allocation from \$500,000 to \$1 million will go a long way towards addressing several critical needs, including design costs for Fire Stations 3 and 4, water rescue equipment, an all-terrain vehicle, rescue tools, and portable radios.

AFFORDABLE HOUSING

The FY 2027 adopted budget assigns nearly 3 pennies of the tax rate for affordable housing initiatives, continuing the Council's previous direction. The Affordable Housing Funding Program, which aims to create and preserve housing for low- and moderate-income households, includes a local funding allocation, federal funds, the Affordable Housing Loan Fund, and Affordable Housing Bond funds, all of which move us closer to securing resources to meet our funding goal to implement the Town's Affordable Housing Plan and Investment Strategy to expand and preserve affordable housing.

ENTERPRISE FUNDS

The Transit budget is down by 1.5%, primarily due to decreased interest income resulting from lower interest rates, reduced service-related revenue following our discontinuation of contract operation of GoTriangle's Route 420, and declines in federal operating grant funding.

The Parking Fund budget is down by 1%, which represents the budget right-sizing of on-street and off-street parking revenues. This budget is balanced with an almost \$2 million transfer from the Debt Service Fund to help offset the debt service on the 2021 and 2024 limited obligations bonds (LOBS) issuances for the construction of the East Rosemary Parking Deck. We are proceeding with a parking study this summer that will evaluate current utilization across decks, lots, and on-street parking, assess parking rate structures, and offer recommendations to improve the long-term sustainability of the fund.

The Public Housing budget is up 4.7% and is supported primarily by HUD contributions and tenant rental revenues, with a small fund balance appropriation to cover rising operating costs.

The Stormwater budget is up 23.4% primarily due to a stormwater fee increase of \$8.79 per ERU (equivalent rate unit of impervious surface) which is needed to complete the mandatory stormwater system inventory mapping for the current National Pollutant Discharge Elimination System (NPDES) permit cycle, addressing critical stormwater infrastructure planning, and implementation needs.

LOOKING AHEAD

Looking to the future, we remain focused on:

- Realigning staff and adding functionality to build in-house capacity to deliver more construction project management capacity.
- Identifying and evaluating creative construction delivery methods, including developing in-house capacity to complete additional greenway segments.
- Proceeding with the Public Housing Repositioning Plan to determine next steps for long-term sustainability in our housing portfolio.
- Advancing the NS RAPID Bus Rapid Transit corridor to strengthen mobility and catalyze new housing and business opportunities along our busiest transit corridor.
- Building on our ongoing climate action work by continuing investments in sustainable facilities, fleet electrification, and stormwater and resiliency infrastructure.
- Monitoring the ongoing federal funding uncertainty and being prepared to respond quickly, including holding vacant federally funded positions, identifying fund balance for emergencies, and reallocating or locally funding key grant-dependent roles to ensure continuity of services.
- Continuously evaluating our operations for efficiency, possible reductions, and changes in service delivery methods that will generate cost savings to ensure we remain good stewards of the public's resources.

Sincerely,

A handwritten signature in black ink, appearing to read "Theodore L. Voorhees". The signature is fluid and cursive, with a long horizontal stroke at the end.

Theodore L. Voorhees, ICMA-CM
Town Manager, Chapel Hill NC

CITIZENS' GUIDE TO REVIEWING THE BUDGET

General Comments

This budget document describes Town services and revenue sources adopted for the Town's budget for the fiscal year from July 1, 2026 through June 30, 2027.

The Mayor and Council's adoption of an annual budget is one of the most important decisions of the Town as a service organization and governmental entity. The annual budget translates the values of the Chapel Hill community into a plan of action for services, programs and projects, and resources for providing services.

The Mayor and Council's decisions in adopting a budget are in the form of an ordinance allowing expenses and raising of revenue during the coming budget year, an ordinance authorizing employee positions and wage and salary ranges, resolutions adopting fees and charges, and related actions.

In accord with normal accounting and budgeting practices for municipalities, Town services supported partly or entirely with general taxes are budgeted in a General Fund.

The General Fund includes costs and revenues for police, fire, refuse collection, street maintenance and other public works services, human services, planning, construction, inspections, engineering, library, parks and recreation, general administration and support services, and some miscellaneous items.

The public transit, public parking, stormwater management, public housing, internal service funds, and supplemental downtown district services are budgeted in separate, individual funds.

This budget is intended to identify most services offered by the Town and proposed objectives for quality, quantity, timing, etc. of services. The individual department and division overviews give details about current Town services approved by Council. However, there may be a few activities not described or noted only in summary form here. We invite you to call the appropriate Town departments as listed on the [Town's website](#). Any changes, deletions, or additions to current services which may be decided during the proposed budget discussions will be reflected in the adopted budget for 2026-27.

The information in this budget document is intended to be understandable to citizens with a general knowledge of business practices and of most Town services. We have attempted to minimize the use of technical words and phrases, or to define them when used. A glossary of terms is provided in the Budget Appendices. However, if something in this material is not clear, we invite you to call us at (919) 968-2743 or send an email to info@chapelhillnc.gov.

State Laws Regarding Local Government Budgets

The Town's fiscal year begins on July 1 in accord with requirements in the North Carolina Local Governmental Budget and Fiscal Control Act.

This legislation requires that the Manager submit a recommended budget to the Mayor and Council, that the Council hold a public hearing, and that the Council adopt an annual budget or interim budget for 2026-27 by July 1. State laws also determine the types of

CITIZENS' GUIDE TO REVIEWING THE BUDGET

services and regulatory authority which the Town can provide, the revenue sources available to the Town, and in many cases the

maximum level of such revenue. For example, the Town is not authorized to levy income taxes, and Orange County has enacted a local option sales tax at the authorized limit of 2½%. The Town is authorized to provide various types of services needed in urban areas, including police and fire protection, refuse collection, and street maintenance services.

In North Carolina, county governments are responsible for public health, education, social services, and various other programs. Funding for the Chapel Hill-Carrboro City School district serving southeast Orange County is provided through County and State government decisions and funding.

Financial Management Principles

The adopted budget is based on financial management principles including:

- ❖ The Town makes conservative estimates of revenues and costs to minimize the chance that actual revenues received during a budget year may be less than expected, or that actual costs may exceed estimates.
- ❖ The Town seeks to use stable, annually recurring revenues to pay for costs (such as wages, supplies, etc.) which tend to continue from year to year. The Town avoids using one-time revenues for annually recurring costs.
- ❖ The Town seeks to keep a reserve of money saved in past years (undesignated net assets or fund balance) so that the

Town will not have to borrow funds early in the fiscal year when revenues are less than the cost of providing services, and so that the Town will have a reserve for any major unexpected costs or revenue fluctuations between budget years. The Town's objective is to have a fund balance of at least 22% of the General Fund budget for cash flow purposes in accord with Town policy, and additional amounts for unforeseen circumstances and emergencies.

- ❖ The Town avoids or limits the deferral of costs to future years. When deferrals are proposed, the amount is limited to the extent practical, and the deferrals are specifically identified.
- ❖ The Town seeks to properly maintain buildings and equipment to protect the community's investment in these assets.
- ❖ The Town seeks to recover from user fees all or a significant portion of the cost of some kinds of services, so that the citizens who benefit most from a service will pay for the service. However, several kinds of fees are waived or lowered for low-income families, for youth, and for senior citizens.
- ❖ The Town uses general taxes to provide some special services or assistance to citizens with special needs because of low income or other conditions.
- ❖ The Town seeks to maintain a competitive position in the Triangle labor market to recruit and retain employees who will provide services with the quality desired by the community.

CITIZENS' GUIDE TO REVIEWING THE BUDGET

- ❖ The Town from time-to-time issues bonds or uses installment contracts authorized by State law to finance capital projects which will benefit the community for a long period and which should therefore be paid for over a long period.

Budget Process

The Mayor and Council's process and schedule for developing the 2026-27 budget included forums and hearings for citizens to express their views, raise questions and concerns, and make comments on services, policies, and funding items related to the budget.

The description of the budget process and the budget calendar are included in this Introduction and Background section.

Citizens were invited to make comments at any time by letter to the Mayor and Council or to the Town Manager at 405 Martin Luther King, Jr. Blvd., Chapel Hill, NC 27514, by phone to Town Hall at (919) 968-2743, or by email at info@chapelhillnc.gov.

Citizens with disabilities in hearing or speaking were invited to call the Town at (919) 968-2743 (TDD: (919) 968-2700) for assistance in participating in public hearing or commenting by other means.

Elements of the Budget Document

- Introduction and background information regarding the development of the budget including the budget process, the budget goals, and assumptions made.
- Department and division mission and duties, as well as their budget and a summary of budget changes.

- Explanations of debt and the capital program.
- Summary information regarding net assets (fund balance), revenues and expenditures for all funds, tax rates and tax collections, and staffing and organizational structure
- Each department has a separate overview. The following is an explanation of the information included for departments and divisions.

Department Sections

Each department section contains a department overview intended to provide information about the department: organizational charts for the department; staffing charts for each department; and a budget summary for the department. Also included is the same information for individual divisions within some of the larger departments. Goals and performance measures are also included for appropriate departments.

Department Overview

Each department section starts with an overview page, which includes the Mission Statement and summarizes key duties of the department and ties each duty to the Council's Strategic Priority Areas.

Departmental Performance Measures

Following the department overview, the Performance Measures section states the Strategic Priority Areas each department focuses on and details the department's strategic objectives. For each department, this section also provides performance measure

CITIZENS' GUIDE TO REVIEWING THE BUDGET

data for FY24, FY25, and FY26, as well as the FY27 Target.

Organizational Chart

An organizational chart is presented for the department that displays the personnel in the department broken out by divisions, where applicable.

Staffing Chart

The staffing chart for each department lists all positions within the department in full-time equivalents to provide a snapshot of staffing for the various department functions.

Budget Summary

The budget summary for each department provides a summary of significant budget changes in a brief narrative format. It also lists expenditures summarized in the categories of Personnel, Operating Costs, and Capital Outlay. Revenues are also listed in a summary format based on revenue sources.

These expenditure and revenue summaries provide historic and adopted information as follows:

- 2024-25 Actual
- 2025-26 Original Budget
- 2025-26 Revised Budget
- 2025-26 Estimated
- 2026-27 Adopted Budget
- % Change from 2025-26 Original Budget

A reader's guide entitled "Budget Format—The Basics" follows.

In addition to the material described above, the adopted 2026-27 budget contains supplemental information intended to assist the reader. This data includes details regarding fund structure, fund descriptions, major revenues, and a glossary.

BUDGET FORMAT - THE BASICS

NOTE: All tables in the adopted budget present the same three-year columns.

Audited data from the last completed fiscal year.

Budget for each category as amended during the prior fiscal year.

The adopted budget for the new fiscal year that begins on July 1.

Budget for each category as originally adopted for the prior fiscal year. The fiscal year begins July 1 of each calendar year.

Estimate of prior year final cost/revenues by category.

The percentage of change from the original budget in the prior year to the adopted budget.

EXPENDITURES

Includes salaries, wages, and employee benefits (e.g., FICA, insurances).

Personnel
Operating Costs
Capital Outlay
Total

2024-25 Actual	2025-26 Original Budget	2025-26 Revised Budget	2025-26 Estimated	2026-27 Adopted Budget	% Change from 2025-26
759,140	833,544	833,544	833,544	809,367	-2.9%
123,123	106,693	151,605	122,484	107,446	0.7%
9,011	5,000	5,000	5,000	-	-100.0%
891,274	945,237	990,149	961,028	916,813	-3.0%

Includes expenditures on land, buildings, equipment, and other purchases with a cost of at least \$5,000.

Includes all operating costs, except those related to personnel or capital.

REVENUES

Revenues for the general benefit of the Town and not related to specific functions. These revenues include property taxes, State-shared revenues, sales taxes, interest, and appropriated net assets (fund balance).

2024-25 Actual	2025-26 Original Budget	2025-26 Revised Budget	2025-26 Estimated	2026-27 Adopted Budget	% Change from 2025-26
730,933	776,437	821,349	846,228	770,013	-0.8%
-	-	-	-	-	N/A

58,069	73,000	73,000	63,000	65,000	-11.0%
891,274	945,237	990,149	961,028	916,813	-3.0%

These revenues are directly related to departmental functions.

Strategic Priorities, Goals, and Performance Management

Strategic Priorities and Goals

Local governments use strategic planning as a tool to set goals, connect to stakeholders, track progress, and communicate results. Approving Council goals and objectives is the first phase of building a performance management system that links Council goals to staff work plans and communicates outcomes to the public.

Every two years, the Town Council establishes high level strategic priorities. In early 2026, the Council created new priorities and goals for 2026-2028. These guide the development of the Town Budget and Departmental Business Plans, which drive the allocation of resources and staff time. Below are the Strategic Priorities and Goals approved by the Town Council:

Strategic Priority 1: Complete Community

The Complete Community strategy is the primary framework to advance the Town's goals and serves as a guide for thoughtful growth, intentional housing options, and creating well-connected neighborhoods.

- Goals:
 - Clarify and align departmental resources and projects to Complete Community
 - Adopt the Land Use Management Ordinance (LUMO)
 - Implement the Everywhere to Everywhere (E2E) Plan by addressing the development of funding, mapping, and a plan
- Core Departments:
 - Planning, Public Works, Parks & Recreation, Parking Services, Transit

Strategic Priority 2: Environmental Resiliency

*The Environmental Resiliency strategy is the Town's ability to protect and sustain its systems that **protect the environment**, ensuring **long-term stability** and **preparedness** in times of stress or disruption. support a vibrant economy by supporting business development, jobs creation, and entrepreneurship by balancing our tax base to support a diverse community.*

Strategic Priorities, Goals, and Performance Management

- Goals:
 - Affirm the stormwater plan and educate the public on the purpose of this plan
 - Continue education and implementation of early flood warning sensor networks
 - Implement Town sustainable facilities strategy (e.g. solar, battery storage, electric vehicle (EV) charging expansion)
 - Continue greening town facilities and fleet
- Core Departments:
 - Office of Sustainability and Resilience, Public Works, Parks & Recreation, Library, Transit

Strategic Priority 3: Housing

*The Housing strategy fosters a **diverse, attainable, and sustainable housing supply** that meets the evolving needs of current and future residents.*

- Goals:
 - Support, develop, and implement strategies to address homelessness, in partnership with the County
 - Develop and implement the Public Housing Repositioning Plan
 - Continue implementation of the Affordable Housing Strategy
 - Adopt the Land Use Management Ordinance (LUMO)
- Core Departments:
 - Housing and Community Development, Planning, Transit, Public Housing

Strategic Priority 4: Organizational & Fiscal Sustainability

*The Organizational and Fiscal Sustainability strategy **aligns human resources and equipment needs** with existing capacity, strengthening financial planning, and evaluating opportunities for revenue growth.*

- Goals:
 - Hire, train, retain, and support the best employees by investing in people and the equipment they need
 - Use data across all departments to review services to align for and assess efficiency
 - Use the 5-year budget outlook to target spending and strategically align revenues
 - Focus on core municipal responsibilities and reevaluate whether new and existing programs and services are strategic, efficient, high performing, and needed
- Core Departments:
 - Manager's Office, Human Resource Development, Business Management, Technology Solutions

Performance Management

Performance management uses evidence from measurement to evaluate how Town resources are meeting community and Council expectations. Departmental business plans set strategic priorities and performance metrics for core programs and services for each fiscal year. The FY27 Budget document illustrates performance data and targets that departments have identified as performance measures in their FY27 Departmental Business Plans.

Below are additional Performance Management tools used by the Town to communicate how annual investments are being used to meet Council goals and Community vision.

Performance Tools	Data and Dashboards
Business Plans, Performance Measures, Community Survey, Employee Engagement, Capital Project Management	Chapel Hill Open Data, GIS & Analytics, Personnel Dashboard, UNC Benchmarking Project

CHAPEL HILL – LOCATION, GOVERNMENT STRUCTURE & DEMOGRAPHICS

Location

The Town of Chapel Hill is located principally in Orange County and partially in Durham County in the north central portion of North Carolina on the Piedmont Plateau, approximately equidistant between Washington, D.C. and Atlanta, Georgia. The area's topography is characterized by rolling hills. The Town, which was incorporated in 1819, presently covers an area of 21.79 square miles and has a population of 64,785, according to the latest estimate issued by the State of North Carolina for July 2024. The Town is the home of the University of North Carolina at Chapel Hill, the nation's oldest public university, established in 1789. Today, the University enjoys a reputation as one of the best public universities in the United States.

The Town conducts an ongoing planning and programming process through which it implements orderly expansion and management of the growth and development of the community in accord with the Comprehensive Plan, last amended in 2023. At present, the Town exercises zoning and building controls over a 27.51 square mile area that includes the corporate limits and a 5.72 square mile planning jurisdiction.

CHAPEL HILL – LOCATION, GOVERNMENT STRUCTURE & DEMOGRAPHICS

The growth of the Town has been directly related to the expansion of the University of North Carolina at Chapel Hill. Enrollment at the University grew from 8,791 in 1960 to 34,099 in Fall 2025. It is anticipated that expansion will continue to occur in University-related health facilities, such as the UNC Health Care System.

Government Structure

The Town has a Council-Manager form of government. The Town Council is comprised of a Mayor and an eight-member Council. All Council Members serve four-year terms. The Mayor and four Council Members are elected every two years. All elections are on a non-partisan basis. The Council appoints the Town Manager and Town Attorney. The Mayor presides over the Council meetings and has full voting privileges. The Town Manager is the chief administrative officer of the Town. Town departments are responsible to the Town Manager for the provision of public services.

Demographics

POPULATION GROWTH AND CHARACTERISTICS

Population Growth

Chapel Hill's population increased by over 13,000 since the 2000 Census, totaling 61,960 in the 2020 Census. Figure 1 shows the Town's population growth from 1970 to 2020.

The Town's growth during the 10-year period from 2015 to 2024 amounts to 9.2 percent, while during the same period the County's growth was 8.8%, and the statewide population grew by 10.9%. Figure 2 shows the Town's more recent growth.

Racial Makeup & Hispanic Population Growth

A demographic shift in the 2020 Census revealed an increase in the number of people who described themselves as being Hispanic or of Latino origin, an ongoing trend evident at the national, state, and local levels. Table 2 depicts the breakdown of population percentage by race. The percentage of white persons as a share of the Town’s total population declined from 2010 to 2020, and that trend has continued since. People who identified themselves as being of more than one race in 2024 totaled just over 6.7 percent of the Town’s total population.

**Table 2: Chapel Hill Population by Race & Origin
(2024)**

Race/Origin	%
White	64.9%
Black or African American	11.4%
American Indian and Alaska Natives	0.5%
Asian and Pacific Islander	13.4%
Some Other Race	3.0%
Two or More Races	6.7%
Total	99.9%
Hispanic Origin (any race)	7.6%

CHAPEL HILL – LOCATION, GOVERNMENT STRUCTURE & DEMOGRAPHICS

Age

Figure 3. Age Distribution

Figure 3 shows the population distribution for Chapel Hill and the State of North Carolina according to age groups. The bar chart illustrates that the concentration of Town residents who are in the 15 to 19 age group comprises 17.4 percent of the Town’s population, while the 20 to 24 age group comprises 19.7 percent. On the State level, the 15 to 19 age group represents 6.7 percent of the population, and the 20 to 24 age group also represents 6.7 percent. The chart illustrates that Chapel Hill has a relatively young population. According to latest estimates from 2024, the Town’s median age is 25.8 years old, while North Carolina’s median age is 39.1.

CHAPEL HILL – LOCATION, GOVERNMENT STRUCTURE & DEMOGRAPHICS

MAJOR ECONOMIC DEVELOPMENT

Downtown Innovation District

In 2022, the Town completed the Downtown Together planning initiative to create a Downtown Innovation District. The Leadership and Working Groups continue meeting regularly to implement the plan. Goals include recruiting jobs and companies to support the district, physical improvements to help make downtown more attractive, and facilitating development that helps retain companies that begin in Chapel Hill for future jobs.

The Innovation Hub at 136 E. Rosemary Street has been delivered to market, and the Downtown Parking Center at 125 E. Rosemary, a 1,089-space parking deck, is nearing completion. Additional funded initiatives include a Downtown Mobility Study and Streetscape Enhancement Plan, the development of plans for the former Town Hall and for Peace and Justice Plaza, Chapel Hill Downtown Partnership’s Clean and Green Team, and marketing associated with tenant recruitment.

Top Goals of the Plan:

- Make Downtown cleaner, safer, and more attractive to earn a premium for place.
- Improve the Development Approval process.
- Proactively market the district to attract business.
- Upgrade parking.

CHAPEL HILL – LOCATION, GOVERNMENT STRUCTURE & DEMOGRAPHICS

Economic Community Profile

The Town of Chapel Hill utilizes data products from Applied Geographic Solutions (AGS) to outline a community profile. The following data highlights community characteristics that are unique to Chapel Hill and demonstrate the Town's competitive advantages.

Labor Force

Chapel Hill has a labor force of 29,931 people, with an unemployment rate of 3.3%.

Talent

There are 30,572 total employees within the Town's jurisdictional boundary. 82% of Chapel Hill's jobs are White Collar, while 17% of the Town's total jobs are Blue Collar. The largest jobs by occupation are Executive, Managers, and Administrators (13.5%); Community and Social Services (12.07%); Office and Administrative Support (11.55%); and Business and Financial Operations (8.24%).

Businesses and Jobs

Chapel Hill has a total of 3,257 businesses. The average business has between 1 and 4 employees.

Spending

Household expenditures in Chapel Hill earn a median yearly income of \$94,827, which is 29% more than the State of North Carolina median income and 16% more than the national median income. Household expenditures average \$120,504 per year. The majority of earnings are spent on Tax and Retirement, Shelter, Transportation, Grocery, and Entertainment.

SUMMARY OF KEY INTERGOVERNMENTAL RELATIONSHIPS

The Town of Chapel Hill works closely with neighboring municipalities, Orange County, and state and federal agencies to coordinate services, plan for regional growth, and secure funding for key initiatives. Through partnerships in areas like public safety, transit, housing, and infrastructure, Chapel Hill ensures efficient service delivery and alignment with broader regional and governmental goals. Following is a summary of those relationships:

Town of Carrboro

- Receives fixed-route, EZ Rider, and Shared Ride transit services from Chapel Hill
- Appoints two members to Orange County Solid Waste Advisory Board and two members to the Orange Water and Sewer Authority (OWASA) Board of Directors
- Receives traffic signal system services from Chapel Hill
- Mutual aid agreement for fire protection; limited joint training with Chapel Hill; uses Chapel Hill's fire training facilities
- Mutual aid agreement for police services
- Chapel Hill operates 30 public housing apartments in Carrboro
- Open facilities policy for recreation services
- Participates in the Orange County Joint Planning Agreement
- Regular staff communications regarding services and policies
- Development at border affects each community

Orange County

- Mutual aid agreement for police services
- Appoints two members to Orange County Solid Waste Advisory Board; provides landfill and recycling services to Chapel Hill
- Appoints two members to OWASA Board of Directors
- Participates in Joint Planning Agreement
- Operates 911 emergency communications system; dispatches fire and police service units
- Provides jail services for Chapel Hill
- Provides tax assessing and collection services for Chapel Hill; Chapel Hill provides a tax collection service point for Orange County
- Provides grants to Chapel Hill for recreation, library services, and Project Turnaround; Chapel Hill provides grants to Orange County Senior Center, Economic Development Commission, and Retired Senior Volunteer program
- Open facilities policy for recreation services
- Enforces soil and erosion control in Town of Chapel Hill and Regulated Recyclables Ordinance.

SUMMARY OF KEY INTERGOVERNMENTAL RELATIONSHIPS

Town of Hillsborough

- Mutual aid agreement for fire protection; uses Chapel Hill's fire training facilities
- Mutual aid agreement for police services
- Appoints two members of the Orange County Solid Waste Advisory Board

Orange Water and Sewer Authority (OWASA)

- Chapel Hill appoints five members of the nine-member OWASA Board of Directors
- Reviews utility plans related to standards and specifications
- Mutual aid agreement for emergency response
- Extends water and sewer services in Chapel Hill zoning jurisdiction in accordance with the policies of the Council
- Maintains fire hydrants used by Chapel Hill fire department
- Chapel Hill purchases water and sewer services from OWASA

Chapel Hill-Carrboro City School System

- Must submit development applications to Chapel Hill for approval when sites are in the Chapel Hill zoning jurisdiction
- Joint use agreements for use of some recreation facilities
- Pays for school resource officers provided by Chapel Hill police department in high schools and middle schools
- Chapel Hill pays cost of providing school crossing guards at elementary schools
- May designate and "reserve" school sites under Chapel Hill zoning ordinance
- Issues permits required under the Schools Adequate Public Facilities Ordinance

University of North Carolina

- Purchases fixed-route and Shared Ride transit service from Chapel Hill; provides on-campus service equivalent to EZ Rider; provides Point-to-Point transportation service for students, staff, and faculty
- Provides refuse collection and recycling services for University properties
- Traffic signals and Town streets in University campus area are maintained by Chapel Hill
- Fire protection services are provided by Chapel Hill; University budget contributes part of the revenues used by the state to pay part of the cost of fire protection services
- Mutual aid agreement for police services and other emergencies
- Must submit development applications to Chapel Hill when sites are within the Chapel Hill zoning jurisdiction
- Joint Staff Committee meets quarterly

SUMMARY OF KEY INTERGOVERNMENTAL RELATIONSHIPS

City of Durham

- Competes with Chapel Hill for transportation funding
- Provides staff for Metropolitan Planning Organization (Transportation Advisory Committee)
- Durham-Chapel Hill Work Group and request by Town of Chapel Hill for joint planning process.
- Development at border affects each community

Durham County

- Portion of Chapel Hill is in Durham County
- Provides tax assessing and tax collection services for Chapel Hill portion of County
- Durham-Chapel Hill Work Group

Chatham County

- Development at border affects each community

Research Triangle Regional Public Transportation Authority (GoTriangle)

- Chapel Hill appoints one member of the 13-member governing board
- Provides bus service in Chapel Hill connecting to Durham, Research Triangle Park, and other areas of the Triangle
- Competes with Chapel Hill for transit funding from the federal and state government

Central Pines Regional Council

- Chapel Hill appoints one delegate and one alternate to the board of delegates
- The Town pays dues to support basic operations of the Council and receives planning and other services

SUMMARY OF KEY INTERGOVERNMENTAL RELATIONSHIPS

State of North Carolina

- The State established the Town by granting a municipal charter
- The Town's powers are granted by the State, and the State imposes limits on the powers of the Town
- The State constructed and maintains a road network within the Town limits
- The State is the conduit for transportation improvement funds used to maintain roads and to maintain and operate the transit system
- The State collects certain taxes and shares proceeds with the Town (sales tax, beer and wine tax, etc.) that contributes to General Fund revenues

United States Government

- The Town is subject to relevant federal laws and regulations
- Federal agencies provide grants that help support the transit system and transportation planning
- The Town's Community Development and HOME programs are fully funded by the federal government
- The Public Housing program is funded almost entirely by the federal government
- The Town occasionally receives grants for special purposes from federal agencies, including the Department of Justice

FUND DESCRIPTIONS AND MAJOR REVENUES

<u>Fund Title</u>	<u>Accounts For</u>	<u>Primary Funding Sources</u>
GENERAL FUND	Normal recurring Town activities such as planning, inspections, engineering, public works, public safety, parks and recreation, and library	Property and other taxes, State-shared revenues, grants, charges for services, licenses, permits, and fines
TRANSIT		
Transit Fund	Operation and maintenance of public transportation, EZ Rider, and Shared Ride services	Federal and State grants, property taxes, and charges for services
Transit Capital Reserve Fund	Reserve fund for replacement of buses and other capital equipment and improvements	Contributions from the Transit Operating Fund
PARKING		
Parking Facilities Fund	Off-street parking facilities, monthly rental parking, on-street parking enforcement, and parking meters	Short-term parking fees, monthly rentals, parking meter collections, and parking citations
STORMWATER MANAGEMENT		
Stormwater Management Fund	Management of stormwater to protect water quality as mandated by NC General Statutes	Stormwater Management Fees
HOUSING		
Public Housing Fund	Management of public housing units and residential rehabilitation	Federal grants and rental income
DEBT		
Debt Service Fund	General obligation debt, proprietary debt, COPS debt, and other governmental debt	Property taxes

FUND DESCRIPTIONS AND MAJOR REVENUES

<u>Fund Title</u>	<u>Accounts For</u>	<u>Primary Funding Sources</u>
CAPITAL PROGRAMS		
Capital Improvements Fund	Capital improvements projects such as park improvements, fire hydrants, stormwater management, and traffic signals	Transfers from Capital Reserve Fund and General Fund
Capital Reserve Fund	Reserve fund for capital improvements projects such as library facilities, parks and recreation improvements, fire hydrants, stormwater management, and traffic signals	Transfer from General Fund
OTHER FUNDS		
<u>Special Revenue Funds</u>		
Grants Fund	Miscellaneous grants	Federal and State grants
Downtown Service Fund	Promotion of Downtown economic development	Property taxes
Library Gift Fund	Gifts and donations received for the library	Gifts and donations
Climate Action Fund	Projects and personnel to address climate change	Transfer from General Fund
<u>Internal Service Funds</u>		
Vehicle Replacement Fund	Centrally managed vehicle replacement	Charges to General Fund
Fleet Management Fund	Centrally managed fleet maintenance	Charges to General, Parking, and Housing Funds
Computer Replacement Fund	Centrally managed computer replacement	Charges to General Fund

FUND BALANCE

Fund balance (net assets) is the accumulated difference between revenues and expenditures in a governmental fund and is like “working capital” for a private business. Portions of fund balance are intended to meet the cash flow and working capital needs of the Town in accordance with reserve recommendations of the North Carolina Local Government Commission (LGC). A portion of fund balance is reserved for specific purposes, as required by North Carolina statute, and is not available for appropriation, while the remainder is available for Council appropriation. It is a Town goal to maintain fund balance at a level that will meet on-going cash flow needs and provide available funds to meet unexpected emergency situations.

Fund balance will be presented in the categories required by GASB Statement No. 54, as shown at right.

Town practices regarding net assets (fund balance) include the following:

- In June 2019, the Town Council adopted a fund balance policy which set a targeted minimum unassigned fund balance of 22% of General Fund Expenditures. The reserve is for cash flow, emergencies, and opportunities. Please refer to pages 70-71 for more information on the Town’s current fund balance. Pages 72-77 provide a detailed financial schedule which includes net unreserved assets over a three-year period.
- The Town seeks to maintain a level of net assets appropriate to retain its high bond ratings: Moody’s Investor Service—AAA and Standard and Poor’s—AAA. Bonding agencies use the percentage of unrestricted net assets as a key indicator when assessing the Town’s creditworthiness.

Fund balance designation		
Nonspendable	Not available	Restricted
Restricted		
Committed	Constraint imposed by Council action	Available
Assigned		
Unassigned	Available for appropriation	

Governmental Fund		
Financial Assets	Unavailable assets (e.g., long-term loans receivable)	Liabilities
	Assets subject to legal limitations.	
	Assets available for spending and not subject to legal limitations	Net Assets (Fund Balance)
	Liabilities normally expected to be paid from current financial resources	
	Not Spendable	
	Restricted (by others)	
	Committed (by ordinance or Council action)	
	Assigned (by Council action)	
	Unassigned - available for appropriation	

DEBT

INTRODUCTION & BACKGROUND

The Town has the authority to finance capital projects and major equipment purchases using long-term debt. The underlying principle for this type of financing is to spread the cost of the project over a longer time-period to eliminate the spike in costs associated with major projects. In addition, the use of long-term debt matches the repayment period of the debt with the taxpayers who will be enjoying the benefits of the capital project. The Town, like other government agencies, can borrow at low tax-exempt rates for most capital projects, thereby improving the affordability of issuing debt to finance capital projects.

The State of North Carolina provides local governments several methods to finance these sorts of purchases:

- General Obligation Bonds
- Two-thirds General Obligation Bonds
- Revenue Bonds
- Contract Installment Financing

Essentials:

Town policy and practice limits annual general government debt service up to 10% of total governmental funds.

State statutes only allow debt issuance for capital expenditures.

Per State law, the Town's debt may not exceed 8% of the Town's assessed property valuation.

General obligation bonds are secured by the pledge of "full faith and credit" and taxing authority of the Town.

General Obligation Bonds

The issuance of General Obligation bonds (GO bonds) is the most commonly used financing method for large-scale capital projects. Issuance of GO bonds requires approval by voters through a bond referendum and requires approval by the North Carolina Local Government Commission (LGC). When GO bonds are issued, a local government pledges to repay the debt from any and all revenues available to the unit. This pledge is generally referred to as a pledge of the "full faith and credit" of the governmental unit, including a pledge of property tax revenue. GO bonds are typically issued with 20-year terms. In North Carolina, the use of GO bond proceeds is limited to capital and capital-related costs.

The statutory limit on the amount of debt issued by a local government in North Carolina is 8% of the value of the taxable property base in the unit. This limitation pertains to principal only. In practice, most jurisdictions are far below the 8% limit, as the affordability of debt service payments usually becomes an issue well before reaching the 8% limit.

DEBT

INTRODUCTION & BACKGROUND

Two-Thirds GO Bonds

There is a provision in North Carolina Statutes that allows units to issue bonds in an amount equal to two-thirds of the net principal amount of GO debt retired in the previous year. These bonds can be issued without a referendum, for purposes specifically authorized in the statute, and must be approved by the LGC in the same manner as other debt financing. The amount of two-thirds bonds that can be issued at any time is relatively small and therefore they are often combined with other debt issues in order to achieve economies of scale with respect to the cost of issuance.

Revenue Bonds

Revenue bonds are typically issued for enterprise operations, where there is a stream of revenues available to pledge for repayment of the bonds. Examples include parking operations, water and sewer, and electrical utilities. Revenue bonds are generally issued for projects that are associated with a specific revenue stream that can be estimated and pledged as a source of debt repayment. The approval process for revenue bonds includes, among other things, an independent feasibility study including verification that pledged revenue exceeds debt service by at least 20%. Ongoing independent evaluation of the maintenance of the project and the adequacy of revenues to cover debt service are required while the bonds are outstanding.

The Town currently does not have revenue bonds outstanding. However, in past years the Town issued revenue bonds for off-street parking operations, including the purchase of parking lots 2 and 5 and for the James C. Wallace Parking Deck. In 1994, all of the Town's parking revenue bonds were replaced by Certificates of Participation.

Installment Contract Financing

General Statute 160A-20 allows local governments to enter into installment contracts to finance the cost of capital projects. Under this method of financing, the unit enters into a contract with a financial institution in which the financial institution provides funding for the project. The financial institution maintains a security interest in the project until the governmental units repays the loan. For this method of financing, local units pledge to pay the installments from any revenues available, but do not pledge the "full faith and credit" of the unit. Contracts under \$500,000 with less than a five-year maturity do not require approval by the LGC.

Installment contracts greater than \$500,000 or maturities over five years require approval by the LGC, except for the purchase of vehicles and rolling stock which may be purchased in any amount without LGC approval. Installment contracts involving the purchase of land or buildings or improvements to land or buildings require approval by the LGC regardless of the dollar amount or maturity involved.

The Town has used installment contract financing for various projects, including the purchase of vehicles and computers, and for capital renovations to public buildings.

DEBT

INTRODUCTION & BACKGROUND

Certificates of Participation

General Statute 160A-20 also allows a local government unit to issue Certificates of Participation (COPs), another form of installment contract financing. COPs are a financial instrument that are secured by the installment payments made by a local government. An installment financing is usually a transaction between a municipality and a bank, while a COPs transaction allows multiple investors to participate in the transaction through an underwriting arrangement with an investment bank.

Additional Debt Information

Please refer to pages 200-207 for additional information on the Town's debt and bond ratings.

CAPITAL PROGRAM

INTRODUCTION AND BACKGROUND

The Capital Program is a 15-year financial plan for the Town's major capital and infrastructure needs. The Capital Program identifies capital needs, establishes priorities, identifies potential funding sources, and includes needs for which sources of funding have not been identified. Key sources for identifying capital needs include the Facility Condition Assessment, the Comprehensive Plan, Council Goals and Priorities, special studies, and other ideas from the Council, citizens, and staff.

The Capital Program is comprehensive in scope. It includes all identified capital projects and a range of funding sources, as well as projects that have been identified but for which funding is not available. It includes projects that are funded through the Town's annually budgeted Capital Improvements Fund, and those projects that are funded through bonds, State and federal grants, and other sources. The Capital Program does not include the capital needs of the Chapel Hill-Carrboro City School System, the Orange Water and Sewer Authority, or the Orange Regional Landfill. Most projects funded by bonds, grants, and other special funding sources are accounted for in Multi-Year Capital Project Funds, such as various capital projects funded from bonds, and are therefore not included in the annual operating budget.

Please refer to the Capital Program section, starting on page 260, for additional information on the Town's Capital Improvements Fund.

FUND STRUCTURE & BASIS OF BUDGETING

The accounts of the Town are organized on the basis of funds, each of which constitutes a separate accounting entity. The operations of each fund are accounted for by providing a separate set of self-balancing accounts reflecting its assets, liabilities, fund balance/retained earnings, revenues, and expenditures/expenses. The funds of the Town are created because of the diverse nature of governmental operations and the necessity of complying with legal provisions. The Town has two broad fund categories: governmental and proprietary.

BASIS OF BUDGETING

The budgets of general government type funds (for example, the General Fund and Debt Service Funds) are prepared on a modified accrual basis. Briefly, this means that obligations of the Town (for example, outstanding purchase orders) are budgeted as expenditures, but revenues are recognized only when they are measurable and available.

The Enterprise Funds (Transit, Parking, Stormwater Management, Housing, and Internal Service) also recognize expenditures as encumbrances when a commitment is made (e.g., through a purchase order). Revenues, on the other hand, are recognized when they are obligated to the Town (for example, charges for transit services are recognized as revenue when service is provided).

In all cases (Enterprise Funds and Governmental Funds), when goods and services are not received by year end, encumbrances evidenced by unfilled purchase orders lapse, but are normally reappropriated to the following year's budget through an amendment to the budget approved by the Town Council.

The Annual Comprehensive Financial Report (ACFR) shows the status of the Town's finances based on "generally accepted accounting principles" (GAAP). In most cases, this conforms to the way the Town prepares its budget. Exceptions are as follows:

- a. Compensated absence liabilities that are expected to be liquidated with expendable available financial resources are accrued as earned by employees (GAAP basis) as opposed to being expended when paid (Budget basis).
- b. General staff and administrative charges for the Transit, Parking, and Stormwater Management Funds are accounted for and funded by operating transfers into the General Fund from these funds on the Budget basis as opposed to a GAAP basis.
- c. Principal payments on long-term debt within the Enterprise Funds are applied to the outstanding liability on a GAAP basis, as opposed to being expended on a Budget basis.
- d. Capital outlays within the Enterprise Funds are recorded as assets on a GAAP basis and expended on a Budget basis.
- e. Depreciation expense is recorded on a GAAP basis only.

FUND STRUCTURE & BASIS OF BUDGETING

One type of budget entry that is shown differently for budgetary purposes and GAAP is the purchase of an item using installment financing. The actual budget entries for an installment financing agreement can make it appear that the Town is paying twice for the same purchase, because there are two pairs of budget entries in the year that an installment financing takes place. The first pair gives the Town budget authority to make a certain purchase (for example, a fire engine) and receive the financing from a bank or other financial institution for the purchase. In the case of a fire engine costing \$500,000, the budgetary lines would show the following:

REVENUES	Financing Proceeds	\$500,000
EXPENDITURES	Capital Equipment	\$500,000

The second pair of budget entries allow for the first year repayment of the installment (or lease-purchase) debt. That set of budget entries shows the amount of the debt to be paid in the year and the source of the revenue that will provide the cash to make the payment. For the fire engine example, assuming that the Town secures financing for eight years at 5% and that the Town will make a payment for one-eighth the cost of the fire engine in the first year, the budgetary lines would show the interest and principal payment as following:

REVENUES	Appropriated Fund Balance (or other revenue source)	\$77,360
EXPENDITURES	Installment (lease/purchase) financing payment	\$77,360

If the Town made no further installment financing agreements, the Town would show the budgetary requirement for repaying the bank or other financial institution in each of the following seven years.

In addition to approving the budget authority for the above transactions, the Town Council would have to specifically approve each installment financing agreement as required by State law.

The Annual Comprehensive Financial Report shows fund expenditures and revenues on both a GAAP basis and Budget basis for comparison purposes. Because the Town prepares its financial statements using the Government Accounting Standards Board 34 Model, the financial statements include government-wide financial statements aimed at presenting a broad overview of a government's finances. There are two basic government-wide financial statements: the statement of net assets and the statement of activities. These two statements report a government's governmental activities separately from its business-type activities. Fiduciary funds and fiduciary-like component units are excluded from the government-wide financial statements. All activities included within the government-wide financial statements, both governmental and business-type, are measured and reported using the economic resources measurement focus and the full accrual basis of accounting.

FUND STRUCTURE & BASIS OF BUDGETING

GOVERNMENTAL FUNDS

Governmental funds are those which finance most governmental functions of the Town. The Town follows the modified accrual basis of accounting and budgeting for all governmental funds. Under this method, revenues are recorded as the amount becomes susceptible to accrual by becoming measurable and available to finance the Town's operations. Available means collectible within the current period or soon enough thereafter to pay liabilities of the current period. Expenditures are recorded when the related liability is incurred.

In applying the susceptible-to-accrual concept to intergovernmental revenues, the legal and contractual requirements of the numerous individual programs are used as guidance. There are, however, essentially two types of these revenues. In one, money must be expended on the specific purpose or project before any amounts will be paid to the Town; therefore, revenues are recognized when the expenditures are recorded. Major components of this type of revenue are grants and gas tax refunds. In the other, funds are virtually unrestricted as to purpose of expenditure and are revocable only for failure to comply with prescribed compliance requirements. These resources are reflected as revenues at the time of receipt or earlier if the susceptible-to-accrual criteria are met. Major revenues susceptible-to-accrual under this category are State-shared revenues.

Licenses and permits, charges for services, and other revenues are recorded as revenues when received in cash because they are generally not measurable until actually received. Interest on investments is recorded as earned since it is both measurable and available.

The following are the Town's Governmental Fund Types:

General Fund - The General Fund is the general operating fund of the Town. It is used to account for all financial resources except those required to be accounted for in another fund.

Special Revenue Funds - Special Revenue Funds are used to account for the proceeds of specific revenue sources that are legally restricted to expenditures for specified purposes. The Town's special revenue funds consist of the Community Development Entitlement Grant Projects Ordinance Fund, the Transit Grant Projects Ordinance Fund, the Grants Fund, the Downtown Service District Fund, Transitional Housing Fund, Affordable Housing Fund, the Land Trust Fund, the Library Gift Fund, and the Climate Action Fund. Only the Grants Fund, Downtown Service District Fund, and Climate Action Fund are budgeted annually and are included in detail in this document.

Debt Service Fund - The Debt Service Fund is used to account for the payment of general obligation long-term debt principal, interest, and related costs. A portion of the property tax provides the revenues for this fund. Payments of long-term debt associated with Enterprise Fund operations are shown in the Enterprise Funds themselves.

Capital Projects Funds - Capital Projects Funds are used to account for financial resources to be used for the acquisition or construction of major capital facilities (other than those financed by special revenue, proprietary funds, and trust funds). The Town has three capital projects funds: the

FUND STRUCTURE & BASIS OF BUDGETING

Capital Projects Ordinance Fund, the Capital Improvements Fund, and the Capital Reserve Fund. Only the Capital Improvements Fund and Capital Reserve Fund are budgeted annually and are included in detail in this document.

PROPRIETARY FUND TYPES

Enterprise Funds - Enterprise Funds are used to account for operations (a) that are financed and operated in a manner similar to private business enterprises - where the intent of the governing body is that the costs (total expenses including depreciation) of providing goods or services to the general public on a continuing basis be financed or recovered primarily through user charges; or (b) where the governing body has decided that periodic determination of revenues earned, expenses incurred, and net income is appropriate for capital maintenance, public policy, management control, accountability, or other purposes. The Town has four Enterprise Funds: the Transit Fund, the Parking Facilities Fund, the Stormwater Management Fund, and the Public Housing Fund.

The enterprise funds are accounted for using the accrual basis of accounting. The revenues of these funds are recognized when they are earned, and expenses are recognized when they are incurred.

Internal Service Funds - Internal Service Funds are used to account for the financing of goods or services provided by one unit, or to other governmental units, on a cost-reimbursement basis. The chief aim of an internal service fund is cost reimbursement, including the exhaustion of capital assets or “depreciation expense.” The Town has three Internal Service Funds: the Vehicle Replacement Fund, the Computer Replacement Fund, and the Fleet Management Fund.

BUDGETARY CONTROL

The appropriations in the various funds are formally budgeted on a departmental or functional basis depending on the fund type. Changes of functions and total budgets of any fund require approval by the Town Council. Budgetary control is maintained at the individual budget object line item level (e.g., salaries, supplies, etc.). Neither an operational expenditure nor an encumbrance is processed when the transaction would result in an overrun of an individual line item budget.

DEPARTMENTS/DIVISIONS

Departments may be further represented by divisions. In this document, each department or division summary contains a key objective, a budget summary by expenditure category, major offsetting revenues, major expenses, including capital outlay, and an authorized full-time equivalent position count. For departments consisting of more than one division, a department summary precedes the department's division summaries.

OVERVIEW OF BUDGET PROCESS

Budget preparation allows departments the opportunity to reassess goals and objectives and the means for accomplishing them. Even though the budget may be heard by the Mayor and Town Council in May and adopted in June, its preparation begins at least six months prior, with projection of Town reserves, revenues, expenditure limit requirements, and financial capacity. It is with this “groundwork” that departmental expenditure requests are made and subsequently reviewed. Specific dates relating to the FY2026-27 budget process can be found on the Town’s website [here](#).

Financial Capacity Phase

Forecasting is an integral part of our decision-making process. Both long-range and short-range projections are prepared. The Town’s Long-Range Financial Projections are updated annually to assess not only current financial condition given existing Town programs, but future financial capacity, given long range plans and objectives.

A five-year financial forecast is prepared for each major operating fund projecting both expenditures and revenues and their fiscal impact on the respective funds.

Policy/Strategy Phase

The Town Council’s goals and directives set the tone for the development of the budget. Shortly after the budget is adopted for the next year, the Council meets, as early as September, but not later than January, to identify priorities, issues, and projects impacting the next fiscal year budget. In January or February of each year, the Council holds a strategic planning meeting to identify key policy issues that will provide the direction and framework of the budget. The Manager and Finance Officer provide an updated short- and long-range financial forecast to assist the Council in providing budget policy and direction for the upcoming budget.

Aside from the Council’s own objectives, Town departments identify and discuss their policy issues with the Town Manager throughout the year. In December of each year, a budget kickoff meeting led by the Manager provides budgetary directions and guidelines to the departments.

OVERVIEW OF BUDGET PROCESS

Participants also help formulate and identify internal and overall budget objectives for the coming year.

The meeting includes discussion of Town-wide goals and objectives, budgeting guidelines for the operating and capital budgets, timelines, an overview of fiscal constraints, and resources available for allocation. The Budget Directives and Instructions distributed at these meetings are designed to assist the departments in preparing all budget requests and forms.

Needs Assessment Phase

The departments have an opportunity to assess current conditions, programs, and needs. During this phase, departments are encouraged to thoroughly review all programs and services, assessing their value and priority to the citizens of the Town. Programs are examined for possible reductions, eliminations, or trade-offs. Additionally, departments reassess service level standards and workload indicators. They then attempt to provide the “best fit” of resource allocation with service and workload estimates. From this process, they prepare preliminary departmental budget requests that are submitted to the Manager in February.

Review/Development Phase

Within the framework of the Town’s financial capacity, the Town Council and Town Manager review priorities and departmental needs assessments, review budget requests, and a preliminary Town-wide operating budget takes shape. The departments initially prepare and submit base budgets. In addition, department heads submit proposals for program changes and budget additions or deletions.

Implementation/Adoption Phase

In March, each Departmental Budget Request is reviewed in detail with the Town Manager, Deputy Manager, and the Finance Officer to review service and funding levels for each Department as part of the total budget and to begin work on recommendations for the Council’s consideration.

March through May, the Council also holds budget work sessions in which the Town presents preliminary budget requests and discusses budget goals, policies, and departmental needs with the Council. The Town Manager and designated Department Directors also present requests for additional services to the Council. In these sessions, the Town Council provides further direction to the Manager and Departments on development of the budget for the coming year.

After the initial budget work sessions, the Manager presents to the Council a status report on development of the operating and capital budgets and on preliminary recommendations for the use of all federal and State grant funds for housing programs, public transportation, and community development activities.

OVERVIEW OF BUDGET PROCESS

The status report provides preliminary estimates of revenue and expenditures for the upcoming budget, identifies the most important budget issues for the Council, and provides an assessment of how the preliminary revenue and expenditure estimates may impact the tax rate for the coming year. The presentation of this report is provided at a public forum of the Council in which interested citizens and community groups provide budgetary information, feedback, or make funding requests to the Town Council. In April and May, the Council may hold additional budget work sessions as desired, providing further direction to the Manager and staff regarding a recommended budget.

In accord with North Carolina State law, the Manager is required to submit a recommended budget to the Town Council. The Manager's Recommended operating and capital budget is submitted to the Town Council in early May and includes proposed revenue and expenditure levels and recommended changes in the tax rate for the coming year. Submittal of the recommended budget is followed by as many budget work sessions as are desired by the Council. A public hearing on the recommended budget, as required by law, is held in May, followed by additional budget working sessions held by the Town Council as needed.

In accord with State law, the Town Council must adopt a final budget and set the tax rate for the next fiscal year by July 1 each year, or they must adopt an interim budget providing temporary appropriations until a permanent budget is adopted. After adoption of the budget, management control of the budget is maintained by conducting budget performance reviews at least quarterly throughout the fiscal year. The reviews are aimed at examining expenditure patterns and recommending corrective action to be taken during the year. Additionally, detailed financial records are maintained to evaluate actual revenues and expenditures against the budget.

Budget Amendments

The Town Manager may transfer funds between departments within a function, between functions of the operating budget of the same fund, and between projects of the Capital Improvement Plan (CIP) with a quarterly report to Council. The Town Manager may also approve intradepartmental transfer requests and transfers between line items within capital project budgets. Transfers between funds, however, may only be authorized by the Town Council.

Budget Roles and Responsibilities

Every employee plays a role in budgeting, whether in its formulation, preparation, implementation, administration, or evaluation. Ultimately, of course, the Senior Management Team, through the Town Manager, is accountable to the Town Council for the performance of departmental personnel in meeting specific objectives within allocation resource limits. Actual budget preparation responsibility can be identified more specifically:

1. Division heads and the Senior Management Team are responsible for reviewing, modifying, and assembling their cost data into a departmental request package and potential budget plan. The Senior Management Team critically evaluates all requests, prioritizes them, and then digitally submits only those requests which are consistent with Council policies, administrative direction, and departmental objectives. The preparation of the budget requests, goals, and

OVERVIEW OF BUDGET PROCESS

objectives should coincide with stated annual goals.

2. The Finance Officer and staff within the Business Management Department are responsible for (a) preparing short- and long-range revenue and expenditure forecasts, (b) reviewing departmental budgets with Senior Management and individual departments, (c) analyzing, summarizing, and making recommendations on the budget requests to the Town Manager and the Deputy Manager, and (d) reviewing the linkage between budget requests and overall budget goals and policies.
3. The Deputy Manager is responsible for reviewing the departmental operating and CIP requests within the context of the Council priorities, Town Manager directives, and budget goals for their respective groups and submitting their recommendations for review by the Town Manager.
4. The Town Manager is responsible for reviewing the total financial program and formulating the Town-wide Recommended Budget to be submitted to the Town Council for adoption.
5. The Town Council is responsible for the review of the Manager's Recommended Budget and approval of a final budget.

Budgeting for the Capital Program

Each year, the Town Council, citizens, boards and commissions, and staff consider the Town's capital project needs and possible funding sources. Beginning in the fall of each year, departments submit project requests that are reviewed by the Senior Management Team and the Town Manager. This team develops a draft proposal for consideration by the Town Council.

At the same time, the Council solicits input from advisory boards and citizens on ideas for inclusion in the Capital Improvements Plan. Input from the departmental review process and the citizen and advisory boards assist the Council in deciding which capital improvements the Town may undertake as funding becomes available.

BUDGET GUIDELINES & PRACTICES

The budgetary guidelines and practices enumerated below outline a general framework of budgetary goals and objectives regarding the operating budget, debt service, capital expenditures, reserves, and financial reporting. They provide standards against which current budgetary performance can be measured, as well as proposals for future program evaluation.

OPERATING BUDGET	
Guideline	Comment
Current revenues will be sufficient to support current operating expenditures.	The Town seeks to use stable, annually recurring revenues to pay for costs which tend to continue from year to year and seeks to avoid using one-time revenues for annually recurring costs.
Financial systems are maintained to monitor expenditures, revenues, and program performance on a continuing basis.	The Town maintains a computerized financial system on a continuing basis that monitors and compares all actual revenues and expenditures to approved budget estimates and appropriations.
Revenues and expenditures are projected for a five-year period and updated annually.	The Town's annual budget includes a five-year forecast for the revenues and expenditures of the Town's major operating funds, and monitors and updates the forecast at periodic intervals during the fiscal year.
All fund budgets are balanced.	Planned expenditures equal anticipated revenues including possible fund balance appropriations. In North Carolina, it is required that the budget submitted to the Town Council be balanced.

BUDGET GUIDELINES & PRACTICES

DEBT SERVICE	
Guideline	Comment
Long-term debt is not issued to finance current operations.	In accordance with North Carolina State law, long-term debt may be issued only to finance capital improvements and capital purchases over the life of the improvements or equipment. Deficit financing for current operations is not permitted by State law.
General Obligation Bonds will be issued to finance capital improvements and equipment at moderate levels that will not exceed the Town's resources and capacity for repaying the debt.	General Obligation bonds are normally issued to finance capital improvements as desired by the Town Council and Town citizens at levels that maintain financial stability and require moderate and stable tax rate increases. Consistent with this guideline, the Town strives to maintain annual debt service payments totaling less than 10% of General Fund expenditures in a given year. This conservative guideline assists the Town in maintaining its Triple A (AAA) bond rating.
CAPITAL EXPENDITURES	
Guideline	Comment
Consistent with the policy of the Town Council, a fifteen-year capital improvements program is developed and updated during the annual budget process, including anticipated funding sources.	Annually, the Town prepares a fifteen-year Capital Improvements Program Budget that summarizes current capital improvements projects and future capital improvement needs. This program includes ongoing pay-as-you-go financing, installment contract financing, current and proposed long-term bond-financed projects, and projects funded by grants and miscellaneous funding sources.
Guideline	Comment
Capital projects financed through the issuance of bonds are financed for a period not to exceed the expected useful life of the project.	Consistent with general State law and guidelines in North Carolina, general obligation bonds are normally issued for a period of 20 years for capital improvements that extend over the same 20-year period.

BUDGET GUIDELINES & PRACTICES

CAPITAL EXPENDITURES	
Guideline	Comment
The Town coordinates development of the capital improvements budget with development of the operating budget. Future operating costs associated with the new capital improvements should be projected and included in the operating budget forecasts.	Operating costs of projects included in the Capital Improvements Program and budget are incorporated into the Town's operating budget annually and are reflected in the Town's annual five-year forecast for its major operating funds.
The Town strives to maintain all its physical assets at a level adequate to protect the Town's capital investment and to minimize future maintenance and replacement costs.	The Town strives to maintain its capital investment by addressing future maintenance and replacement costs in its fifteen-year capital improvements program. Both pay-as-you-go financing and installment financing are used to address capital maintenance needs. When deferrals of capital maintenance are proposed due to unusual budgetary constraints, the amount of deferrals are specifically identified and limited to the extent practical.
NET ASSET (FUND BALANCE) RESERVES	
Guideline	Comment
The Town seeks to continue to maintain its financial reserve position consistent with local policy established by Town Council, which recommends reserving a minimum of 22% of General Fund expenditures for cash flow considerations and emergencies.	The Town's annual budget and revenue and expenditure recommendations are developed and designed to ensure that its financial position and reserve levels are adequate to retain reserve levels recommended by local policy for the General Fund and other major operating funds, including the Transit and Parking enterprise funds. The Town's current balances are consistent with the minimum recommendation. The Town seeks to increase these reserve levels as the expenditure levels increase in each fund to maintain a constant reserve percentage.

BUDGET GUIDELINES & PRACTICES

FINANCIAL REPORTING	
Guideline	Comment
The Town's accounting and financial reporting systems will be maintained in conformance with current generally accepted accounting principles (GAAP) and standards of the Governmental Accounting Standards Board (GASB) and the Government Finance Officers Association (GFOA).	The Town participates in the accounting and budgeting awards programs of the association, receiving the Certificate of Achievement for Excellence in Financial Reporting for fiscal year ending June 30, 2025 and Distinguished Budget Award in 2025-26 and in past years. The Town plans to continue participation in these programs annually.
Consistent with State law, an annual audit will be performed by an independent public accounting firm with subsequent issuance of an Annual Comprehensive Financial Report (ACFR). Full disclosure will be provided in the general financial statements and all bond representations.	The Town prepares an Annual Comprehensive Financial Report that receives an unqualified opinion from an independent accounting firm each year. As required by State law, the annual report is submitted to the N.C. Local Government Commission staff for a detailed review of compliance with Commission recommendations and guidelines and compliance with applicable accounting and financial reporting standards.

BUDGET ASSUMPTIONS

Major issues affecting Town revenues for the 2026-27 budget include continued economic impacts that we anticipate impacting revenues in a number of areas. The continuation of slow property tax base growth has not kept pace with the increase in expenditures. Delays in the construction of major approved development projects and the diminishing supply of developable land have exacerbated the problem. State and Federal budget decisions also have a major effect on the Chapel Hill budget, particularly in the areas of public transportation and housing.

The 2026-27 budget incorporates the following assumptions:

- The property tax base is estimated to be \$14.17 billion in 2026-27.
- We estimate that the Town's revenue from the local sales taxes will increase, based on recent sales tax receipts.
- Annual federal and state assistance will remain level in 2026-27.

FIVE-YEAR REVENUE AND COST PROJECTIONS FOR MAJOR OPERATING FUNDS

INTRODUCTION AND OVERVIEW

This section of the budget outlines, in summary form, projected revenues and costs for the five fiscal years beyond 2026-27 for the Town's General Fund, Transit Fund, and Debt Service Fund. A summary schedule is provided for each fund identifying differences between the projected revenues and costs.

The Projections section of the budget is an important tool in developing long-range financial strategies for the Town's major operations and in maintaining sound financial condition. We

believe our projections include all the major elements and principal drivers of revenue and costs. In short, we have included in the projections the elements that are "big enough to matter" on both the revenue and cost sides of the budget. Our presentation includes projections for operations and for additions and adjustments to ongoing operations. The largest additions relate to capital programs and related debt service.

Capital Programs and Related Debt Service

In November 2024, the Town held a general obligation bond referendum consisting of five bond orders totaling \$44 million, all of which were approved by the voters. In June 2025, \$10.63 million of the bonds were issued.

Bond Order	Authority	Jun 2025 Issuance	Balance
Public Facilities	\$ 15,000,000	\$ 1,230,000	\$ 13,770,000
Affordable Housing	15,000,000	3,500,000	11,500,000
Streets & Sidewalks	7,500,000	5,400,000	2,100,000
Recreation Facilities	4,500,000	500,000	4,000,000
Open Space	2,000,000	-	2,000,000
Total	\$ 44,000,000	\$ 10,630,000	\$ 33,370,000

In November 2018, the Town held a general obligation bond referendum with one bond order that appeared on the ballot, and it was approved by the voters. The Town issued \$4.755 million in May 2021 and the remaining \$5.245 million in March 2023. The full amount of referendum authority has been issued.

In November 2015, the Town held a general obligation bond referendum consisting of five bond orders totaling \$40.3 million. All five bond orders were approved by the voters. There were four issuances from the 2015 GO Bond authority for a total of \$32.4 million. In February 2017, \$9.0 million was issued. In April 2018, \$12.5 million was issued. In March 2023, \$7.7 million was issued. In June 2025, the final \$3.2 million was issued. The authority to issue the remaining bonds expired in November 2025.

In September 2024, the Town negotiated a 15-year lease for the Town's Police Headquarters, Emergency

FIVE-YEAR REVENUE AND COST PROJECTIONS FOR MAJOR OPERATING FUNDS

Operations Center, and Technology Solutions. Move-in and lease commencement was October 2025.

While the Town has historically had low debt as a percentage of budgeted expenditures, recent borrowings have increased the Town's debt load. The Town's measures of debt capacity, including debt per capita and debt as a percent of assessed value, are slightly below the average of our peer group (Triple A rated Municipalities in North Carolina). The Town has traditionally kept debt service below 10% of budgeted general fund expenditures. With the recent investment in public facilities (East Rosemary Parking Deck), the Debt Fund is absorbing the debt service costs until the Parking Deck is fully operational and revenue positive. Debt service as a percentage of expenditures is expected to rise slightly in the next few years as the Town continues to invest in public facilities and infrastructure.

In response to the added debt burden, a Debt Management Plan was adopted for the FY2008-09 budget that includes dedicating a portion of the property tax rate to pay debt service instead of transferring funds for debt service needs from the General Fund. Previously, debt service costs competed with other priorities for General Fund revenues, but now have a dedicated revenue source, which also provides for future debt as existing debt is paid off. Maintaining affordable levels of debt is an important factor in retaining the Town's current AAA ratings.

Some of the other key factors affecting revenues and costs are outside the Town's control, such as State-shared revenues affected by State legislation, and numerous State and federal regulations which affect funding for the Transit system and the Housing Department, primarily. We project no significant withholding of State-shared revenues. The county has the option each year to change the sales tax distribution formula from the current per capita basis to an ad-valorem basis. Changing from a per capita basis to an ad-valorem distribution would reduce the Town's Sales Tax revenues by approximately \$2.5 million. The County has indicated that they will not make a change to the distribution for 2026-27, but they may revisit this option in subsequent fiscal years.

The main points included in the revenue and cost projections for the General Fund, Transit Fund, and the Debt Service Fund are summarized on the following pages. The differences between revenues and expenditures are expressed as tax rate equivalents.

As the budget increases, the total reserved fund balance needs to increase proportionally to maintain fund balance reserves at the target 22% of expenditures. The gap between revenues and costs could be closed by service reductions, revenue enhancements, tax rate adjustments, or any combination of these options.

GENERAL FUND

Revenues

The most important revenue sources for General Fund operations continue to be property taxes and sales tax revenues that, combined, comprise about 77% of total General Fund revenues. The estimate of assessed valuation for the tax base in 2026-27 is about \$14.17 billion. The Council adopted a tax rate of 50.0 cents for 2026-27, representing no change from prior year.

Estimated additions to the tax base through growth yield increases in property tax revenues of about \$835,000 each year. This is based on 1.5% annual growth, which is slightly lower than the historical average, and a tax rate for 2026-27 of 38.1 cents for the General Fund.

FIVE-YEAR REVENUE AND COST PROJECTIONS FOR MAJOR OPERATING FUNDS

The second largest source of Town revenue, sales tax, is more volatile than property tax. Revenues from sales tax tend to increase when the economy is strong and slow or decline when the economy weakens. Based on sales tax revenues to date, we estimate FY25-26 receipts at \$22.6 million, an increase from what was originally budgeted. Based on local trends and state forecasts,

we anticipate an increase of 3.1% for FY26-27.

Based on legislation adopted by the North Carolina General Assembly (providing greater but not absolute protection for certain State-shared revenues withheld in past years), we believe it is reasonable to include full State-shared revenues in our five-year projections for the General Fund. These State-shared revenues include revenue from utility sales taxes (estimated at \$5.25 million in 2025-26 and remaining flat in 2026-27) and Video Programming Tax, estimated at \$450,000 in FY25-26 and remaining flat in FY26-27.

State-shared revenues also include revenue from fuel tax funds for street maintenance (about \$1.97 million in 2026-27), with no projected growth over the next five years, as well as Beer and Wine Taxes. Indications are that we will receive the full share of Beer and Wine Taxes in FY26-27 and thereafter.

State Fire Protection Funds have not changed significantly in the past few years, and we anticipate they will remain stable. We do, however, recommend that the Council continue to seek additional fire protection funding consistent with the costs associated with providing fire protection for state-owned property located in the Town.

The most important revenue sources for the General Fund are shown in the two tables which follow this section, titled Projected Tax Base and Projected State-Shared Revenues.

Operating and Capital Improvement Costs

Projected costs for general operations are based on a continuation of most service levels and programs for 2026-27. Personnel and operating costs are based on assumptions as noted in the attached tables. The projections also include estimated contributions required to provide needed capital maintenance for future years. To date, the Town has issued \$10.63 million of 2024 referendum bonds to pay for public facilities, affordable housing, streets and sidewalks, recreation facilities, and trails and greenways.

Personnel costs for FY 2026-27 include an increase in medical insurance costs based on the contract agreement with our current insurance provider. Projections include the following assumptions:

- Annual pay increases of 4%
- 5% annual increases in medical insurance
- An increase of 0.75% for 3 years after FY27 for the employer's retirement system contribution rate
- Operating costs increase of about 4.5% annually

FIVE-YEAR REVENUE AND COST PROJECTIONS FOR MAJOR OPERATING FUNDS

Our analysis indicates projected costs for basic operations and the proposed additions to operations would exceed revenues in FY2026-27 and beyond. As we come closer to the actual projected years, we will need to update assumptions. Under the current projection assumptions, the Council would need to increase revenues or decrease costs for each of the next five years.

TRANSIT FUND

The budget for 2026-27 assumes the continuation of fare-free transit services as well as the continuation of the cost-sharing arrangement with the University of North Carolina and Carrboro. Due to the occasional unknown nature of the State operating assistance, we are conservatively budgeting \$3.5 million for this revenue source. Federal assistance is estimated to continue at \$2.3 million next year, which is flat compared to FY25-26.

The 2026-27 Adopted Budget represents a 1.5% decrease from the previous year due to decreased interest income, reduced service-related revenue, and declines in federal operating grant funding. The Transit budget also includes \$1,683,106 for debt payments on the purchase of new buses that began in 2016-17. The projections assume continuation of the 5.3 cent rate in the next five years. Subsequent years show the need for a tax increase from 0.3 to 0.7 cents through 2031-32.

DEBT SERVICE FUND

The projections for the Debt Service Fund include a continued tax rate of 6.6 cents following the 2025 property tax revaluation. This tax rate will generate about \$9.36 million in revenues in 2026-27 which will provide for projected debt service costs. Cost projections include debt service on the borrowings noted above. Our projections include issuances from a successful referendum on the November 2024 ballot and the inclusion of the 15-year lease for our police headquarters, emergency operations center, and Technology Solutions department.

Adopted Tax Rate	Cents per \$100 valuation		
	FY25-26	FY26-27	\$ Change
General Fund	38.1	38.1	0.0
Debt Fund	6.6	6.6	0.0
Transit Fund	5.3	5.3	0.0
Total Tax Rate	50.0	50.0	0.0

FIVE-YEAR REVENUE AND COST PROJECTIONS FOR MAJOR OPERATING FUNDS

CONCLUSION

Based on the assumptions contained in the analysis of projected revenues and costs for the Town's tax-funded operating funds for the next five years, differences between revenues and costs for future years could require cost or service reductions, revenue enhancements, or tax rate adjustments. The differences expressed as tax rate equivalents are summarized as follows:

	Tax Rate Equivalents of Needed Revenue (in cents)					
	2026-27 Adopted Increase	2027-28 Estimated Increase	2028-29 Estimated Increase	2029-30 Estimated Increase	2030-31 Estimated Increase	2031-32 Estimated Increase
General Fund	0.0	2.0	1.6	1.6	1.3	1.5
Transit Fund	0.0	(0.7)	0.7	0.3	0.3	0.3
Debt Service	0.0	0.0	0.0	0.0	0.0	0.0
Total	0.0	1.3	2.3	1.9	1.6	1.8

The largest concern in the budget projection is the expected imbalance between revenues and expenditures in the General Fund. In past years, fund balance has been available to supplement revenues and eliminate or reduce the need to increase taxes. We will need to more closely balance spending with available revenues in future budget years due to the diminishing availability of fund balance available for appropriation.

GENERAL FUND
PROJECTED TAX BASE
2026/2027- 2031/2032

Category	2026-27 Adopted	2027-28 Estimated	2028-29 Estimated	2029-30 Estimated	2030-31 Estimated	2031-32 Estimated

¹ Utility sales tax distribution is distributed to municipalities based on the application of the 7% combined general sales tax rate of sales of electricity and natural gas to public utility providers.

² Except when withheld by the state, beer and wine taxes have been stable. Distributed based on population, they are expected to remain flat in the future.

³ Estimating a normal growth of 6% in FY27 and thereafter.

⁴ Powell Bill revenues are distributed by a formula that is based on both street miles and population.

⁵ State Fire Protection funding is subject to annual appropriation.

¹ As of FY26-27, two employees in Risk Management and two in Emergency Preparedness have been moved out of the Manager's Office and into HRD and PD, respectively.

² This department has been absorbed into the Manager's Office.

³ One employee in Planning and three employees in Public Works also work in Stormwater. They have been split-coded to reflect time spent in each department.

⁴ Three employees are split-coded between Housing & Community Development and Public Housing.

Note: Estimates of fund balance presented on this page and the following pages are based on unaudited information available during preparation of this document. Reservations of fund balance and restrictions of fund balance are constantly changing, and these estimates are therefore subject to change.

FUND BALANCE VARIANCES

The Town maintains a reserve of fund balance for cash flow, emergencies, and opportunities. Fund balance is essentially the difference between revenues received and expenditures made each year, plus any residual balance remaining at the end of the previous year. Part of the balance must remain unused to meet the reserve recommendations of the North Carolina Local Government Commission and State statute requirements. Additionally, part of the balance must remain unused to meet restrictions imposed by outside agencies (federal grant funds, for example) and to comply with the Town's contractual and other obligations. The remaining balance is available to be used for additional appropriations.

In FY2026-27, six funds are budgeting fund balance as part of the adopted budget. The General Fund budgets \$500,000 due to anticipated savings stemming from lapsed salaries and attrition. The Debt Service Fund budgets just under \$404,000 based on the funding structure. The Parking Facilities Fund budgets just under \$126,000 due to debt-related expenses. The Public Housing fund budgets just over \$86,000 in fund balance to account for a one-time allocation for additional planned maintenance to the housing units. The Climate Action Fund budgets about \$12,000 for planned capital expenditures. The Fleet Management Fund budgets just under \$44,000, which can be attributed to one-time costs associated with additional staffing.

Fund balance fluctuates depending upon the activities during the year. The Town uses expenditure estimates that are provided by departments when their budget requests are submitted in February. These estimates are not necessarily a true representation of actual expenditures because the estimates are very conservative, and a historical look shows that there are significant budget savings each year.

For the most accurate information related to fund balance, please see the Town's FY2024-25 Annual Comprehensive Financial Report. The FY2025-26 ACFR will be available in Fall 2026.

GENERAL FUND

The General Fund is the general operating fund of the Town and is used to account for all revenues and expenditures except those required to be accounted for in another fund. The fund is established at the inception of a government and exists throughout the government's life.

GENERAL FUND

Major Revenue Sources - Descriptions and Estimates

Property Tax

The largest component of the property tax is the levy on real property. The property tax consists of three components – General Fund, Debt Service Fund, and Transit Fund. We have based our estimate on historic trends and current information from Orange and Durham Counties for the overall tax base. The tax base for 2026-27 is estimated to be \$14,174,340,000 with 1 cent on the tax rate equivalent to about \$1,410,000.

The combined property tax revenue we anticipate for 2026-27 totals about \$70.5 million, with \$53.7 million of that supporting the General Fund.

Property Tax Base

Other Local Taxes

Revenue from the 3 percent Hotel/Motel occupancy tax is expected to total \$1,750,000 in the current year and \$1,750,000 in 2026-27. Generally speaking, revenue trends are affected by University events and overall economic conditions.

GENERAL FUND

Major Revenue Sources - Descriptions and Estimates

State-Collected Revenues

Sales Taxes

Sales tax revenue is expected to come in over budget in 2025-26. Based on past growth, a decrease of 6.4% was budgeted for FY25-26. Sales tax receipts are growing at a faster rate versus the previous year through the first seven months. Based on this trend, we anticipate steady growth through the remainder of the fiscal year. We are estimating an increase of 8% in projected sales tax revenue for FY26-27 compared to the FY25-26 adopted budget. We estimate combined sales taxes of \$22,550,817 for 2025-26. Orange County has the option to change the allocation method for sales taxes from per capita to ad valorem, which would result in a significant reduction in sales tax receipts for the Town.

Motor Fuel Taxes (known as Powell Bill funds)

Motor fuel tax revenue is based on receipts of 1¾ cents of the State gasoline tax allocated to local governments, based on population and local street mileage in each jurisdiction. This revenue is anticipated to total \$1,968,533 in 2025-26, about \$7,000 less than the previous year. For 2026-27, we anticipate revenues will remain flat at \$1,968,533.

State Fire Protection Funds

We are expecting about \$1,025,000 in State Fire Protection Funds in the 2025-26, and we expect that figure to hold at \$1,025,000 in 2026-27.

Utility Sales Tax

Utility sales taxes are derived from a 3 percent tax on gross revenues from public utilities in each jurisdiction and are collected by the State for distribution to cities and towns. Because the fees are dependent upon utility charges, they are affected by weather conditions and can vary from year to year. We estimate that we will receive approximately \$5,250,000 in 2025-26 in utility sales taxes. We anticipate that revenues will remain flat at \$5,250,000 in 2026-27.

GENERAL FUND

Major Revenue Sources - Descriptions and Estimates

State-Collected Revenues

Solid Waste Disposal Tax

The Solid Waste Disposal Tax is a \$2 per-ton tax charged on municipal solid waste and construction debris that is deposited in a landfill in the state or transferred at a transfer station for disposal outside of the state. 18.75% of this tax is distributed to cities and towns on a per capita basis. We anticipate receiving around \$48,500 in 2025-26 and \$48,500 in 2026-27.

Beer and Wine Taxes

Assuming full receipt of the Beer and Wine tax revenue normally distributed in May to cities and counties, we estimate allocations from this source of about \$250,000 in 2025-26 and \$250,000 in 2026-27.

In summary, we estimate State-collected revenues will total about \$32,309,992 in FY26-27.

Other Revenue Sources

Grants

This category of revenue includes certain recurring local and State grants totaling about \$745,000 for 2026-27. Beginning in 2004-05, we began using a separate Grants Fund for non-recurring grants.

Local grants include appropriations from Orange County to supplement the Town's Parks and Recreation programs and the Town's Library. The adopted budget for 2026-27 includes level funding from the County at \$83,760 for the Parks and Recreation supplement as well as level funding of \$621,323 for the Chapel Hill Public Library. However, late in the budget process the County elected to eliminate the Parks & Rec funding in full for FY27 and to reduce the amount given to the library by one-third. The State appropriation for Library services is budgeted at \$39,905.

GENERAL FUND

Major Revenue Sources - Descriptions and Estimates

Charges for Services

Service charges for various Town services and programs (including zoning compliance review and Parks and Recreation programs) are estimated to come in under budget in 2025-26 by about \$410,000. This is driven by lower than anticipated development-related revenues, parks activity, garbage collection, and lower charges for CHPD Student Resource Officer services provided to Chapel Hill-Carrboro City Schools. Charges for services are expected to decrease from a budgeted amount of \$6,173,959 in 2025-26 to \$5,900,710 for 2026-27 due to recent trends.

This category also reflects amounts transferred from other Town funds to the General Fund, primarily to recover administrative and indirect costs from other Town enterprise funds and services. For 2026-27, these include \$89,339 from Parking, \$192,664 from the Stormwater Management Fund, and \$1,941,001 from the Transit Enterprise Fund.

Licenses/Permits/Fines & Forfeitures

Revenue from licenses, permits, and fines are expected to come in over the 2025-26 budget by about \$95,000, mainly due to larger than anticipated revenues from Inspections. Total licenses and permits are expected to increase from just over \$3 million in 2025-26 to \$3.11 million in 2026-27.

Interest on Investments

The General Fund share of interest earned on the Town's investments is recorded in this category. Investment income in the 2025-26 budget was originally estimated at \$750,000. Due to several factors, interest is anticipated to come in over budget at \$903,860 for FY25-26. The Town anticipates \$750,000 in interest income in 2026-27 based on current trends.

Miscellaneous, Transfers, Net Assets (Fund Balance)

Miscellaneous Revenues

The primary miscellaneous revenues include mutual aid reimbursements, court cost reimbursements, donations, insurance claims, various sales conducted by departments, and sales tax refunds. Miscellaneous revenues are expected to total about \$714,000 for 2025-26 and \$628,000 for 2026-27.

Transfers

Transfers include a transfer of \$45,000 for 2026-27 from the Library Gift Fund for Library purposes.

Fund Balance

This appropriation represents the use of net assets (fund balance) for general operations. We are currently budgeted to use about \$6.1 million of fund balance in 2025-26, but through cost-cutting measures, we anticipate using no fund balance in FY25-26. This is based on conservative revenue estimates and departmental end-of-year expenditure estimates. The 2026-27 adopted annual budget includes the use of \$500,000 in fund balance to maintain service levels.

GENERAL FUND

Major Revenue Sources - Descriptions and Estimates

Summary of Revenues

In summary, the annual budget includes \$99.76 million in General Fund revenues, including the use of \$500,000 of fund balance.

The table below shows comparative estimates of total General Fund revenues for the current year and next year.

	25-26 Revised Budget	25-26 Estimated	26-27 Adopted Budget
Property Taxes	\$ 50,530,000	\$ 53,377,500	\$ 53,917,500

Interfund Transfers	45,000	45,000	45,000
Fund Balance	<u>6,130,254</u>	<u>(1,452,810)</u>	<u>500,000</u>
Total	\$ 100,180,286	\$ 96,697,769	\$ 99,760,000

GENERAL FUND

Major Expenditures - Descriptions and Estimates

The General Fund provides basic services for Town citizens including police and fire protection, environment and development services (including planning, public works, engineering, and inspections), general administration, and planning for growth and development in the community.

The pie chart below shows the relative proportions of expenditures for the various functions and departments in the General Fund budget totaling \$99,760,000 for the 2026-27 budget.

The largest category of expenditures for the General Fund is Public Safety services, with Police Department expenditures of about \$20 million and Fire Department expenditures of about \$14.3 million.

Environment and Development comprises about \$23.9 million, including Planning, Housing & Community Development, Building & Development Services, and Public Works, which provide services of affordable housing, planning for growth, inspections, engineering, solid waste collection, maintenance of streets, and maintenance of Town facilities.

Police, Fire, and Public Works together comprise just over 50% of total General Fund expenditures.

Other General Fund services include Parks and Recreation programs totaling about \$9.9 million, Library services of just under \$5.3 million, and General Governmental activities (Administration, Town Clerk, Human Resources, Business Management, Technology Solutions, and Attorney) totaling about \$15.2 million.

GENERAL FUND

Major Expenditures - Descriptions and Estimates

Non-departmental expenditures total \$11.2 million. \$1,846,189 is included in the adopted budget for distribution to other agencies in support of human services, cultural and arts programs, and development of affordable housing as adopted by the Council. The non-departmental budget also includes funding for capital improvements (just under \$3 million) retiree medical insurance (\$2 million), and legal fees (\$100,000). The budget for liability and property insurance totals \$750,000.

The 2026-27 budget includes changes to the Town's contribution to employee retirement. This amount went up by \$321,749, which reflects a 0.75% increase to the contribution over the prior year. Other personnel increases to the budget include a 4% of market rate salary adjustment starting July 1, 2026 (\$2,107,388) and a health insurance increase (\$555,870). Also related to personnel, the adopted budget includes funding for two new positions in the General Fund: a Destination Coordinator in the Economic Development division of the Manager's Office (\$108,657) and a Library Associate position (\$81,686).

The 2026-27 budget includes increased funding for vehicle replacement (\$250,000) and additional funding in various areas for cost of services increases (\$201,683). Other increases to the FY27 budget include \$500,000 for Fire Capital costs, \$250,000 for increased facility maintenance, and \$250,000 for streets maintenance. Vehicle Maintenance is up over FY26, by about \$40,000, and liability insurance is also up by \$100,000 over the prior year.

The 2026-27 Adopted Budget continues to fund retiree medical costs on a pay-as-you-go basis (\$2,000,000) and contribute \$250,000 towards the post-employment benefit (OPEB) liability.

The table below shows expenditure levels for General Fund personnel, operating costs, and capital outlay.

MAYOR/COUNCIL

MISSION STATEMENT:

The primary mission of the Town Council, as the governing body of the Town, is to adopt and provide for the execution of ordinances, rules, and regulations as may be necessary or appropriate to protect health, life, or property, or to promote the comfort, convenience, security, good order, better government, or the general welfare of the Town and its citizens.

The Mayor and eight Council Members constitute the governing body of the Town. In accordance with the Town's Charter, the voters elect a Mayor every two years. Council Members are elected to four-year, staggered terms on an at-large basis. The Mayor chairs Town Council meetings and represents the Town in various intergovernmental matters.

The Mayor and Town Council make policy decisions regarding Town services and other governmental responsibilities of the Town. Most policy decisions occur through adoption of the Comprehensive Plan, the annual budget, the capital improvements program, and other ordinances and resolutions. Town Council duties also include:

- Amendment of previously adopted policies from time to time through changes in the Town Code of Ordinances and the Land Use Management Ordinance, and by revision of policies and documents such as the Comprehensive Plan and transportation plans.
- Appointment of advisory boards, commissions, task forces, and committees, including appointment of five of the nine members of the Orange Water and Sewer Authority Board of Directors, a separate entity from the Town, created pursuant to State law.
- Appointment of the Town Manager and Town Attorney.
- Establishment of agreements with other governments, such as the Joint Planning Agreement with Orange County and the Town of Carrboro.

COUNCIL

BUDGET SUMMARY

The adopted budget for the Town Council reflects a decrease of 6.8% from the 2025-26 budget, primarily due to a decrease in operating expenses because FY26-27 is not an election year. Personnel expenses went up due to increased insurance costs and a salary increase.

TOWN MANAGER'S OFFICE

MISSION STATEMENT:

The mission of the Town Manager's Office is to ensure that the laws of the State and the ordinances, resolutions, regulations, and policies of the Council are faithfully executed, and that Town records are accessible to the public with trust and transparency.

The Town Manager's Office identified the following primary programs that are included in the adopted budget for 2026-27.

Program	Description	Strategic Priority
Executive Management & Council Support	Administer and manage operation of Town government to deliver consistently high-quality services to the community, support the Council in their role as a decision-making and policy-setting board, and carry out the Council's policies efficiently and equitably.	 Organizational & Fiscal Sustainability
Communications and Community Relations	Contribute to an informed and engaged community by establishing and maintaining channels for sharing information about Town operations and initiatives, producing and distributing information in a variety of formats, and designing and assisting with community engagement efforts.	 Complete Community
Equal Opportunity and Community Impact	Strengthen and transform the Town's commitment to positive community impact by collaboratively developing, directing, and coordinating policies, procedures, programs, and initiatives that promote equal opportunity, celebrate the unique identities of Chapel Hill's residents and staff, and advance inclusion for all.	 Complete Community
Economic Development	Provide support and assistance to prospective and existing businesses to encourage development, promote and encourage job growth, and contribute to a more inclusive community.	 Organizational & Fiscal Sustainability
Ombuds Services	Provide neutral, confidential, and informal management or resolutions of issues brought by Town employees and community members.	 Organizational & Fiscal Sustainability

TOWN MANAGER'S OFFICE

Program	Description	Strategic Priority
Sustainability & Resilience	Implement the Town's Climate Action and Response Plan to lower carbon emissions and address the effects of climate change.	 Environmental Resiliency
Governance/Clerk's Office Services	Facilitate and support Council Meetings and the Town's advisory board system. Maintain the Municipal Code of Ordinances, fulfill records requests, issue Domestic Partnerships and "Proof of Life" certificates, and provide Notary services.	 Organizational & Fiscal Sustainability
Urban Design	Serve as a liaison to staff and applicants during the development application life cycle to coordinate, communicate, and implement design best practices that achieve the vision of the Council and the community.	 Environmental Resiliency
Community Connections	Manage and fund partnerships with human services agencies that meet community needs. Connect community members with resources and manage programs and services to support the community.	 Complete Community

MANAGER'S OFFICE

Performance Measures

 Environmental Resiliency	Strategic Objectives ➤ Reduce organizational greenhouse gas emissions ➤ Create room for business ➤ Increase collaboration, innovation, and learning ➤ Engage the public in Town decision making and Town programs so that outcomes balance community interests, values, and needs ➤ Develop, grow, and maintain effective two-way communication channels that reach people where they are to tell the story of what we are doing and how our actions affect them ➤ Complete Public Records requests within 10 business days of receipt ➤ Post Council Business Meeting agenda to the web at least 6 days prior to the meeting 90% of the time ➤ Post Council Business Meeting video to the web by noon the following day 100% of the time ➤ Approve Council Meeting minutes by the following month's Regular Business Meeting 100% of the time
 Organizational & Fiscal Sustainability	
 Complete Community	

Core Business Program	Performance Measure	FY24 Actual	FY25 Actual	FY26 Estimate	FY27 Target
Economic Development	Sales tax revenue year-over-year growth	7.1%	7%	7%	7.1%
Ombuds Services	Number of visitors served	425 visitors	168 visitors	149 visitors	160 visitors
	Monthly report to Town Manager	met	met	met	meet
Community Sustainability & Resilience	Guaranteed energy savings from Town Hall, the Community Center, and the Homestead Aquatics Center	1,839,201 lbs of CO ₂ e ¹	1,705,961 lbs of CO ₂ e ^{1 2}	1,590,098 lbs of CO ₂ e ^{1 2}	1,590,098 lbs of CO ₂ e ^{1 2}

¹ lb of CO₂e = pounds of carbon dioxide equivalent

² Carbon benefits decline over time as the electricity grid gets cleaner. Lighting upgrades reduced electrical demand

⁶ These positions are housed in the Manager's Office but paid out of the Climate Action Fund.

TOWN MANAGER'S OFFICE

BUDGET SUMMARY

The adopted budget for the Manager's Office reflects a 2.3% decrease from the 2025-26 budget. The 0.4% increase in personnel expenses captures the four positions in the Emergency Preparedness and Risk Management division being disbursed to other departments and the removal of a full-time Graphic Artist position; these decreases were offset by two positions moving in from Housing & Community Development, the addition of a Communications Manager and a Destination Coordinator, along with increases to retirement, insurance costs, and a salary increase. The 14.2% decrease in operating expenses is due to the Emergency Preparedness and Risk Management division operational costs moving out.

HUMAN RESOURCE DEVELOPMENT

MISSION STATEMENT:

The Human Resource Development Department safeguards the Town's workforce by promoting high workplace standards, sound principles, and effective risk management. We support employees and departments with clear guidance, responsive services, and a commitment to fairness and professionalism. Our work helps maintain a culture where people can contribute confidently and the organization can fulfill its mission.

The Human Resource Development Department identified the following primary programs that are included in the adopted budget for 2026-27.

Program	Description	Strategic Priority
Administration and Strategic Planning	Administration Services provide the foundation for HR's work by coordinating daily operations, supporting efficient workflows, and ensuring information is accurate, timely, and accessible. HR Strategic Planning strengthens the Town's ability to plan ahead by building the infrastructure to track workforce trends, anticipate needs, and guide long term decisions. We ensure HR strategy supports a resilient, future-focused organization.	
Classification and Compensation	Keep the Town's pay and job structures fair, current, and aligned with workforce needs. We support equity, transparency, and competitiveness through ongoing review and analysis.	
Benefits	Select, negotiate, and administer all employee, retiree, and COBRA insurance and retirement benefits. These include medical, dental, life, retirement, and health savings plans.	
Employee Relations	Maintain a fair, respectful, and productive workplace by supporting employees and supervisors in addressing concerns and resolving issues. We promote clear communication, consistent practices, and a positive work culture.	
Employee Training & Development	Offer programs that engage employees and help them grow by building skills, strengthening competencies, and supporting their professional development.	

HUMAN RESOURCE DEVELOPMENT

Program	Description	Strategic Priority
Recruitment and Retention	Attract and identify top talent through fair, consistent, and well-designed hiring processes. We help departments find the right people by using clear standards, streamlined procedures, and practices that support a diverse and highly qualified workforce.	
Wellness	Support a healthy, resilient workforce by offering programs and services that promote physical, mental, and emotional wellbeing. We help employees stay healthy, engaged, and prepared to do their best work.	
Risk Management	Reduce exposure to loss by maintaining strong safety practices, ensuring Town assets are properly insured, and managing claims quickly and effectively. We help departments spot risks early and create a safer, more resilient organization.	

HUMAN RESOURCE DEVELOPMENT

Performance Measures

	Strategic Objectives ➤ Ensure the workforce plan is up to date, competitive, promotes clear mobility, and identifies jobs for the future. ➤ Provide benefits plans that meet the needs of our employees, retirees, and their dependents, aids in recruitment and retention, and is cost effective and sustainable. ➤ Treat employees equitably and consistently; resolve issues at the lowest level possible; create a work environment that recognizes and appreciates diversity. ➤ Support the development of our employees, including succession-planning efforts through professional development, career development, and improved performance management. ➤ Develop, implement, and maintain selection procedures in accordance with applicable policies and law that identify, attract, and retain qualified applicants for employment while working with the Human Relations Officer to encourage diverse representation at all levels of the workforce.

¹ These positions moved from the Manager's Office starting in FY26-27.

HUMAN RESOURCE DEVELOPMENT BUDGET SUMMARY

The adopted budget for the Human Resource Development department reflects a 6.2% increase from the 2025-26 budget. Personnel expenses increased by 29.1% due to two Risk Management staff moving in from the Manager's Office, a retirement increase, an increase in insurance costs, and a salary increase. Operating expenses decreased 29.1%, accounting for the dissolution of the Wellness Clinic, but this is somewhat offset by Risk Management operating costs being added to the department's budget, along with added budget for training, professional services, and Town-wide administrative costs.

BUSINESS MANAGEMENT DEPARTMENT

MISSION STATEMENT:

The mission of the Business Management Department is to safeguard the Town's assets through appropriate financial controls, facilitate Town operations through accurate and timely processing of financial transactions, provide relevant and timely reporting of the Town's financial condition, and provide financial information and analysis to support decision making.

The Business Management Department identified the following primary programs that are included in the adopted budget for 2026-27.

Program	Description	Strategic Priority
Billing & Collections	Provide administration and/or oversight of all Town billings and collections.	
Budget	Administer the Town's operating and capital budgets.	
Payroll & Payables	Administer the Town's payroll and payables functions.	
Accounting & Financial Reporting	Maintain the Town's financial accounting system.	
Purchasing & Contracts	Administer the Town's purchasing and contracting systems. Includes: facilitating bids and other competitive procurement processes; reviewing all contracts, bids, and purchases; and disposal of Town assets for compliance with applicable regulations and Town policies.	
Liquidity Management	Administer the Town's cash management, investment, banking, and debt management functions.	
Financial Planning & Analysis	Provide financial analysis, research, and strategic planning for the Town's financial operations, including: review of agenda items; budget planning and analysis; long-term capital and debt planning; and departmental financial planning support.	
Data & Analytics	Harness the power of data to enhance Town services and improve community outcomes, collaborate with various departments to collect, analyze & interpret data, and provide actionable insights that drive informed decision-making.

BUSINESS MANAGEMENT DEPARTMENT BUDGET SUMMARY

The adopted budget for the Business Management department reflects a 3.9% increase from the 2025-26 budget. Personnel expenses increased by 4.8% due to a retirement increase, an increase in insurance costs, and a salary increase. Operating costs increased 1.3% to account for the rising cost of Munis software.

TECHNOLOGY SOLUTIONS

MISSION STATEMENT:

The mission of the Technology Solutions department is to provide technology leadership through innovation, oversight, education, and support to ensure that the Town makes the best possible selection and use of available technology.

The Technology Solutions Department identified the following primary programs that are included in the adopted budget for 2026-27.

Program	Description	Strategic Priority
User Support	Provide user Help Desk support for computer hardware, software, network, servers, and telephones. Provide training and assistance needed to effectively use technology. Review construction projects to ensure IT requirements and opportunities are included. Maintain high levels of training for the IT staff.	
IT Infrastructure and Cyber Security	Manage all IT infrastructure, including connectivity, hardware, servers, data storage, networks, end user computers, mobile devices, and internet access. Includes cybersecurity, backups, awareness, incident response, and recovery.	
Telecommunications	Administer and manage all telephone systems, including setup and configuration of VoIP desktop telephones, related network infrastructure, and software support. Administer the Town's cellphone and mobile device services. Manage the Town video meeting systems supporting remote work and remote meetings.	
Enterprise Application Analysis & Support	Administer and manage Microsoft Office 365, Geographic Information Systems, and other enterprise productivity and communication applications. Manage the server and cloud environments used to operate financial systems, department systems, records management, databases, and other applications located on Town servers and in the cloud.	

TECHNOLOGY SOLUTIONS

Program	Description	Strategic Priority
IT Planning and Coordination	Collaborate with all Town departments to identify needs and opportunities and to create enterprise-wide plans, project prioritization, data analytics, and process integration for software. Manage the IT Governance needed to invest in and maintain the infrastructure and software procurement with the limited resources available. Collaborate beyond the Town with state and local governments, UNC, and CCHCS on shared areas of interest.	 Organizational & Fiscal Sustainability

TECHNOLOGY SOLUTIONS

Performance Measures

 Organizational & Fiscal Sustainability	Strategic Objectives ➤ Support – Provide exceptional IT response and experience for departments. ➤ Infrastructure – Ensure network/servers are operating effectively and efficiently. ➤ Security – Implementing Center for Internet Security (CIS) Framework controls which ensure data has confidentiality, integrity, and availability. ➤ Application Services – Overseeing IT Governance Model to ensure the effective and efficient use of IT in enabling the town to achieve its goals. ➤ GIS – Sharing and using GIS data to better plan for growth, inventory, and maintain public infrastructure, improve coordination with neighboring jurisdictions, and provide better and more efficient public services.

TECHNOLOGY SOLUTIONS

BUDGET SUMMARY

The adopted budget for the Technology Solutions department reflects a 10.8% increase from the 2025-26 budget. Personnel expenses increased by 5.3% due to a retirement increase, an increase in insurance costs, and a salary increase. Operating expenses increased by 33.5% due to rising costs for existing IT infrastructure, security, and software, as well as added budget for security-related technology and Microsoft licenses. Capital outlay remains flat.

TOWN ATTORNEY

MISSION STATEMENT:

The primary mission of the Office of the Town Attorney is to protect the legal interests of the Town of Chapel Hill municipal corporation.

The Town Attorney serves as general counsel to the Town and advises the Mayor and Town Council, Town administration, Town departments, and Town boards and commissions. Duties of the Town Attorney include:

- Preparing for and attending Council meetings.
- Conferring with the Mayor, Council, and individual Council members.
- Providing general legal services to Town administration and Town departments.
- Providing guidance in matters going before Town Council.
- Providing guidance related to special projects.
- Advising Town Boards and Commissions and attending certain meetings as necessary.
- Defending Town interests in lawsuits and threatened litigation.
- Coordinating work of retained law firms representing the Town in litigation, bond financing, special projects, and other matters where outside counsel is needed.
- Providing guidance in real property acquisition and property interests.
- Advising staff in reviewing development projects, drafting ordinances, enforcing Town codes, and in addressing other matters such as zoning, housing initiatives, construction projects, and annexation.
- Supervising and collaborating with the Assistant Town Attorney and Paralegal.

TOWN ATTORNEY

BUDGET SUMMARY

The adopted budget for the Attorney's Office reflects a 0.2% increase from the 2025-26 budget. Personnel expenses remained flat, reflecting turnover offset by increases to retirement and insurance, as well as a salary increase. Operating expenses increased 4.4% due to increased budget for rising subscription costs.

PLANNING

MISSION STATEMENT:

The Chapel Hill Planning Department is charged with providing collaborative leadership to create and implement policies, plans, and programs that reflect Chapel Hill values as an equitable, livable, and sustainable town today and in the future. We help Chapel Hill guide equitable growth through developing various visionary documents, including the Comprehensive Plan, evaluating land development, moving people around town, and serving as the steward of our historic resources.

The Planning Department identified the following primary programs that are included in the adopted budget for 2026-27.

Program	Description	Strategic Priority
Long-Range Planning	Engage with regional and local stakeholders around land use planning and growth management issues; create planning documents that reflect community values guided by the Complete Community strategies. Translate values and planning best practices into land use management policy for the Town while monitoring and evaluating development trends.	
Current Development	Implement land use management provisions in accordance with policies established in the comprehensive plan. Review land use applications and oversee the development review process.	
Mobility & Greenways	Oversee long range transportation plans and manage projects related to pedestrians, bicycles, and road traffic. The Office of Mobility and Greenways implements Vision Zero, Safe Routes to School, and multiuse path construction projects.	
Stormwater Plan Review & Inspections	Ensure regulatory compliance by meeting federal, state, and local stormwater management requirements and annual reporting obligations for the Town's Phase II National Pollutant Discharge Elimination System (NPDES) Municipal Separate Storm Sewer System (MS4) permit.	

PLANNING

Program	Description	Strategic Priority
Historic Preservation	Uphold the Town’s Certified Local Government (CLG) status through the North Carolina Historic Preservation Office (HPO); identify, evaluate, and document historic sites within the Town’s three local historic districts for inclusion on the National Register of Historic Places (NRHP); provide guidance on best historic preservation practices, promote historic preservation and appreciation in the community.	
Design and Urban Forestry	Preserve and enhance the Town tree canopy coverage through considering the ordinance, working with designers to reduce the construction impacts on critical root zones, monitoring invasive species, and relaying design and plant material options to promote native species or drought tolerant plant selections.	
Land Use Management Ordinance (LUMO)	Align updated LUMO with the Town’s values and vision by facilitating dialogue in the community.	

PLANNING

Performance Measures

 Complete Community  Housing  Environmental Resiliency	Strategic Objectives ➤ Provide high quality customer service with substantial opportunities for public input ➤ Provide high quality customer service with improved permit approval times ➤ Track special project progress within a fiscal year (for projects managed by Planning Department) ➤ Create a system of policies and tools that provide clear guidance to residents, developers, staff, and council on future land use and can be used for review of development applications ➤ Make progress on implementation of Mobility and Connectivity Plan and Everywhere to Everywhere Greenways recommendations

² One Planner position is partially grant-funded in FY26-27.

³ This position is partially grant-funded and also split in part with Housing & Community Development.

⁴ This position is split with Stormwater.

⁵ These positions are 100% grant-funded and formerly were not counted in the Staffing Summary. They have been added to more accurately capture the staff count of the department.

PLANNING

BUDGET SUMMARY

The adopted budget for the Planning Department reflects a 3.7% increase from the 2025-26 budget. The 1.5% increase in personnel expenses is due to retirement, insurance, and salary increases, mostly offset by turnover. Operating expenses increased 13.1% due to increased Transportation Planning Organization dues and added funding for long-range planning.

PUBLIC WORKS

MISSION STATEMENT:

The Public Works team strives to provide excellent customer service, emphasizing public safety and environmental stewardship by preserving, maintaining, and enhancing the Town's infrastructure and natural resources.

The Public Works Department identified the following primary programs that are included in the adopted budget for 2026-27.

Program	Description	Strategic Priority
Traffic Signals	Implement timing plans; oversee traffic monitoring; perform emergency repairs, preventive maintenance, and small improvements; and manage traffic signal maintenance and repair contracts in Chapel Hill and Carrboro.	
Traffic Signs/Markings/Calming	Collaborate with the Office of Mobility and Greenways and Bike and Pedestrian Team in support of the Town's Vision Zero. Support the review of traffic impact studies and the traffic calming program. Install and maintain all traffic control signs and pavement markings along approximately 760 town-maintained streets totaling approximately 167 center line miles. Issue traffic work zone permits and monitor for compliance.	
Street Lighting	Ensure new development compliance with established standards; respond to improvement requests; routinely inspect major roadways and the central business district for malfunctions; and manage service agreements.	
Special Event Services	Plan and assist Public Safety and Emergency Management with event operations in opening and closing streets and clean-up. Plan for and assist with the installation of seasonal banners, flags, and holiday decorations.	

PUBLIC WORKS

Program	Description	Strategic Priority
Inclement Weather	Manage large scale inclement weather events including oversight of disaster contracts. Provide planning, response, and recovery to inclement weather events (high water, wind damage and ice/snow), including continuous service as required.	 Environmental Resiliency
Miscellaneous Construction	Perform small to medium construction projects including (ADA) sidewalk and curb/gutter repairs and improvements; installation and maintenance of streetscape amenities (benches, bike racks, trash receptacles, etc.); and occasional projects such as the installation of a bus shelter and small parking lot improvements.	 Complete Community
Streets and Parking Lots	Oversee the evaluation of all town-maintained streets, parking lots, bike paths, and trails. Perform street maintenance and resurfacing along various sections of the Town's ~760 streets totaling ~167 center lane miles.	
Facilities Management & Maintenance	Manage facility condition assessments, maintenance, and improvement master planning for approximately 50 publicly owned buildings. Perform in-house maintenance and repair, oversight of service contracts, and management of small to medium-sized construction improvement projects.	 Environmental Resiliency

PUBLIC WORKS

Program	Description	Strategic Priority
Solid Waste Collection & Management	Submit the Town of Chapel Hill's Solid Waste and Materials Management Report to the State. Support the Solid Waste Advisory Group's implementation of Orange County's Zero Waste Initiative. Provide weekly collection of household solid waste, containerized yard trimmings including bagged leaves during loose leaf collection season (November – January), from approximately 12,300 residential properties. Collect waste from approximately 200 street and bus shelter trash receptacles per week.	
Special Collections	Provide fee-based, scheduled in-house collection of bulky items, including appliances, electronics, and furniture. Provide fee-based collection of loose residential brush. Collect and dispose of dead animals within the right-of-way.	
Commercial Solid Waste Collection	Collect solid waste placed in dumpsters for a fee established annually by Town Council. Oversee service contracts for collection, maintenance, and cleaning of the two town-owned downtown compactors.	

PUBLIC WORKS

Program	Description	Strategic Priority
Civil Engineering Services	Provide engineering services, including capital project management, surveying, design, private developer review, and infrastructure inspection. Review developer-submitted plans for private development projects for compliance with requirements and standards for infrastructure and environmental protection. Provide field inspection of various infrastructure improvements to ensure quality of infrastructure and compliance with Town Standards. Monitor surety bonds to ensure proper infrastructure is completed by developers. Provide surveying services related to public rights-of-way, easements, and other public properties. Gather survey data required for development of in-house computer-aided drafting and design (CADD). Provide design services for in-house small to medium-sized projects.	

PUBLIC WORKS

Performance Measures

 	Strategic Objectives ➤ Address 95% of traffic signal system problems per the North Carolina Department of Transportation (NCDOT) and Federal Highway Administration (FHWA) Standards ➤ Perform preventive maintenance on 95% of traffic signals twice per year ➤ Respond to 100% of emergency maintenance on regulatory traffic control signs per the Institute of Transportation Engineers (ITE) standards within two hours ➤ Review, approve, and issue permits within five business days for all traffic control plans for lanes and street closures ➤ Achieve an average pavement condition rating of 81 or better for 80% of town-maintained street system ➤ Achieve a resurfacing cycle of once every 15 years by resurfacing at least 7% of town-maintained streets annually ➤ Review and respond to 100% of Survey Plat review request applications within five working days of receipt of a properly certified survey plat. ➤ Complete 100% of development plan reviews by assigned deadlines (roadway and sidewalks in the public right of way) ➤ Collect 530 tons of residential refuse per collection FTE ➤ Recover 45% of commercial collection costs via commercial collection fees ➤ Maintain quality of residential trash/yard waste collection services customer satisfaction level ➤ Pre-treat all priority Town roadways and facilities prior to each anticipated significant winter inclement weather event ➤ Complete initial snow removal from 80% of priority streets within 48 hours after the end of each snowstorm event ➤ Ensure at least 45% of facility work orders are preventive maintenance work ➤ Complete 85% of customer facility repair requests within 2 business days of receipt ➤ Dispatch personnel to 100% of facility emergency work orders within 1 hour

	Percent of signal preventive maintenance completed as planned	Est. 66% ¹	83%	98%	95%
Traffic Signs / Markings / Calming	Percent of critical regulatory sign needs (missing or damaged stop signs, yield signs, one-way signs, do not enter signs) responded to within two hours	Est. 100%	100%	100%	100%
	Percent of permits issued within five business days for traffic control plans for lanes and street closures	100%	100%	99%	100%

¹ Inconsistent data January 2024-March 2024. Estimate reflects both preventative maintenance and repairs.

Core Business Program	Performance Measure	FY24 Actual	FY25 Actual	FY26 Estimate	FY27 Target
Streets and Parking Lots	Percent of town-maintained street system rated 81 or better (square yards) ²	N/A	59%	N/A	80%
	Percent of town-maintained streets (square yards) resurfaced annually	1.3%	0% ³	6.2%	7%
Civil Engineering	Percent of properly certified and submitted Survey Plats reviewed and responded to within five (5) working days of receipt	100%	100%	100%	100%
	Percent of development plan reviews completed by assigned deadline	85%	95%	90%	100%
Solid Waste Collection	Tons of Residential Refuse Collected per Collection FTE	521	524	520	530
	Percent of commercial collection costs recovered via fees	29%	31%	TBD ⁴	45%
	Percent of community “satisfied” or “very satisfied” with quality of trash/yard waste collection services	92%	92%	TBD ⁵	90% ⁶
Inclement Weather	Percent of priority Town roadways pre-treated prior to each anticipated significant inclement weather event	N/A ⁸	100%	100%	100%
	Percent of priority streets where initial snow removal is completed within 48 hours	N/A ⁸	100%	100%	80%
Facilities Management	Preventive maintenance work orders as a percent of total annual work orders	N/A ⁷	68%	66%	45%
	Percent of customer repair requests completed within 2 business days of receipt	N/A ⁷	73%	67%	85%
	Percent of emergency work orders that personnel respond to within 1 hour	88%	97%	100%	100%

² The Pavement Condition Study is completed every two years, with the most recent study completed in FY25.

³ FY25 Resurfacing using allocated General Funds and Bond Funds occurred in FY26.

⁴ Data will not be available until late August.

⁵ 2026 Survey results have not been published yet.

⁶ Target increased from 88% to 90% in FY25.

⁷ Facilities Management transitioned to a new work order management software and is reviewing the best way to track this measure going forward.

Note: Fleet Management employees are supervised by Public Works, but included within the Fleet Management Fund Staffing Summary.

PUBLIC WORKS

BUDGET SUMMARY

The adopted budget for the Public Works Department reflects a 5.2% increase from the 2025-26 budget. Personnel expenses in the adopted budget reflect a retirement increase, an increase in insurance costs, and a salary increase. Operating budgets reflect added funding for street resurfacing, various increased costs of doing business, higher street lighting electricity costs, and vehicle replacement.

PUBLIC WORKS - Administration

BUDGET SUMMARY

The adopted budget for the Administration division of the Public Works Department reflects a 1.5% decrease from the 2025-26 budget. Personnel expenses increased by 5.3% due to increases to retirement and insurance costs and a salary increase. Operating expenses decreased 34.4% due to no vehicle replacement budget compared to last year as well as reduced budget for software.

EXPENDITURES

	2024-25 Actual	2025-26 Original Budget	2025-26 Revised Budget	2025-26 Estimated	2026-27 Adopted Budget	% Change from 2025-26

PUBLIC WORKS - Construction

BUDGET SUMMARY

The adopted budget for the Construction division of the Public Works Department reflects a 0.2% increase from the 2025-26 budget. Personnel expenses increased by 9.2% due to a retirement increase, an increase in insurance costs, a salary increase, and impacts from the Pay & Classification Study. Operating expenses decreased by 14.4% due to less money for vehicle replacement compared to the previous year.

PUBLIC WORKS - Streets

BUDGET SUMMARY

The adopted budget for the Streets division reflects an overall expenditure increase of 17.8% from the 2025-26 budget. The 5.1% increase in personnel is due to a retirement increase, an increase in insurance costs, and a salary increase. The operating budget increased by 27.6% due to an increase in street resurfacing funds and more budget for vehicle replacement compared to last year. Capital outlay increased as part of efforts to increase the department's budget to account for the rising costs of doing business.

HOUSING & COMMUNITY DEVELOPMENT

VISION:

A vibrant and inclusive community where all residents have access to affordable housing and opportunities to thrive.

MISSION:

*Create Partnership
Catalyze Affordable Housing
Build Community*

The Housing and Community Development Department identified the following primary programs that are included in the adopted budget for 2026-27.

Program	Description	Strategic Priority
Affordable Housing	▪ Fund Community Partner Projects ▪ Create and Implement Affordable Housing Programs and Policies ▪ Manage Affordable Housing Units ▪ Initiate Development and Preservation of Affordable Housing	 A blue square icon with a white house silhouette and the word 'Housing' in white text.

Housing and Community Development

Performance Measures

	Strategic Objectives ➤ To increase access to housing for individuals across a range of incomes, and to constantly strive for more equitable outcomes and opportunities for historically underserved populations ➤ Deepen the Town's connections and engagement with organizations, groups, and populations that historically have been disengaged or disconnected from the Town ➤ Increase the diversity of residents engaged in Town processes and programs to fully reflect the composition of the community, with particular focus on engaging populations that have been historically disengaged or disconnected from the Town

¹ Portions of these positions were formerly paid out of the Public Housing Fund but will be fully paid out of the General Fund as of FY26-27.

² This position moved to the Manager's Office during FY24-25.

³ These positions moved to the Manager's Office during FY25-26.

⁴ These positions are split between Housing & Community Development and the Public Housing Fund.

⁵ The portion of this position formerly paid out of the Public Housing Fund has moved to H&CD for FY26-27.

HOUSING & COMMUNITY DEVELOPMENT

BUDGET SUMMARY

The adopted budget reflects an overall decrease of 18.6% from the previous fiscal year's budget. The 16.8% decrease in personnel costs is attributed to two positions moving to the Manager's Office during FY25-26, along with turnover and vacancies. Operating costs decreased by 45.6% primarily because of budget moving out with the two positions that left the department.

BUILDING & DEVELOPMENT SERVICES

MISSION STATEMENT:

To provide guidance and serve as a resource to our customers while upholding and verifying compliance with local ordinances, General Statutes, and Current Building Codes and Standards in a manner consistent with the Town Values for the health and safety of our residents with integrity.

The Building & Development Services Department identified the following primary programs that are included in the adopted budget for 2026-27.

Program	Description	Strategic Priority
Permit Center	Assist the public in navigating the permit process by answering questions; solving problems and anticipating pitfalls through regular positive customer interactions; review permits submitted through the online portal; process requests for inspections and public information requests.	
Plan Review	Review all plans submitted for NC code compliance, applicable local ordinances, and LUMO; take the lead on providing guidance to the development community during the review process; identify deficiencies and request corrective actions and documentation.	
Field Inspections	Perform and manage the field inspections for various new construction projects throughout the Town; verify compliance with NC Codes, applicable local ordinances, LUMO, and NC Statutes.	
Code Enforcement	Enforce local ordinance to include Housing and LUMO in a manner consistent with NC Statutes for existing properties throughout the Town.	

BUILDING & DEVELOPMENT SERVICES

Performance Measures

	Strategic Objectives ➤ Improve customer service delivery with technology enhancements ➤ Improve customer service and delivery of commercial plan reviews within targeted deadlines ➤ Improve customer service and delivery of residential plan reviews within targeted deadlines. ➤ Improve response time to inspections requests within targeted deadlines ➤ Improve response time to code complaints and within targeted deadlines
---	--

Core Business Program	Performance Measure	FY24 Actual	FY25 Actual	FY26 Estimate	FY27 Target

BUILDING & DEVELOPMENT SERVICES

BUDGET SUMMARY

The adopted budget for the Building & Development Services department reflects an overall expenditure increase of 7.4% from the 2025-26 budget. Personnel expenses increased 4.5% due to a retirement increase, an increase in insurance costs, a salary increase, and added budget for skills-based pay, somewhat offset by turnover. Operating costs went up 32.8% mostly because of the replacement of three vehicles in the department.

CHAPEL HILL POLICE DEPARTMENT

MISSION STATEMENT:

The primary mission of the Police Department is to preserve and protect life and property and enhance the quality of life in our community through the fair and effective delivery of services.

The Chapel Hill Police Department identified the following primary programs that are included in the adopted budget for 2026-27.

Program	Description	Strategic Priority
Patrol Division	Provide 24-hour emergency response, pro-active patrol, community engagement and alternative reporting options through the Virtual Reporting Unit to enhance public safety, address community concerns, and improve access to police services.	
Traffic Safety Division	Conduct traffic safety enforcement, crash investigation, and civilian crash response services to improve roadway safety and reduce crashes.	
Investigative Division	Conduct criminal investigations and coordinate with victims and partner agencies to support case development and coordination.	
School Resource Officer Division	Partner with schools to promote safe learning environments through relationship building, problem-solving, and emergency preparedness.	
Community Services Division	Build relationships with community members through education, prevention and collaborative problem-solving.	
Crisis Division	Provide specialized behavioral health response through the CARE Team and Co-Responder Program, victim support, resource navigation, and quality-of-life services to connect individuals with appropriate community resources and promote response appropriateness.	
Special Events Division	Plan, coordinate, and support public safety operations for special events and community gatherings.	
Information Services Division	Support records management, technology, and administrative services to ensure accountability and operational readiness.	
Training Division	Deliver training to prepare employees to serve the community safely and effectively.	

CHAPEL HILL POLICE DEPARTMENT

Program	Description	Strategic Priority
Wellness Division	Support employee wellness initiatives that promote health, resilience, and organizational well-being.	 Organizational & Fiscal Sustainability
Emergency Management Division	Coordinate preparedness, mitigation, response, and recovery efforts to strengthen community resilience.	 Complete Community

POLICE

Performance Measures

Complete Community Organizational & Fiscal Sustainability	Strategic Objectives ➤ Achieve or maintain “very satisfied” or “satisfied” survey ratings for customer perception of the Chapel Hill Police Department from at least 70% of customers surveyed. ➤ The annual number of part 1 Crimes against Persons and Property does not exceed 1,500 crimes. ➤ Achieve an annual Clearance Rate of Part 1 Crimes against Persons of 60%. ➤ Achieve an annual Clearance Rate of Part 1 Property Crime of 17%. ➤ Maintain “very safe” or “safe” survey ratings for “Level of Safety and Security” in neighborhoods from at least 90% of residents surveyed. ➤ Achieve a decrease in vehicle crash resulting in injuries. ➤ Achieve “very satisfied” or “satisfied” survey ratings for employee perception of the police department from at least 75% of employees surveyed.
---	--

Core Business Program	Performance Measure	FY24 Actual	FY25 Actual	FY26 Estimate	FY27 Target

POLICE

BUDGET SUMMARY

While the Police Department generates revenues from grants, charges for services, licenses, permits, and fines, the majority of revenues are not department specific.

Personnel expenditure increases are attributed to a retirement increase, an increase in insurance costs, a salary increase, impacts from the Pay & Classification Study, and two Emergency Management positions moving in from the Manager's Office. Operating budget increases are attributed to utility costs at the new PD facility; increased software, custodial, and computer costs; Emergency Management's operational budget moving in; and vehicle replacement.

POLICE - Support Services

BUDGET SUMMARY

The adopted budget for the Support Services division reflects an overall expenditure increase of 21.7% from last year's budget. The 22.6% increase in personnel can be attributed to two Emergency Management positions moving in from the Manager's Office, increases in retirement, insurance costs, and pay, as well as impacts from the Pay & Classification Study. There is a 19.5% increase in the operating budget due to increased costs in several areas, including utility costs associated with the new PD facility, software, contracted custodial services, and computer use charges, in addition to Emergency Management's operational costs moving in to the department.

EXPENDITURES

	2024-25 Actual	2025-26 Original Budget	2025-26 Revised Budget	2025-26 Estimated	2026-27 Adopted Budget	% Change from 2025-26

POLICE - Operations

BUDGET SUMMARY

The Operations division reflects a 3% increase from the 2025-26 budget. The 2.7% increase to the personnel budget is attributed to an increase in retirement costs, an insurance increase, a salary increase, and impacts from the Pay & Classification Study. This is somewhat offset by turnover. Operating costs increased 6.1% largely due to vehicle replacement.

POLICE - Special Events

BUDGET SUMMARY

The Special Events division tracks the cost of additional police presence at special events, including impromptu University of North Carolina student celebrations and Halloween. The adopted budget for 2026-27 has decreased 46.6%. This is due to realized savings stemming from successful efforts to contain the downtown Halloween celebration for the past several years.

FIRE

MISSION STATEMENT:

The primary mission of Chapel Hill Fire Rescue is to protect life, property, and the environment from the destructive effects of fire, disasters, or other hazards by providing public education, incident prevention, and emergency response services.

The Fire Department identified the following primary programs that are included in the adopted budget for 2026-27.

Program	Description	Strategic Priority
Emergency Operations	Provide fire suppression, rescue, extrication/accident response, hazard mitigation, and response to environmental threats in the Town of Chapel Hill and to neighboring jurisdictions under Mutual Aid agreements.	
Code Enforcement	Educate our community members and business owners to ensure compliance with the fire and safety codes of the Town and State through inspections, plan reviews, and investigating the origin and cause of fires.	
Fire Prevention & Life Safety Education	Schedule, coordinate, and conduct public education and outreach services providing information on fire prevention, CPR, child safety seats, home safety, and smoke alarms.	
Emergency Medical Services	Provide response to medical emergencies within Town limits as part of emergency operations. Manage resources and coordinate administrative efforts to ensure proper coverage and service delivery.	

FIRE

Performance Measures

	Strategic Objectives ➤ Achieve and maintain a response time (dispatch to on-scene) consistent with national standards of coverage (NFPA 1710) of a 5-minute arrival time for the first due and an 8-minute arrival time for the full dispatched assignment in at least 90% of all incidents. ➤ Maintain out-of-service time of front line apparatus at 10% or less ➤ Achieve and maintain a response time (dispatch to on-scene) of 5 minute arrival time in first due area at least 90% of the time ➤ Enforce the fire and safety codes of the Town and State through inspection, plan review, and investigating the causes of fires ➤ Reach at least 15% of the Chapel Hill population annually with presentations, demonstrations, programs, materials, and events with messages to raise awareness and knowledge of how to prevent emergency incidents and/or how to appropriately react when an emergency does occur ➤ Achieve full ISO credit for training standards in the areas of: Company, Officer, Driver Operator, and Hazardous Materials training

FIRE BUDGET SUMMARY

While the Fire Department generates revenues from grants, charges for services, licenses, permits, and fines, the majority of revenues are not department specific.

Fire Department costs have increased 14.1% due to retirement, insurance, and salary increases, pay study implementation, as well as increases in fleet use charges and added budget for operational needs related to the increased costs of doing business. Capital outlay increased as we work towards the goal of creating a sustainable funding source for the replacement of fire apparatus and other capital needs.

FIRE - Administration

BUDGET SUMMARY

The adopted budget for the Administration division reflects an overall expenditure decrease of 2.7% from last year's budget. The slight increase in personnel costs is the result of retirement, insurance, and salary increases largely offset by staff turnover. The operating budget decreased by 27.5% because of reductions to budgeted fleet use charges and vehicle fuel expenditures.

FIRE - Emergency Operations

BUDGET SUMMARY

The adopted budget for the Emergency Operations division reflects a 15.8% increase overall. Personnel expenditures experienced an 11.4% increase due to a retirement increase, an increase in insurance costs, a salary increase, and the impacts of two Pay & Classification studies. Operating expenditures increased 15%, reflecting higher fleet use charges as well as added budget for various operational needs related to the increased costs of doing business. Capital outlay expenditures doubled as we work towards the goal of creating a sustainable funding source for the replacement of fire apparatus and other capital needs.

FIRE - Life Safety

BUDGET SUMMARY

The adopted budget for the Life Safety division reflects an overall expenditure increase of 3.6% from the 2025-26 budget. The 10.4% increase in personnel is due to a retirement costs increase, an increase in insurance costs, a salary increase, turnover, and impacts from the Pay & Classification Study. The operating budget went down 40.9% primarily because no vehicle replacement is budgeted for the coming fiscal year.

PARKS AND RECREATION

MISSION STATEMENT:

To enliven our community by providing exceptional service, creating opportunities for inclusive recreational and cultural experiences, and nurturing beautiful, sustainable spaces.

The Parks and Recreation Department identified the following primary programs that are included in the adopted budget for 2026-27.

Program	Description	Strategic Priority
Park and Landscape Maintenance	Operate and maintain Town owned and controlled outdoor properties, including parks, playgrounds, athletic fields, green/open space, cemeteries, and trails and greenways. Perform or coordinate landscape maintenance at rights of way along public roadways and thoroughfares throughout Chapel Hill, including vegetative maintenance at most Town facilities and tree/arboriculture responsibilities.	 Environmental Resiliency
Planning and Development	Lead the planning and development of new facilities and renovations at parks and recreation venues. Coordinate comprehensive and strategic planning efforts related to Parks and Recreation. Manage construction and renovation projects.	 Complete Community
Cemetery Operations	Administer operation of Memorial Cemetery, including sale of columbarium niches, sale and resale of burial plots, and scheduling of services. Provide landscaping, routine maintenance, and record keeping of the 4 Town-owned cemeteries.	
Recreation Programming and Facility Management	Provide recreational programming throughout the Town, including youth and teen programs, aquatics and swimming classes, instructional sports, athletic leagues, fitness and arts programs, open gym and field play opportunities, as well as specialized programs including Special Olympics of Orange County and adapted recreation. Operate recreational, aquatic, and athletic facilities and coordinate the use of athletic fields, gyms, meeting rooms, and other facilities.	

PARKS AND RECREATION

Program	Description	Strategic Priority
Business Operations	Facilitate a wide range of administrative and business operations, including marketing and promotion, facility booking and program registration systems and processes, resource development, fiscal budget preparation, reporting and evaluation, and payroll and HRD workflows. Coordinate picnic shelter reservations, volunteer coordinator, and department-wide customer service management processes.	 Organizational & Fiscal Sustainability

PARKS & RECREATION

BUDGET SUMMARY

The adopted budget for Parks & Recreation has increased by 1.9% overall. The personnel budget includes a retirement increase, an increase in insurance costs, and a salary increase. The 3.9% decrease in operations relates to a smaller vehicle replacement budget in FY27 and reduced electricity costs.

PARKS & RECREATION - Administration

BUDGET SUMMARY

The adopted budget for the Administration division reflects an overall expenditure increase of 5.5% from the 2025-26 budget. The 6.3% increase in personnel costs is attributed to a retirement increase, an increase in insurance costs, a salary increase, and impacts from the Pay & Classification Study. The operating budget has an increase of 2.5% due to slightly more budget for vehicle replacement compared to the previous year.

EXPENDITURES

	2024-25 Actual	2025-26 Original Budget	2025-26 Revised Budget	2025-26 Estimated	2026-27 Adopted Budget	% Change from 2025-26

PARKS & RECREATION - Parks Maintenance

BUDGET SUMMARY

The adopted budget for the Parks Maintenance division reflects an overall expenditure decrease of 1% from last year's budget. The 4.3% increase in personnel costs is due to a retirement increase, an increase in insurance costs, and a salary increase, which is somewhat offset by turnover. Operating costs decreased 12.9% due to less budget for vehicle replacement, reduced fleet use charges, and reduced fuel costs.

EXPENDITURES

	2024-25	2025-26	2025-26	2025-26	2026-27	% Change

PARKS & RECREATION - Athletics

BUDGET SUMMARY

The adopted budget for the Athletics division reflects an overall expenditure increase of 8.1% from the 2025-26 budget. The 3.3% increase in personnel costs reflects retirement, insurance, and salary increases, which are slightly offset by a reduction in workers compensation costs. The 15.2% increase in operating costs is attributed to added budget for athletic field maintenance and turf management, as well as an increase in electricity and water & sewer costs.

EXPENDITURES

PARKS & RECREATION - Community Center

BUDGET SUMMARY

The adopted budget for the Community Center division reflects an overall expenditure decrease of 1.3% from the 2025-26 budget. The 2.4% increase in personnel costs reflects increased retirement and insurance costs and a salary increase, offset by a reduction in workers compensation costs. Operating costs decreased by 18.7% due to reduced electricity costs.

PARKS & RECREATION - Aquatics

BUDGET SUMMARY

The adopted budget for the Aquatics division reflects an overall expenditure increase of 0.5% from last year's budget. The 2% increase in personnel costs is due to retirement, insurance, and salary increases, which are somewhat offset due to turnover and reduced workers compensation costs. The 3.7% drop in operating costs can be mostly attributed to decreased electricity costs.

PARKS & RECREATION - Hargraves

BUDGET SUMMARY

The adopted budget for the Hargraves division reflects an overall expenditure increase of 3.9% from the 2025-26 budget. The 4.4% increase in personnel costs reflects a retirement increase, an increase in insurance costs, and a salary increase, which is slightly offset by a reduction in workers compensation costs. Operating costs increased by 1.5% due to slightly higher utility costs.

LIBRARY

MISSION STATEMENT:

Sparkling Curiosity. Inspiring Learning. Creating Connections.

The Chapel Hill Public Library Department identified the following primary programs that are included in the adopted budget for 2026-27.

Program	Description	Strategic Priority
Friendly and Helpful Customer Service	Engaged, empowered, and well-trained staff who embody our values of opportunity, hospitality, and stewardship.	
Relevant and Responsive Collections	Curated collections of print and digital materials for all ages that reflect diverse community interests and demographics.	
Community Engagement and Outreach	Collaborative relationships and joint initiatives with a wide variety of organizations that help our community thrive.	
Diverse and Inclusive Public Programs	Events and experiences for all ages that spark curiosity, inspire learning, and create connections.	
Access to Current Technology and Digital Resources	Devices, services, and infrastructure that support 21 st century learning, working, and connecting.	
Sustainable and Accessible Public Spaces	Building and grounds that show our commitment to user experience, environmental sustainability, and accessibility.	

LIBRARY

Performance Measures

 	Strategic Objectives ➤ Increase engagement with community history ➤ Increase efforts to reduce the effects of climate change ➤ Increase equity, diversity & inclusion of library collections, programs, and services ➤ Improve usability & sustainability of library spaces and services

LIBRARY

BUDGET SUMMARY

The adopted budget for the Library reflects an overall expenditure increase of 5.7% from the 2025-26 budget. The 7.4% increase in personnel is the result of a retirement increase, an increase in insurance costs, a salary increase, impacts from the Pay & Classification Study, and a new Library Associate position. The operating budget decreased 0.6% mainly due to reduced electricity costs.

DEBT SERVICE FUND

The Debt Service Fund accounts for the principal and interest payments for the Town's general obligation bonds and limited obligation bonds issued for projects such as the construction of the East Rosemary Parking Deck and the upcoming replacement of Fire Station 4.

DEBT & BOND RATINGS

Outstanding Debt

As of June 30, 2026, the Town had about \$144.6 million in debt outstanding. As shown in the following table, this consists of General Obligation (G.O.) debt, Limited Obligation (LOBS) debt, installment financings, and leases as well as employee-related obligations such as separation allowance and compensated absences.

In June 2025, the Town issued \$13.83 million of G.O. bonds. The G.O. bonds were issued for the following uses: public facilities \$1.23 million, affordable housing \$3.5 million, streets & sidewalks \$5.4 million, parks facilities \$0.5 million, and stormwater \$3.2 million.

In September 2024, The Town negotiated a 15-year lease for the Town's Police Headquarters, Emergency Operations Center, and Technology Solutions department. Move-in and lease commencement was October 2025.

In June 2024, the Town issued \$16.1 million in Limited Obligation Bonds (LOBS) as follows: \$12.1 million to complete construction of the East Rosemary Parking Deck, \$2.3 million for a fire ladder truck, and \$1.7 million to upfit the new police department.

In March 2023, the Town issued \$12.9 million of G.O. bonds. The G.O. bonds were issued for the following uses: streets & sidewalks \$7.7 million and affordable housing \$5.245 million.

In March 2023, the Town issued \$1.98 million of two-thirds bonds for the purchase of public safety radio equipment.

Also in March 2023, the Town closed on an installment financing for \$8.155 million for the purchase of 8 transit buses. The buses were financed for a 10-year term at an interest rate of 3.29%. The Chapel Hill Transit funding partners (Carrboro, UNC, and Chapel Hill) are sharing the cost of repaying the debt.

In August 2021, the Town issued \$58.2 million in Limited Obligation Bonds (LOBS) as follows: \$39.4 million for the East Rosemary Parking Deck, a 1,100-space deck; \$6.5 million for Phase II of the Ephesus Fordham public improvements; \$1.5 million for the refunding of the 2015 installment purchase agreement; and \$10.8 million for the refunding of the 2012 LOBS.

Long-Term Debt June 30, 2026	
Governmental Debt	
General obligation debt	\$ 44,637,000
Limited Obligation Bonds	8,272,000
Installment debt	2,572,000
Lease	26,255,000
Separation allowance	6,516,000
Compensated absences	3,691,000
Total	\$ 91,943,000
Proprietary Fund Debt	
Enterprise Funds	
General obligation debt	\$ 4,660,000
Limited Obligation Bonds	40,430,000
Installment debt	6,706,000
Compensated absences	857,000
Total	\$ 52,653,000

DEBT & BOND RATINGS

In May 2021, the Town closed on \$3.205 million of two-thirds bonds which were used for parks and recreation, public safety, and streets and sidewalks and \$4.755 million of G.O. bonds for affordable housing projects.

In November 2019, the Town sold \$9.505 million of G.O. refunding bonds to pay off the remaining 2010 Build America Bonds that were issued for the library expansion. The refunding bonds sold at a very competitive interest rate of 1.42%, resulting in net present value savings of \$784,954.

In April 2018, the Town closed on \$12.5 million of G.O. bonds. The G.O. bonds were issued for stormwater \$2.7 million, parks and recreation facility improvements \$4.3 million, and streets & sidewalks \$5.5 million.

In February 2017, the Town closed \$9 million of G.O. bonds. The G.O. bonds were issued for trails and greenways \$5 million, parks and recreation facility improvements \$1 million, and street & sidewalk projects \$3 million. The G.O. bonds were the first issuance from the successful 2015 Bond Referendum.

Also in February 2017, the Town closed on an installment financing for \$6.408 million for the purchase of 14 transit buses. The buses were financed for a 10-year term at an interest rate of 2.09%. The Chapel Hill Transit funding partners (Carrboro, UNC, and Chapel Hill) are sharing the cost of repaying the debt.

In March 2016, the Town completed a combined installment financing for streets and buildings for \$7.984 million. The financing had a 15-year term and net interest cost of 2.32%.

In February 2013, the Town sold \$3.05 million of G.O. refunding bonds. The refunding bonds sold at a very competitive interest rate of 2.02%, resulting in net present value savings of \$158,563.

In May 2012, the Town sold \$1.7 million of two-thirds G.O. bonds and \$4.655 million in G.O. refunding bonds. The refunding bonds closed in FY12 with a rate of 2.26%, generating \$432,217 in net present value savings. The two-thirds bonds closed in FY13, with a rate of 1.42%.

Current Debt Obligations

The Town has a rapid pay-down of debt which is typically about 70% of existing debt is scheduled to be retired within 10 years. The Town's 10-year payout is currently 69.6%.

The Town's long-term debt payments for existing G.O. bonds and installment finance debt, for all funds, are shown below for the next ten years:

DEBT & BOND RATINGS

(Includes enterprise financings that are not paid from the Debt Fund)

Future Additional Debt

In November 2024, the Town held a general obligation bond referendum. All five of the bond orders that appeared on the ballot were approved by the voters. The amount of authority approved by the voters, by bond order, the amounts issued through June 30, 2026, and the balance of authority remaining are shown in the following table.

BOND ORDER	AUTHORITY	ISSUED	BALANCE
Public Facilities	\$ 15,000,000	\$ 1,230,000	\$ 13,770,000
Affordable Housing	15,000,000	3,500,000	11,500,000
Streets & Sidewalks	7,500,000	5,400,000	2,100,000
Recreation Facilities	4,500,000	500,000	4,000,000
Open Space & Greenways	2,000,000	0	2,000,000
Total	\$ 44,000,000	\$ 10,630,000	\$ 33,370,000

In November 2018, the Town held a general obligation bond referendum for \$10 million. There was one bond order that appeared on the ballot, and it was approved by the voters. The full amount of the referendum authority has been issued.

In November 2015, the Town held a general obligation bond referendum for \$40.3 million. All five of the bond orders that appeared on the ballot were approved by the voters. Authority for issuing these bonds expired in November 2025.

DEBT & BOND RATINGS

The projects planned for each of the bond orders were identified through the Town's capital planning process, which includes consideration of multiple master plans, special studies, and public facility assessments. Through this process, several large-scale projects were identified that could be financed through G.O. Bonds.

Debt Limits

By State law, local governments may issue debt totaling 8% of the total assessed value of its property tax base. The 8% limit applies to G.O. bonds and limited obligation bonds.

Outstanding debt in most governmental units falls well below the 8% of the total assessed value limit and typically ranges from about 1% to 4% for most governments, depending on the utility enterprises operated by the unit.

As of June 30, 2026, the Town had \$49,297,000 in outstanding G.O. Bonds that apply to this limit. The total is less than 1% of the Town's June 30, 2026 tax base (\$13.9 billion).

Debt Benchmarks

The Town's annual General Fund G.O. bond, installment financing, and lease debt service for FY 27 is about \$10.86 million (\$8.90 million included in the debt service fund + \$1.96 million included in the parking fund), or about 10.9% of the adopted General Fund budget. As a percentage of adopted governmental funds budgets (Debt Management Fund and General Fund), debt service costs are about 9.8%. Annual debt service is considered to be low to moderate if it is less than 10% of the annual governmental appropriations. Our projections show that we will have debt service levels between 9.2% and 12.6% of governmental budgets for the next several years as borrowing increases to meet capital needs. We will continue to monitor this indicator, because it is one of numerous factors used to determine the Town's credit rating.

Two commonly used debt burden measures are debt per capita and debt as a percentage of assessed value. The Town's values for these two benchmarks compared to other triple A rated credits in North Carolina are shown in the following graphs. For both benchmarks, the Town is slightly below the average for the triple A peer group. This suggests that the Town's debt levels are on par with other highly rated jurisdictions.

DEBT & BOND RATINGS

(Ratios of total outstanding G.O.B. debt, authorized & unissued G.O.B. debt, and IP debt, excluding enterprise, for NC populations with a triple A rating. Source: Analysis of Debt of NC Municipalities 6/30/2025, Department of State Treasurer, Division of State and Local Government Finance.)

DEBT & BOND RATINGS

Bond Ratings

The Town's bond ratings evidence its financial strength. When the Town issues G.O. bonds or other securities, rating agencies reevaluate the Town's current and

Moody's	AAA
Standard & Poor's	AAA

future ability to repay debt. As a part of the evaluations, the agencies examine the Town's management, reserves, current debt obligations, community growth, and stability of key revenue sources. Because of a solid employment base in and around the Town of Chapel Hill and the Town's careful management of resources, the Town has maintained especially high bond ratings for a municipality of its size. Both Moody's Investor Services and Standard and Poor's affirmed the Town's triple A General Obligation Bond Rating for the June 2025 issuance of G.O. Bonds. Triple A is the highest rating attainable for G.O. Bonds.

DEBT SERVICE FUND BUDGET SUMMARY

The Debt Service Fund is used to account for debt payments on the Town's general obligation bonds issued for capital improvement projects and on the limited obligation bonds. In FY 2008-09, a portion of the property tax rate was allocated to debt service payments to pay the Town's debt service. The FY 2026-27 budget sees the Debt Service Fund tax rate hold steady at 6.6 cents.

TRANSIT FUND

The Transit Fund is used to account for the operations of the Town's public transit system.

TRANSIT

MISSION STATEMENT:

Chapel Hill Transit's mission is to provide safe, convenient, reliable, and responsive public transportation services to residents and visitors of the Chapel Hill, Carrboro, and University of North Carolina communities; to be accessible, efficiently operated, and supportive of a healthy environment and a sustainable local economy; and to connect and coordinate with other transportation means in the area.

The Transit Department identified the following primary programs that are included in the adopted budget for 2026-27.

Program	Description	Strategic Priority
Fixed-Route Bus Service	Provide public transportation for the Towns of Chapel Hill and Carrboro and the University of North Carolina-Chapel Hill (UNC). CHT provides fare-free fixed-route bus service on 20 weekday and 9 weekend routes, utilizing 99 transit buses. Includes local, express, regional express and Tar Heel Express routes.	
Demand-Response Service	Provide ADA Paratransit service within three-quarter miles of each fixed route for persons with a qualified disability who are unable to use fixed-route services, utilizing 20 lift-equipped vehicles. The service operates the same days and times as fixed-route services.	
Maintenance	Maintain and repair CHT fleet of 119 buses/vans and 24 support/maintenance vehicles. Responsible for general maintenance of the transit facility and all customer amenities (e.g. shelters, benches, trash cans, etc.).	
Administration and Finance	Manage all aspects of the transit system, including: Administration and Finance, Short and Long Range Planning, Regional Service Coordination, Grant Management (Federal and State), Marketing and Public Relations.	
Transit Advertising	Maintain a viable advertising sales business for the transit system. Coordinate with advertisers, third-party ad developers, and others to generate revenues for the Transit Fund.	

TRANSIT

Performance Measures

Complete Community  Environmental Resiliency  Organizational & Fiscal Sustainability 	Strategic Objectives ➤ Maintain favorable productivity levels. ➤ Demand response services will be on time (arriving within the 20 minute pick-up window) at least 90 percent of the time. ➤ Keep the rate of demand response accidents at three or fewer per 100,000 miles. ➤ Keep the rate of demand response preventable accidents at one or fewer per 100,000 miles. ➤ Fixed route services will operate according to published schedules at least 90% of the time. ➤ Keep customer complaints rate low – i.e., no more than 15 complaints per 100,000 fixed route trips and no more than 2 complaints per 100 demand response rides. ➤ Keep the rate of fixed route accidents at three or fewer per 100,000 miles. ➤ Keep the rate of preventable fixed route accidents at one per 100,000 miles. ➤ Comply with preventative maintenance schedule for all vehicles at least 90% of the time. ➤ Maintain a Fixed Route and Demand Response fleet age that is within industry standards in compliance with federal recommendations.

TRANSIT FUND

Major Revenue Sources - Descriptions and Estimates

The Town provides public transit services for the Town of Chapel Hill and the neighboring Town of Carrboro and the University of North Carolina. The two towns and the university share annual operating costs of the transit system on a contractual basis. In 2001, the Town initiated fare-free services for the transit system, eliminating fare box and pass sale revenues previously collected. (One exception is the Tar Heel Express service provided for athletic events and other special events held by the University.)

The adopted budget for the Transit Fund for fiscal year 2026-27 totals about \$35.9 million, a decrease of 1.5% from 2025-26. Below is a description of the major revenue sources for the Transit Fund and the pie chart below shows major revenue sources for fiscal year 2026-27. Please note that due to the partnership between the Town of Chapel Hill, Town of Carrboro, and the University of North Carolina, some financial aspects are still being discussed by the partners and are subject to change.

FY2026-27 TRANSIT REVENUES

Federal Operating Assistance

The Transit system receives an operating assistance allocation each year from the federal government based on a variety of factors and funding formulas. We estimate federal funding for operations to remain level at \$2.3 million in FY26-27. No federal operating grants are anticipated at this time. Grants will be sought for 2026-27 as opportunities arise and will be added to the budget through amendment if awarded.

TRANSIT FUND

Major Revenue Sources - Descriptions and Estimates

State Operating Assistance

The Transit system also receives an operating assistance allocation each year from the State of North Carolina, which is based on a formula involving various operating statistics for the system. This allocation is anticipated to increase slightly in FY2026-27 to \$3.5 million.

University Contract

The University of North Carolina contracts with the Town for bus service for routes on and surrounding the campus of the University and UNC Health Care System. The University contract also covers routes determined to serve mainly students and employees of the University. The cost of these services is based on cost sharing arrangements among the Town, the University, and Carrboro, as approved in an annual contract agreement. The University's contracted share was about \$11.4 million in 2024-25 and \$11.9 million in 2025-26. UNC's allocation for 2026-27 is up to \$12.6 million.

Carrboro Contract

The Town of Carrboro also contracts with the Town for transit service with costs based on an annual contract agreement. Carrboro's cost for 2025-26 was about \$2.5 million and the budget for 2026-27 increased to just under \$2.7 million based on the funding formula.

Town Revenues

The Town's share of cost for the Transit system is funded primarily by a property tax levy for transit. The cost share in the adopted budget for the Transit Fund in fiscal year 2026-27 is about \$8.26 million. Also included in Town revenues are interest income and \$450,000 for vehicle license fees.

TRANSIT FUND

Major Revenue Sources - Descriptions and Estimates

Orange County Transit Plan

The 2026-27 budget includes operating and capital funds from the Orange County Transit Plan, which was approved by the Orange County Board of Commissioners and the GoTriangle Board of Trustees in April 2017. This funding is utilized locally for capital projects, including the NS RAPID project (formerly North-South Bus Rapid Transit, or NSBRT), and is also put toward previous and future service expansions. Based on actual revenues received over the past couple of years, revenues are budgeted to decrease by 15.9% from \$7.2 million in 2025-26 to just over \$6 million in 2026-27.

Charges for Service

The adopted budget for 2026-27 includes revenue from fees for use of Town park and ride lots, estimated to remain level at \$32,000. Another revenue source in this category, the bus route between Chapel Hill and Hillsborough that Chapel Hill Transit formerly operated for GoTriangle, is no longer in the budget for FY27.

Other revenues expected for the system include \$300,000 in fares for the Tar Heel Express service and \$150,000 in bus advertising revenue, both of which are decreases from the previous fiscal year's budget based on actual revenues received in the past couple of years.

Fund Balance

The 2026-27 adopted budget was balanced with no appropriation of fund balance.

TRANSIT FUND

Major Expenditures - Descriptions and Estimates

The adopted budget for Transit for 2026-27 continues to provide fare-free services for fixed routes in the system and totals \$35.9 million. Major expenditures of the system consist primarily of personnel, operating, and maintenance costs for a planned fleet of 99 buses, 20 cutaway EZ Rider vehicles, 20 operations support vehicles, and 4 maintenance service trucks that provide transit service to the entire community. Operational costs total about \$20.9 million and Maintenance costs total about \$7.1 million.

Expenditures for 2026-27 include a 4% of market pay increase, an increase in insurance costs, and a 0.75% retirement increase. The budget also includes \$184,800 for other post-employment benefits (OPEB).

TRANSIT

BUDGET SUMMARY

The budget for the Transit Department continues fare-free service. Federal assistance has remained flat and state assistance has gone up slightly for FY26-27, while partner revenues from the Town of Carrboro and the University of North Carolina at Chapel Hill have increased. Overall, revenues in the 2026-27 adopted budget have decreased slightly due to no new funding from the Orange County Transit Plan for the NS RAPID project and due to reduced charges for services, as Go Triangle now operates the bus route between Chapel Hill and Hillsborough. Cost increases include increases to retirement, insurance, and pay, as well as increased budget for vehicles, fuel, and demand response software.

TRANSIT - ADMINISTRATION DIVISION

MISSION STATEMENT:

Chapel Hill Transit's mission is to provide safe, convenient, reliable, and responsive public transportation services to residents and visitors of the Chapel Hill, Carrboro, and University of North Carolina communities; to be accessible, efficiently operated, and supportive of a healthy environment and a sustainable local economy; and to connect and coordinate with other transportation means in the area.

The Administration Division supervises departmental operations, manages grant and service contracts, and participates in transportation planning. Duties of the division include:

- Contract monitoring and negotiation with the University of North Carolina and the Town of Carrboro for transportation services and funding arrangements.
- Grants management (from the Federal Transit Administration and the State of North Carolina).
- Transit planning activities including short-range and long-range transit plans and special transit initiatives.
- Review of development proposals to assess impact on public transportation.
- Marketing and public relations activities.
- Participation in local, regional, and state-wide public transit activities.
- Monitor, evaluate, and analyze transit operations to ensure that services are being provided with the highest level of customer service in the most efficient and cost-effective manner possible.

TRANSIT - Administration and Non-Departmental BUDGET SUMMARY

The adopted budget for 2026-27 includes a 32.5% overall increase. Personnel has increased by 3.3% due to retirement, insurance, and salary increases, somewhat offset by vacancies and turnover.

Operating costs decreased by 4.3% mostly due to the dissolution of the Wellness Clinic and its associated costs. Capital Outlay increased due to funding from the Orange County Transit Plan that will be used to purchase vehicles.

TRANSIT - NS RAPID (BUS RAPID TRANSIT)

BUDGET SUMMARY

The NS RAPID project (formerly North-South Bus Rapid Transit, or NSBRT) is the planned 8.2-mile line along one of the town's busiest and most vital thoroughfares. As the region's first bus rapid transit system, NS RAPID will connect employees, students, residents, and visitors to their regional connections and local destinations.

The adopted budget for 2026-27 does not add any new funding. The Orange County Transit Plan is not providing additional monies due to the end of the three year funding period. Existing funds will be used for planning and design services, property acquisition, and construction management.

TRANSIT - OPERATIONS DIVISION

MISSION STATEMENT:

Chapel Hill Transit's mission is to provide safe, convenient, reliable, and responsive public transportation services to residents and visitors of the Chapel Hill, Carrboro, and University of North Carolina communities; to be accessible, efficiently operated, and supportive of a healthy environment and a sustainable local economy; and to connect and coordinate with other transportation means in the area.

The Operations Division manages fixed-route bus service and demand-responsive services with smaller vehicles. Duties of the division include:

- Provide fixed-route bus service to meet the mobility goals of Chapel Hill, Carrboro, and the University of North Carolina.
- Coordinate transit service with other public transit systems in the Triangle to enhance the mobility of our citizens.
- Operate demand-responsive door-to-door service for certified persons with disabilities, using lift-equipped vans and sedans.
- Operate shuttle service (Tar Heel Express) to all UNC home football and basketball games.
- Hire, train, and motivate bus operators and support staff to ensure efficient, safe, on-time, and courteous service to the public.

TRANSIT - Fixed Route

BUDGET SUMMARY

The adopted budget reflects a 6% increase in overall costs. Personnel is up 4.6% due to an increase in retirement costs, an insurance increase, and a salary increase. Operating expenses increased by 10.1% primarily due to increased budget for contracted services and fuel in FY26-27.

EXPENDITURES

	2024-25 Actual	2025-26 Original Budget	2025-26 Revised Budget	2025-26 Estimated	2026-27 Adopted Budget	% Change from 2025-26

TRANSIT - Demand Response

BUDGET SUMMARY

The adopted budget for the Demand Response division reflects a 10.3% increase over the 2025-26 budget. Personnel expenditures increased by 5.3% due to increases to retirement and insurance costs, along with a salary increase. Operating expenses increased by 25.8% due to a needed upgrade to demand response software and increased budget for fuel.

TRANSIT - MAINTENANCE DIVISION

MISSION STATEMENT:

Chapel Hill Transit's mission is to provide safe, convenient, reliable, and responsive public transportation services to residents and visitors of the Chapel Hill, Carrboro, and University of North Carolina communities; to be accessible, efficiently operated, and supportive of a healthy environment and a sustainable local economy; and to connect and coordinate with other transportation means in the area.

The Maintenance Division services and repairs transit vehicles and support equipment to ensure safe, reliable, and clean transit vehicles. Duties of the division include:

- Daily service, fueling, and cleaning of all transit vehicles.
- Ongoing maintenance, inspection, and repair of buses, vans, and support vehicles.
- Ongoing maintenance of transit amenities, such as benches and shelters.
- Maintain an inventory system of fuel and bus parts to support the timely operation of services.
- Develop capital improvement plan and procurement of major capital equipment.
- Ensure that team members have the proper training and skills to ensure the safe efficient operation of Town vehicles.

TRANSIT - Vehicle Maintenance

BUDGET SUMMARY

The adopted budget for 2026-27 represents a 3.8% increase in expenditures from the 2025-26 fiscal year. The 6.6% increase in personnel costs is due to an increase in retirement costs, an insurance increase, a salary increase, impacts from the Pay Study, and turnover. Operating costs decreased by 0.6% largely due to decreased budget for software in the division.

EXPENDITURES

	2024-25 Actual	2025-26 Original Budget	2025-26 Revised Budget	2025-26 Estimated	2026-27 Adopted Budget	% Change from 2025-26

TRANSIT CAPITAL RESERVE FUND

The Transit Capital Reserve Fund is used to account for funds reserved for matching capital funds for buses and facilities related to the Town's public transportation system.

Donations vary substantially from year to year, depending on anticipated future needs for reserves.

TRANSIT CAPITAL RESERVE BUDGET SUMMARY

The Transit Capital Reserve Fund is intended to accumulate funding to make capital purchases and to meet matching requirements for capital grants for replacement buses and other equipment. Matching funds for 2026-27 are estimates for grants historically received each year, but not yet awarded.

TRANSIT CAPITAL GRANT PROJECT ORDINANCES

Transit capital and planning grants awarded by the Federal Transit Administration are implemented pursuant to grant project ordinances authorized by General Statute 159-13.12. Budgets are adopted throughout the year as grant awards are received. Five current project ordinances in the Transit Department are shown below:

2015-2016 Capital Grant 5339

The project ordinance for the fiscal year 2015-2016 Section 5339 Transit Capital Grant was executed on May 14, 2018. The funds will be used to expand transit's employee/visitor parking lot, install a new security gate to the bus fleet yard, and fund a preliminary review and analysis of constructing a solar canopy over the bus yard. 80% is federally funded. 20% will be funded through local budget.

	Project Budget	Estimated Expenditures Through June 30, 2027
2015-16 Transit Capital Grant	\$534,037	\$66,231

2024 Area of Persistent Poverty Grant

The project ordinance for the fiscal year 2024-2025 is for the planning of a micro-transit system.

	Project Budget	Estimated Expenditures Through June 30, 2027
2024 Planning Grant	\$437,500	\$304,667

FY19-FY20 Capital Grant 5339

The project ordinance for the fiscal year 2021 Capital Investment plan covering: Automatic Vehicle Locator upgrades, Automatic Passenger Counter upgrades, and Radio System upgrades.

	Project Budget	Estimated Expenditures Through June 30, 2027
2020 Transit Capital Grant	\$657,654	\$230,058

FY22 5339

This project ordinance for fiscal year 2022 is for the purchase of three (3) 20' Light Transit Vehicles (LTV) for the Demand Response Fleet.

	Project Budget	Estimated Expenditures Through June 30, 2027
2020 Transit Capital Grant	\$623,820	\$49,424

TRANSIT CAPITAL GRANT PROJECT ORDINANCES

FY23 5339a

This project ordinance for fiscal year 2023 is for the purchase of an architecture and engineering firm to provide up to 100% completion of construction plans for an expanded fleet yard and training center.

	Project Budget	Estimated Expenditures Through June 30, 2027
2023 Transit Capital Grant	\$298,324	\$238,659

STORMWATER MANAGEMENT FUND

The Stormwater Management Fund was established to protect and restore local streams, reduce flood damage through capital improvements, safeguard Jordan Lake water quality, and educate citizens about water quality, flood damage, and stream protection.

PUBLIC WORKS - STORMWATER MANAGEMENT

MISSION STATEMENT:

The Public Works - Stormwater Management Team strives to provide excellent customer service, protect the health and safety of both the public and the ecosystem, address stormwater quality and quantity concerns, ensure compliance with federal and state stormwater mandates, and implement the Town's Comprehensive Stormwater Management Program.

The Public Works Department - Stormwater Management Division identified the following primary programs that are included in the adopted budget for 2026-27.

Program	Description	Strategic Priority
Stormwater Infrastructure	Perform routine maintenance, remedial repairs, and capital improvements to the town-maintained stormwater infrastructure using in-house and contracted resources.	
Stormwater Regulatory Compliance	Develop, implement, perform, and administer activities and programs to maintain compliance with Town, State, and Federal regulatory requirements (LUMO, NPDES, MS4, Jordan TMDL, FEMA Floodplain Management). This includes, but not limited to, providing technical assistance involving stormwater management, field classification of streams, mapping and database management, assisting compliance officer with investigation of inquiries/violations, identification of grant opportunities to fund drainage and water quality improvement projects, outreach and education, and development and administration of stormwater-related professional services and construction contracts.	
Street Sweeping	Sweep publicly maintained streets within the Town limits using in-house labor and equipment. Sweep downtown streets twice a week, entryway roads once a week, and residential streets about every eight weeks, weather permitting.	
Stormwater Billing	Prepare annual stormwater utility billing and manage stormwater billing databases. Manage stormwater fee assistance program and respond to billing inquiries.	

STORMWATER

Performance Measures

Environmental Resiliency 	Strategic Objectives ➤ Initiate 100% of investigations of reported pollution (sedimentation, illicit discharge) events within 24 hours of receipt. ➤ Confirm that 20% of project sites subject to the NPDES regulation have had a certified post-construction inspection each year, with the goal of having all sites inspected every five years. ➤ Sweep streets downtown twice weekly (weather permitting), major streets once weekly (weather permitting), and check and clean residential streets as needed once every six to eight weeks (not weather dependent).
Complete Community 	
Organizational & Fiscal Sustainability 	

Core Business Program	Performance Measure	FY24 Actual	FY25 Actual	FY26 Estimate	FY27 Target
Stormwater Regulatory Compliance	Percent of investigations of reported pollution initiated within 24 hours of notification	96%	97%	92%	100%
	Percent of sites inspected annually	51%	60%	62%	20%
Stormwater Infrastructure	Percent of development plan reviews completed by assigned deadline (in coordination with Planning) ¹	71% ²	91%	93%	100%
Street Sweeping	Percent of time downtown streets were swept according to schedule (twice per week)	72%	N/A ³	68%	100%
	Percent of time major streets were swept according to schedule (once per week)	44%	N/A ³	51%	100%
	Percent of time residential streets were swept according to schedule (once every seven weeks)	77%	N/A ³	42% ⁴	100%

¹ In March 2024, this measure was transferred from Public Works to Planning.

² The plan review deadline was reduced from three weeks to two in December FY24.

³ Street Sweeping data for FY25 is not available.

⁴ A Leaf Vacuum Truck was acquired to help collect loose leaves that fall naturally out of the curb and gutter for FY27 as a result of changes to loose leaf collection.

STORMWATER MANAGEMENT FUND

Major Revenue Sources – Descriptions and Estimates

The Town established a Stormwater Management Fund in 2004-05 to continue the enhancement of stormwater management services and to implement stormwater management activities necessary to comply with State and Federal regulations. Stormwater management activities are funded by a fee charged to property owners based on the amount of impervious surface area on a property. The 2026-27 adopted budget includes an \$8.79 per ERU (equivalent rate unit) fee increase to complete the stormwater system inventory mapping required during the current five-year NPDES (National Pollutant Discharge Elimination System) permit cycle. This will bring the Stormwater fee to \$49.06 for each 1,000 square feet of impervious surface. At this rate, fee revenue is estimated at just under \$4.3 million in 2026-27. In 2025-26, the budget is expected to be balanced with \$2,742,678 in fund balance. For FY26-27, the budget is balanced without fund balance.

Major Expenditures and Estimates

The adopted budget for 2026-27 totals \$4,583,000. This represents a 23.4% increase from the FY25-26 budget. Changes to the budget include a pay increase, a 0.75% retirement rate increase, a health insurance increase, and added budget to complete stormwater system inventory mapping. \$487,328 is in the adopted budget for the debt payment related to the G.O. bond issuance.

As indicated in the chart below, 25% of the 2026-27 budget provides for the Drainage division to conduct stormwater-related drainage and maintenance projects.

¹ The Planning department assumes half the salary of one of the Senior Engineer positions.

² The Engineering division of Public Works assumes a portion of salaries for Engineer - Certified PE, Senior Engineering Inspector, and Professional Land Surveyor.

STORMWATER MANAGEMENT BUDGET SUMMARY

The adopted budget for FY 2026-27 includes the continuation of existing services. The 6.4% increase in personnel expenditures includes a retirement increase, an increase in insurance costs, a salary increase, impacts from the Pay Study, and turnover. Operating costs increased by 46.2% largely due to added budget needed to complete stormwater system inventory mapping. Capital Outlay remains flat.

The adopted budget includes an \$8.79 per ERU fee increase to complete the stormwater system inventory mapping required during the current five-year NPDES permit cycle. The budget is balanced without the use of fund balance.

PARKING FACILITIES FUND

The Parking Facilities Fund includes the operation of off-street parking lots, all on-street metered parking, and parking enforcement activities.

PARKING SERVICES

MISSION STATEMENT:

Parking Services' primary mission is to provide safe, accessible, and efficient parking services that support residents, visitors, businesses, and community destinations through exceptional customer service, responsible stewardship of public parking assets, and fair, consistent enforcement of Town parking regulations.

The Parking Services Department identified the following primary programs that are included in the adopted budget for 2026-27.

Program	Description	Strategic Priority
Parking Enforcement	Promote compliance with Town parking regulations through education, fair and consistent enforcement, complaint response, and support for special events and downtown operations.	
Customer Service	Administer parking permits, process citations and appeals, assist customers, manage parking accounts, and provide responsive service to residents, businesses, employees, and visitors.	
Operations & Maintenance	Maintain municipal parking decks, surface lots, parking equipment, signage, lighting, pavement markings, and parking technology to ensure safe, reliable, and accessible parking facilities.	
Administration	Oversee enterprise fund operations, financial management, contracts, technology, strategic planning, policy implementation, parking studies, and coordination with Town departments and community stakeholders.	

PARKING FACILITIES FUND

Performance Measures

	Strategic Objectives
	➤ Increase occupancy performance in each section of the Downtown Parking Operation. Downtown parking is broken up into three sections: East Downtown (East of Columbia St), Central Downtown (Columbia St to Mallette St) and West Downtown (Mallette St to Sunset Dr). We will provide the financial performance and target to increase revenue in each section by 10%.

Core Business Program	Performance Measure	FY24 Actual	FY25 Actual	FY26 Estimate	FY27 Target
East Downtown	Total section revenue	\$1,429,827	\$1,572,777	\$1,890,675	\$2,079,742
Central Downtown	Total section revenue	\$368,526	\$497,521	\$556,210	\$611,831
West Downtown	Total section revenue	\$414,233	\$457,251	\$494,326	\$543,758

PARKING FACILITIES FUND

Major Revenue Sources - Descriptions and Estimates

The Parking Facilities Fund, with an adopted budget of \$6,468,125 for FY 2026-27, accounts for revenues from the parking lots and decks in the downtown area as well as on-street parking revenues. Off-street parking revenues consist almost exclusively of the fees charged for parking in downtown lots and decks. \$1,835,500, or about 29% of total parking revenues, is budgeted to come from the new 125 East Rosemary Deck and \$450,000, or 9% of revenues, is budgeted from the James Wallace Deck. The deck at 140 West is budgeted to generate about \$330,000 in 2026-27.

On-street parking has two major revenue sources: pay station fees (formerly known as parking meter fees) and parking ticket fines. Pay station fees are estimated to generate about \$425,000 and parking ticket fines are estimated to bring in about \$193,000 in 2026-27.

PARKING FACILITIES FUND

Major Expenditures and Estimates

In FY 2026-27, the primary expenditure of the Parking Facilities Fund is debt payments related to the new 125 East Rosemary parking deck. These debt expenditures total about \$4.2 million in FY27.

The other major expenditure of the Parking Facilities Fund is the cost of personnel to manage parking lots and decks. The FY27 personnel budget of \$1,027,150 includes a 4% of market pay increase, an increase in insurance costs, and a 0.75% increase in retirement.

PARKING SERVICES

PARKING SERVICES

STAFFING COMPARISONS - IN FULL-TIME EQUIVALENTS

Parking Services Department Totals	9.75	9.00	9.00

PARKING SERVICES BUDGET SUMMARY

Parking revenues for the adopted 2026-27 budget decreased 0.9% compared to FY26. This small decrease reflects less dependence on fund balance in the new year. Parking deck, lot, and street-level revenues are increasing slightly, meaning less fund balance is needed.

The overall decrease in expenditures for 2026-27 captures the net result of personnel-related increases to pay and benefits and decreased expenditures due to no longer leasing the Mallette parking lot.

PUBLIC HOUSING FUND

The Public Housing Fund is used to account for federal grants restricted for the Town's public housing programs.

PUBLIC HOUSING

VISION:

A vibrant and inclusive community where all residents have access to affordable housing and opportunities to thrive.

MISSION:

*Create Partnership
Catalyze Affordable Housing
Build Community*

The Public Housing Division identified the following primary programs that are included in the adopted budget for 2026-27.

Program	Description	Strategic Priority
Lease Management and Tenant Relations	- Manage Housing Applications - Ensure Compliance with Lease Agreements - Coordinate Resident Engagement and Self-Sufficiency	
Complete Federal Compliance and Reporting Requirements	- Complete HUD-Required Reports and Plans - Complete Routine Reports - Receive Reports from HUD	
Perform Maintenance and Renovations	- Complete preventative maintenance - Complete safety inspections and pest control - Oversee unit turnaround of vacant units - Complete work orders for units - Implement our Capital Plan - Complete HUD inspections - Implement Staff Training Plan - Complete special projects	

PUBLIC HOUSING

Performance Measures

	Strategic Objectives To provide decent, safe, and well maintained affordable rental housing for low-income residents

¹ One tenant was accepted from the waitlist; they were experiencing homelessness.

PUBLIC HOUSING FUND

Major Expenditures and Estimates

The Public Housing program provides for the administration and operation of the Town's 296 public housing units and is funded primarily through federal grants and rents paid by residents.

In 1987, the Chapel Hill Public Housing Authority was abolished by the Chapel Hill Town Council. The Town's Public Housing program was then operated as a Town department administered by Town staff. During FY2023-24, the Public Housing department became part of the Housing & Community Development department, with the Public Housing Fund remaining a separate enterprise fund.

PUBLIC HOUSING REVENUES

Primary revenue sources include dwelling rents paid by residents and operating grants from the Department of Housing and Urban Development (HUD). HUD has provided funding estimates for calendar year 2026 but we have no information about calendar year 2027. Based on interim allocations, our estimate of HUD's subsidy for 2025-26 is \$1,399,400, a 7% decrease from the 2024-25 subsidy of \$1,508,347.

The Public Housing division estimates dwelling rents, the largest source of revenue for the Public Housing Fund, at about \$1,445,100 for 2026-27, which is a 2.5% increase from current year estimates.

PUBLIC HOUSING FUND

Major Revenue Sources - Descriptions and Estimates

PUBLIC HOUSING EXPENDITURES

For the 2026-27 Adopted Budget, major expenditure categories include \$1,745,018 for personnel salaries and benefits, \$705,184 for maintenance of the housing units \$246,500 for utilities, and \$100,000 for liability and flood insurance.

The personnel costs include a 4% of market pay increase, a 0.75% retirement contribution increase, and an increase in insurance costs.

	2025-26 Original Budget	2026-27 Adopted Budget	% Change from 2025-26
Salary & Benefits - Administration	\$ 754,757	\$ 747,605	-0.9%
Salary & Benefits - Maintenance	927,969	997,413	7.5%
Maintenance Costs	604,911	705,184	16.6%
Utilities	213,450	246,500	15.5%

² These positions are split between the Public Housing Fund and Housing & Community Development.

³ One Mechanic position is split between the Public Housing Fund and Housing & Community Development.

PUBLIC HOUSING BUDGET SUMMARY

The Town's public housing units are funded primarily through federal grants from the U.S. Department of Housing and Urban Development and rents paid by residents.

The 3.7% increase in personnel is the result of a retirement increase, an increase in insurance costs, and a salary increase, all of which are somewhat offset by turnover, vacancies, and positions that were partially funded out of the Public Housing Fund moving to the General Fund. The operating budget increased 6% primarily due to various increases in the Maintenance Division, including utility costs, fleet use charges, contracted services, and maintenance supplies. The budget for 2026-27 reflects an estimate of the HUD subsidy anticipated for calendar year 2026. The Town anticipates HUD subsidies and rental revenues will increase. The Town anticipates using \$86,163 in fund balance appropriation in 2026-27.

COMMUNITY DEVELOPMENT PROJECT ORDINANCES

U.S. Department of Housing and Urban Development

Community Development Program

Summary of Activities

The Town of Chapel Hill became an "entitlement" Community Development city in 1984, which means that the Town is entitled to receive Community Development grant funds annually upon submission of a final statement. Community Development grants awarded by Housing and Urban Development are implemented pursuant to grant project ordinances authorized by General Statute 159-13.12. Budgets are adopted throughout the year as the grant awards are received.

The 2018 project ordinance budgets a \$418,344 grant and \$21,777 program income for public housing improvements, homeownership assistance, homeowner housing improvement programs, code enforcement, neighborhood revitalization activities, summer youth employment programs, and homelessness case management.

The 2019 project ordinance budgets a grant of \$386,584 for homeownership assistance, housing improvement programs for homeowners, code enforcement, neighborhood revitalization activities, the summer youth employment program, youth counseling services, and homelessness case management.

The 2020 project ordinance budgets a \$417,591 grant and \$7,339 program income for homeownership assistance, homeowner housing improvement programs, emergency housing assistance, the summer youth employment program, youth counseling services, and homelessness case management. There were also two COVID-19 related CDBG-CV ordinances in 2020:

- The Coronavirus funding round 3 project ordinance budgets a grant of \$290,902 for remote learning scholarships, neighborhood support centers, and staffing and supplies for the food bank.

The 2021 project ordinance budgets a \$418,300 grant and \$7,339 program income for affordable rental acquisition and rehabilitation, homeowner housing improvement programs, neighborhood revitalization activities, youth counseling services, and homelessness case management.

The 2022 project ordinance budgets a \$419,755 grant and \$51,964 program income for homeownership assistance, homebuyer counseling, homeowner housing improvement programs, neighborhood revitalization, summer youth employment programs, youth counseling services, and homelessness case management.

The 2023 project ordinance budgets a \$421,755 grant and \$12,817 program income, for homeownership assistance, homebuyer counseling, homeowner housing improvement programs, neighborhood revitalization, summer youth employment programs, youth counseling services, and homelessness case management.

COMMUNITY DEVELOPMENT PROJECT ORDINANCES
U.S. Department of Housing and Urban Development
Community Development Program
Summary of Activities

The 2024 project ordinance budgets a \$437,331 grant and \$7,338 program income, for homeownership assistance, homeowner housing improvement programs, summer youth employment programs, microenterprise development, and homelessness case management.

The 2025 project ordinance budgets a \$415,188 grant and \$21,270 program income, for homeowner housing improvement programs, rental housing improvement projects, a summer youth employment program, microenterprise development, and homelessness case management.

CAPITAL PROGRAM

The Capital Program is a 15-year financial plan for the Town’s major capital and infrastructure needs. The program identifies capital needs, establishes priorities, and identifies potential funding sources.

Key sources for development of the Capital Program include the Facility Condition Assessment, special studies, the Comprehensive Plan, and requests from the Council, citizens, and Town staff.

The Capital Program includes projects financed with bond funds, grants, or other sources. The Capital Improvements Fund and Capital Reserve Fund are generally funded by annual transfers from the Town’s General Fund.

Expenditures in the Capital Improvements and Reserve Funds for 2026-27 are part of the 2026-27 annual budget. All other years are projected expenditures. Proposed funding levels will change in future years as capital programs are refined and the official Town budget is adopted for a given fiscal year.

Capital Improvements Fund Budget

CAPITAL PROGRAM – MAJOR REVENUE SOURCES

Capital Improvements Program

The Capital Improvements Program (CIP) is a 15-year plan to fund capital projects that are selected based on a set of priorities and anticipated availability of funding. The program emphasizes projects at Town facilities, with the goal of addressing capital-related problems as they arise in order to avoid more costly repairs in the future.

The CIP process includes project identification from subject matter experts within departments using condition assessments, master plans, etc. These projects are evaluated internally via the CIP Leadership Committee.

Pay-Go

The Town annually budgets pay-go capital as a transfer from the General Fund for smaller-scale projects that do not require financing. This funding is reviewed as part of the annual budget process.

2024 Bonds

In November 2024, voters approved \$44 million in bonds. The bond projects are assigned to five individual categories as follows:

- Public Facilities (\$15 million): For the redevelopment of Fire Station #3 (Elliott Rd) and Fire Station #4 (Weaver Dairy Road).
- Affordable Housing (\$15 million): For town and partner projects to help pay capital costs of providing housing for persons of low and moderate income.
- Sidewalks and Streets (\$7.5 million): For improvements for bicycle and pedestrian safety, sidewalks, streets and bridges, and ADA improvements.
- Recreation Facilities (\$4.5 million): Renovations to park facilities, including replacing the Artificial Turf at Homestead Rd, and building amenities like a climbing wall, pickleball court, and a splashpad.
- Trails and Greenways (\$2 million): For expansion of the town's Greenway System.

The Town had its first issuance in June 2025 for \$10.63 million.

2018 Bonds

In November 2018, voters approved \$10 million for an Affordable Bond referendum. The Town has issued the full \$10 million - \$4.755 million in General Obligation bonds in May 2021 and \$5.245 million in General Obligation bonds in March 2023.

CAPITAL PROGRAM – MAJOR REVENUE SOURCES

2015 Bonds

In November 2015, voters approved \$40.3 million in bonds. The bond projects are assigned to five individual categories as follows:

- Sidewalks and Streets (\$16.2 million): For improvements for bicycle and pedestrian safety, sidewalks, streets and bridges, and Downtown Streetscape.
- Trails and Greenways (\$5 million): For expansion of the town's Greenway System.
- Recreation Facilities (\$8 million): Renovations to parks, Parks & Recreation administrative space, and a community programming space.
- Solid Waste Options (\$5.2 million): Develop options for future solid-waste removal.
- Stormwater Improvements (\$5.9 million): For drainage improvements, flood control, and stream restoration.

The Town has had four issuances for a total of \$32.4 million under this referendum. The Town issued \$9 million of General Obligation bonds in February 2017, \$12.5 million of General Obligation bonds in March 2018, \$7.7 million of General Obligation bonds in March 2023, and \$3.2 million of General Obligation bonds in June 2025. The remainder of the authority lapsed in November 2025.

Two-Thirds Bonds

By NC General Statutes, the Town is able to issue two-thirds bonds without a referendum in an amount equivalent to two-thirds of the principal amount of debt retired in the prior fiscal year.

Stormwater Management Fund

Stormwater Management fees provide funding for the Town's Stormwater Management Department, including capital projects.

Parking Facilities Fund

Fees collected from Town-operated on-street and off-street parking areas provide funding for the Parking Services Department, including capital projects.

Other Sources

- Community Development Block Grant (CDBG): The Town receives annual federal grants from the U. S. Department of Housing and Urban Development (HUD). The Council approves a general 5-year spending plan to benefit lower-income neighborhoods and adopts an annual budget for these funds by a capital projects ordinance.

CAPITAL PROGRAM – MAJOR REVENUE SOURCES

- Housing Capital Grant: In fiscal year 1993-94, the Town began receiving an annual entitlement for public housing renovations from the U. S. Department of Housing and Urban Development (HUD).
- N.C. Department of Transportation (NCDOT): For most public transit projects, the Federal Transit Administration provides 80% funding and the NCDOT provides an additional 10% match. For the State's thoroughfare, bikeways, and pedestrian programs, the NCDOT funds projects selected from an annual Transportation Improvements Program in which local governments request that the State fund these types of projects in their community. Local requests are considered in a State-wide priority list. Projects are implemented by the NCDOT.
- Surface Transportation Program (STP): The Surface Transportation Program provides flexible funding for projects on Federal-aid highways, including shared use paths and related facilities that may have recreational use, bridge projects on public roads, transit capital projects, and intracity and intercity bus terminals and facilities.
- Gifts: Occasionally, citizens of Chapel Hill will provide the Town with contributions to be used toward a project for which the citizen holds a special interest.
- Additional financing options include Limited Obligation Bonds (LOBS) and Asset-Backed Installment Debt.

CAPITAL PROGRAM – KEY PROJECTS

This section highlights key projects included in the 2027-41 Capital Program. The map below shows project locations:

Location of Key Capital Projects

KEY

1. Public Housing Neighborhood Improvements: 1a. South Estes; 1b. Oakwood 1c. Eastwood; 1d. Rainbow Heights;
2. Homestead Gardens; 3. Tanyard Branch Trace; 4. Longleaf Trace; 5. West Cameron Avenue Bicycle Improvements;
6. Street Construction/Roadway Improvements: 6a. Bolinwood Drive Bridge; 6b. Downtown Traffic Signal Mast Arms; 6c. Ephesus Church Rd Sidewalks; 7. Cedar Falls Park Tennis Courts Reconstruction; 8. Fire Station 4

CAPITAL PROGRAM – KEY PROJECTS

1. Public Housing Neighborhood Improvements

The FY27 CIP includes funding for needed repairs and renovations to public housing apartments, facilities, and sites. These improvements to the public housing apartments support the Town's continued efforts to provide safe and sanitary living conditions to a portion of the lower-income citizens of Chapel Hill. Locations for planned improvements include our communities at South Estes, Oakwood, Eastwood, and Rainbow Heights.

Funding has also been allocated to conduct a comprehensive physical needs assessment and develop a strategic plan to support the long-term sustainability of the Town's public housing portfolio.

South Estes Neighborhood

CAPITAL PROGRAM – KEY PROJECTS

2. Homestead Gardens

The Homestead Gardens project at 2200 Homestead Road is one of the Town's first efforts to develop affordable housing on Town land. The project broke ground in 2026 and will include 87 mixed-income affordable housing units, including rental apartments and for-sale duplexes and townhomes surrounded by a variety of community amenities, including a new segment of the Town's greenway, walking trails, and a basketball court.

CAPITAL PROGRAM – KEY PROJECTS

4. Longleaf Trace

The Longleaf Trace project will include 48 new affordable housing units for seniors earning less than 60% of the Area Median Income (AMI). The community will be located on Legion Road adjacent to Town land where the Town is planning for the development of affordable housing and a new Town park. The site is near existing transit, grocery and retail stores, a Town park, and a local school.

CAPITAL PROGRAM – KEY PROJECTS

5. West Cameron Avenue Bicycle Improvements

The West Cameron Avenue Bicycle Improvements project will construct a protected two-way cycle track on the south side of Cameron Avenue between the Libba Cotten Bikeway and UNC Campus. It includes crossing improvements and converting the block of W. Cameron Ave between Pittsboro St and Columbia St to one-way westbound. The design will be completed by early 2027 and the project is expected to be put out to bid for construction by mid-2027.

CAPITAL PROGRAM – KEY PROJECTS

6. Street Construction/Roadway Improvements

Various street projects in FY26-27 include: design and bid documentation for the replacement of Bolinwood Drive Bridge with the addition of new sidewalks, design and bid documentation for the installation of traffic signal mast arms and curb improvements at three intersections along Franklin Street downtown, and design and bid preparation for sidewalk infill connections along Ephesus Church Road. These projects will help provide alternative modes of transportation, improve our infrastructure, and help address community interests.

Existing Bolinwood Drive Bridge

CAPITAL PROGRAM – KEY PROJECTS

7. Cedar Falls Park Tennis Courts

The Cedar Falls Park tennis courts are substantially complete. Work to relocate electrical lines damaged during construction is ongoing in partnership with Duke Energy and the contractor. Additional improvements planned include a new ADA-accessible paved path from the parking lot to the tennis complex, landscaping, benches, covered bleachers, and trash receptacles. Temporary signage will direct visitors to the alternate access path and inform the public that the courts will be open from dawn to dusk until electrical work is complete and new high-efficiency LED lighting is activated. The entire project is expected to be completed by late Fall 2026.

CAPITAL PROGRAM – KEY PROJECTS

8. Fire Station 4

Fire Station 4, located at 101 Weaver Dairy Rd, is a 44-year-old fire station that serves the Chapel Hill community. In 2024, the Town sought a design professional to help design a modern fire station that would allow for expansion and meet the needs of the community. An agreement to perform a conceptual diagram of the new fire station began in May 2024. The project continues to grow and is expected to be completed in 2028. A conceptual image is shown below; however, it may change over the course of the design period. The improved facility ensures that Chapel Hill Fire Rescue will continue to deliver exceptional service, while focusing on the Town's sustainability initiatives and the care of our firefighters. Upon completion of the new fire station, the old station site will be demolished and converted into a mixed-use property, including affordable housing. The Town continues to seek a way forward for the design and development of a new state-of-the-art fire/rescue training center.

CAPITAL IMPROVEMENTS FUND

The Capital Improvements Fund generally accounts for purchases and construction that can be completed within a single year. Capital Improvements Fund (CIP) projects are prioritized as part of the Town's 15-year capital program.

EXPENDITURES

REVENUES

CAPITAL IMPROVEMENTS FUND

BUDGET SUMMARY

The budget for the Capital Improvements Program for 2026-27 totals \$3,165,996 and includes projects to be completed in 2026-27. Beginning in FY 2018-19, the Town began budgeting funds for facility maintenance in the General Fund. Each year, depending on the nature of the planned projects, a portion of those funds will be transferred into the Capital Improvements Fund.

PROJECT DESCRIPTIONS AND COSTS – CURRENTLY FUNDED PROJECTS

This section provides descriptions of various capital projects funded in the 2026-27 budget shown in Tables 1, 2, and 3. The projects listed are those funded or proposed to receive funding through the Capital Improvements Fund, Stormwater Management Funds, Grant Funds, Special Purpose Funds, and/or bonds.

The descriptions include information on the total funding proposed for each project, the funding source, the project location, the estimated impact on the operating budget, and where the project is listed in the 15-Year Project Tables which follow this section.

Explanation: Operating Budget Impact

Each project includes an assessment of the operating budget impact from implementing the project. For example, the development of a new park would increase the maintenance and programming costs for the Parks and Recreation Department. Not all projects would increase the operating budget costs. For example, renovations of a Town facility would have a net positive effect on the operating budget by reducing maintenance funded out of departments' operating budgets. The impact levels are to the right.

High: More than \$25,000 a year
Moderate: \$5,000 to \$25,000 a year
Low: \$1,000 to \$5,000 a year
No impact: No impact on operating budget

Positive: Project will save operating budget funds

Bike and Pedestrian Safety/Vision Zero

This recurring funding will be used to design and implement smaller scale bike and pedestrian projects, as well as fund Council's Vision Zero goals to eliminate deaths and serious injuries on Town roads by 2031. Recurring funds allow the Town to be proactive in improving safety as well as responsive to the concerns of residents. Funding also supports safety improvements and programs identified in the Vision Zero workplan, including small infrastructure projects, programs, and organizational strategies.

PROJECT DESCRIPTIONS AND COSTS – CURRENTLY FUNDED PROJECTS

PUBLIC SAFETY

Fire Station #4 Replacement

Funding will be used to develop construction drawings and then rebuild Fire Station 4 on the Training Center site adjacent to the current station. The existing station will remain operational during the build and, following completion, the property on which the current station sits will be utilized as a partnership with the Department of Housing and Community Development to build an affordable housing complex. Plans for the new fire station include administrative offices, living space for two fire units and a battalion chief, and three bays for apparatus.

CAPITAL PROGRAM TABLES – INTRODUCTION

The Capital Improvements Program contains tables that outline the adopted budget for CIP projects in fiscal year 2026-27 and projected expenditures in future fiscal years for all funds, from 2026-27 through 2040-41. These tables are as follows:

- **Table 1. Capital Improvements.** Table 1 lists projects identified for Capital Improvements. Projects listed include adopted projects for 2026-27 and other identified capital improvement needs for future years.
- **Table 2. Other Sources.** Table 2 lists capital projects funded by grants or other available or anticipated funding sources other than the Capital Improvements Fund. These project budgets would be established by separate project ordinances.
- **Table 3. Approved Bond Schedule.** Table 3 lists projects to be funded using voter -approved bonds and shows the bond-sale schedule approved by the Council.

TABLE 1: Capital Improvements

Reference #	Project	2025-26 Revised Budget	2026-27 Adopted Budget	2027-28*
Municipal Operations Facilities				
1	Extraordinary Maintenance, Emergency Repairs	\$ 100,000	\$ 100,000	\$ 100,000
2	General Facilities Maintenance	-	175,000	-
3	Small Capital Improvements	-	-	100,000
4	Town Hall Repairs	-	149,500	-
5	Town Hall Parking Deck Repairs	-	40,000	100,000
6	Town Hall Alarm Panel Replacements	-	-	-
7	Town Hall HVAC Design & Replacement	-	-	-
8	Town Hall - Safety & Security Improvements	-	-	-
9	Town Hall Elevators	-	-	-
10	Post Office/Courthouse	-	50,000	-
11	Public Works Roof	1,081,500	-	-
12	Public Works HVAC Design & Replacement	-	150,000	1,150,000
13	Homestead Aquatic Center Roof	-	-	-
14	Homestead Aquatic Center HVAC	198,347	-	-
15	Hargraves HVAC	113,157	-	-
16	Community Center Fiberglass Pool Roof	-	350,000	-

MAJOR CAPITAL BOND PROJECTS

Several major capital improvement projects were approved by bond referenda in November 2003, November 2015, November 2018, and November 2024 and by limited obligation bonds in 2021 and 2024.

As authorized by General Statute 159.13.2, capital project ordinances were established for each of the projects for the life of the project.

Expenditures for these projects through June 30, 2026 are shown in the table to the right.

Major Capital Bond Projects	Budget	Expenditures as of June 30, 2026

CLIMATE ACTION FUND

The Climate Action Fund dedicates funding to address climate change.

FY24-25 CLIMATE ACTION ACTUAL EXPENDITURES

CLIMATE ACTION FUND

BUDGET SUMMARY

The Climate Action Fund was established in FY22 to dedicate funding for climate change. The adopted budget for the Climate Action Fund increased 1.4% compared to the 2025-26 budget. The 6.2% increase in personnel costs reflects retirement, insurance, and salary increases, as well as turnover. Operating costs decreased by 25.8% due to the completion of the 5-year Climate Action Plan and to transfer funds to the Vehicle Replacement Fund for the purchase of hybrid and electric vehicles for the Town's fleet. Capital costs increased to allocate budget toward fleet and public EV charging station installations.

DOWNTOWN SERVICE DISTRICT FUND

The Downtown Service District Fund accounts for the personnel, programs, and capital improvements dedicated to the Downtown Service District as established by Town Council.

Downtown Service District Expenditures

DOWNTOWN SERVICE DISTRICT FUND

Major Revenue Sources – Descriptions and Estimates

The revenue source for the Downtown Service District is the special district property tax on the assessed value of \$762,700,000. The tax rate of 5.5 cents represents the revenue neutral rate based on the 2025 Orange County revaluation and is expected to yield a total of \$426,000 in FY 2026-27. This represents an increase of \$7,000 from the previous year estimate, due to the increase in valuation of property in the downtown area.

Major Expenditures and Estimates

The FY2026-27 Adopted Budget captures the restructuring of the Downtown Service District Fund to better align the fund's expenditures with current needs. Funding in FY27 will continue to support personnel and the Chapel Hill Downtown Partnership, as well as new allocations for downtown community safety, including a new police substation to better serve downtown. Expenses related to 140 West and the Launch incubator have been moved to the General Fund.

The budget provides funding for the Chapel Hill Downtown Partnership (CHDP) in the amount of \$220,000. CHDP brings the resources of the Town, University, and downtown community together to maintain, enhance, and promote downtown as the social, cultural, and spiritual center of Chapel Hill through economic development.

Additional expenses include community safety (\$117,660) and space rental for the new PD substation (\$15,000). The FY27 budget continues funding for a groundskeeper (\$74,340) dedicated to the downtown area.

DOWNTOWN SERVICE DISTRICT FUND

BUDGET SUMMARY

The adopted Downtown Service District Fund tax rate of 5.5 cents for 2026-27 provides for continued funding of the groundskeeper position dedicated to the downtown area. The adopted budget includes expenses related to the Town's contract services provider, downtown community safety, and space rental for the police substation. Starting in FY27, the Downtown fund no longer covers 140 West or Launch expenses, which will be paid out of the General Fund.

LIBRARY GIFT FUND

The Library Gift Fund accounts for private contributions and grants received by the Chapel Hill Public Library.

Library Gift Fund Donations and Interest Earnings

LIBRARY GIFT FUND

BUDGET SUMMARY

The adopted budget for the Library Gift Fund for 2026-27 decreased compared to the previous year. 2026-27 expenses include additions to the collection, software costs, and other miscellaneous expenses, such as contracted services and supplies. The Library Gift Fund budgets a transfer to the General Fund to support Library operations at an amount of \$45,000 for 2026-27.

VEHICLE REPLACEMENT FUND

The Vehicle Replacement Fund accounts for the purchase of motor vehicles and related costs to Town departments.

Vehicle Replacement is an internal service fund; costs are charged out to Town departments based on actual expenditures.

VEHICLE REPLACEMENT FUND

BUDGET SUMMARY

The 2026-27 adopted budget for the Vehicle Replacement Fund includes a list of the most critical capital equipment needs pending a comprehensive review of the Town's fixed assets. Included in the adopted budget is the replacement of one rear loader and one truck in the Public Works Solid Waste division; ten Police vehicles; two dump trucks and a tractor for Parks Maintenance; two dump trucks in the Streets Division of Public Works; one SUV in the Construction division; three SUVs in Building & Development Services; and one truck and one SUV for Parks & Rec Admin. The Vehicle Replacement Fund is a pay-as-you-go system, meaning vehicle purchases are bought outright rather than financed.

FLEET MANAGEMENT FUND

The Fleet Management Fund accounts for the repair and maintenance of the Town's fleet of cars, trucks, and heavy equipment, excluding those used in public transit operations. The division is supervised by Public Works.

Fleet Management is an internal service fund; costs are charged out to Town departments based on actual expenditures.

Fleet Management Fund Expenditures

FLEET MANAGEMENT

MISSION STATEMENT:

The overall mission of the Fleet Management Fund is to ensure safe, reliable fleet and equipment essential for the provision of public services, with an emphasis on greening our fleet and equipment, sustainability, efficiency, and effectiveness.

Summary of services provided in support of the department's mission:

- Strategic planning, maintenance, and management of the Town's Fleet Program and Vehicle Replacement Program that supports the Climate Action Plan.
- Manage fueling facilities and provide electrical charging stations and other greener fuels.
- Provide for major vehicle and equipment maintenance and repairs using in-house and outside resources.
- Provide on-call emergency vehicle and equipment services.

FLEET MANAGEMENT

Performance Measures

Environmental Resiliency 	Strategic Objectives ➤ Ensure that at least 50% of all work orders are preventive maintenance work ➤ Limit repeat repairs to 2% or less ➤ Complete at least 95% of preventive maintenances as scheduled in order to reduce out-of-service time ➤ Ensure that 90% of rolling stock is available per day ➤ Complete 85% of repair orders within 1 work day, with no more than 10% taking longer than 2 work days
Complete Community 	
Organizational & Fiscal Sustainability

Division Totals	7.75	7.75	8.75

¹ This position is split between the Facilities Management division of Public Works and the Fleet Management Fund.

Note: Fleet Management is supervised by the Public Works department.

FLEET MANAGEMENT BUDGET SUMMARY

The 2026-27 adopted budget for the Fleet Management Fund reflects an overall increase in expenditures of 4.6% from last year's budget. The 15.2% increase in personnel is the result of a retirement increase, an increase in insurance costs, a salary increase, and an added Fleet Technician position. The operating budget decrease of 3.1% is due to reduced vehicle maintenance costs.

COMPUTER REPLACEMENT FUND

The Computer Replacement Fund accounts for the purchase of computer equipment for Town departments.

Computer Replacement is an internal service fund; costs are charged out to Town departments based on actual expenditures.

Computer Replacement Fund Equipment Purchases

COMPUTER REPLACEMENT FUND

BUDGET SUMMARY

The adopted budget for 2026-27 provides for replacement of computer equipment on a pay-as-you-go basis.

Downtown Service District Fund	427,000
Climate Action Fund	815,871
Stormwater Management Fund	4,583,000
Grants Fund	274,500
TOTAL ALL FUNDS	\$170,013,308

BUDGET ORDINANCE

Section 3. LEVY OF TAXES

There is hereby levied the following tax on each one hundred dollars (\$100) valuation of taxable property, located within the Town of Chapel Hill, as listed for taxes as of January 1, 2026 for the purpose of raising revenue from property tax as set forth in the foregoing estimates of revenues, and in order to finance the foregoing appropriations.

General Fund (for the payment of expenses of the Town of Chapel Hill)	\$0.381/\$100
Debt Service Fund (for the payment of expenses of the Town of Chapel Hill)	\$0.066/\$100
Transit Fund (for the payment of expenses related to transportation approved by referendum)	\$0.053/\$100
TOTAL	\$0.500/\$100

Section 4. SPECIAL DISTRICT TAX LEVY

There is hereby levied the following tax on each one hundred dollars (\$100) valuation of taxable property located in the Downtown Revitalization Municipal Service District established by the Town Council's resolution of June 12, 1989:

Downtown Service District Fund	\$0.055/\$100
--------------------------------	---------------

This the 10th day of June, 2026.

GOVERNMENT FINANCE OFFICERS ASSOCIATION

*Distinguished
Budget Presentation
Award*

PRESENTED TO

**Town of Chapel Hill
North Carolina**

For the Fiscal Year Beginning

July 01, 2025

Christopher P. Morill

Executive Director

The Government Finance Officers Association of the United States and Canada (GFOA) presented a Distinguished Budget Presentation Award to the Town of Chapel Hill for its Annual Budget for the fiscal year beginning July 1, 2025. In order to receive this award, a governmental unit must publish a budget document that meets program criteria as a policy document, as a financial plan, as an operations guide, and as a communications device.

This award is valid for a period of July 1, 2025 - June 30, 2026 only. We believe our current budget continues to conform to program requirements, and we are submitting it to GFOA to determine its eligibility for another award.

GLOSSARY

Accrual - Revenues are recorded when earned, and expenses are recorded as soon as they result in liabilities for benefits received.

Ad Valorem tax - A tax levied in proportion to the value of a property.

Allocate - To set apart portions of budgeted expenditures which are specifically designated to organizations for special activities and purposes.

Annual Budget - A budget covering a single fiscal year.

Appropriation - The amount budgeted on a yearly basis to cover projected expenditures which the Town Council legally authorizes through the Budget Ordinance.

Approved Budget - The budget as formally adopted by the Town Council for the upcoming fiscal year.

Assessed Value/Valuation - The estimated dollar value placed upon real and personal property by the County Assessor as the basis for levying property taxes. The General Assembly exempted household personal property from taxation effective July 1, 1987.

Authorized Bonds - Bonds which have been legally authorized but may or may not have been sold.

Balanced Budget - Occurs when planned expenditures equal anticipated revenues. In North Carolina, it is required that the budget submitted to the Town Council be balanced.

Bond - A written promise to pay a specific amount of money with interest within a specific time period, usually long-term.

Bond Rating - A grade indicating a governmental unit's investment qualities. Generally speaking, the higher the bond rating, the more favorable the interest rate and the lower the cost of financing capital projects funded by bonds. A high rating is indicative of the government's strong financial position. Ratings range from AAA (highest) to D (lowest).

Bonds Issued - Bonds that are sold.

Budget - A financial plan for a specified period of time that matches planned revenues and expenditures with various Town services.

Budget Message - A written overview of the proposed budget from the Town Manager to the Town Council. This overview discusses the major budget items of the Manager's recommended budget.

Capital Asset - An asset of long-term character. For budgetary purposes, a capital asset is defined as an item costing \$5,000 or more with an expected life of more than one year.

GLOSSARY

Capital Improvements Plan - A long-term plan of proposed capital improvements projects, which includes estimated project cost and funding sources, that the Town expects to undertake within a five-year period. The plan is updated annually to reassess capital needs.

Capital Outlay - An expenditure which results in the acquisition of or addition to a capital asset.

Capital Project - A project expected to have a useful life greater than 10 years and an estimated cost of \$10,000 or more. Capital projects include the construction, purchase, or major renovation of buildings, utility systems, parks, or other physical structures or property; purchase of land; and purchase of large equipment.

Capital Project Fund - A fund used to account for the acquisition or construction of major capital facilities and equipment.

Category - Expenditure budgets are presented in one of three categories: Personnel, Operating Costs, and Capital Outlay.

Community Development Block Grant (CDBG) - The CDBG program, administered by the U.S. Department of Housing and Urban Development (HUD), provides flexible funding to local governments for a wide range of community development activities. These activities primarily focus on revitalizing neighborhoods, creating economic opportunities, and improving community facilities, with a strong emphasis on benefiting low- and moderate-income residents.

Community Development Fund - A fund used to account for block grant monies received from the federal government under Title I of the Housing and Community Development Act.

Compensated Absences - Paid time off made available to employees in connection with vacation leave, sick leave, and similar benefits.

Contingency - Appropriation intended for unanticipated expenditures. Transfer of these funds into an expendable account is controlled by the Town Council.

Debt Service - Principal, interest, and administrative costs associated with the repayment of long-term debt.

Delinquent Taxes - Taxes that remain unpaid after the due date on which a penalty for nonpayment is incurred.

Department - A major administrative division of the Town that has overall management responsibility for an operation within a functional area.

Depreciation - An allowance made for the loss in the value of property over time.

District Tax - Taxes paid by those owning property in a special district of the Town.

GLOSSARY

Employee Benefits - For budgeting purposes, employee benefits include employer payments for social security, retirement, group health and life insurance, and workers' compensation and any similar form of employee compensation.

Encumbrances - A financial commitment for services, contracts, or goods which have not been delivered or performed.

Enterprise Fund - A grouping of activities whose expenditures are wholly or partially offset by revenues collected from consumers in the form of fees and charges.

Expenditures - The total cost of a program or capital project.

EZ Rider - A special service which uses lift equipped vehicles to transport individuals with mobility limitations that prevent them from using Chapel Hill Transit's regular bus service.

Fiscal Year - A 12-month period (July 1 through June 30) in which the annual operating budget applies and at the end of which an assessment is made of the Town's financial condition and performance of operations.

Full-Time Equivalent (FTE) - One FTE refers to the equivalent of one permanent position.

Function - A broad grouping of activities and departments whose objectives and expenditures are interrelated. Examples of functions within the Town include General Government, Public Safety, Leisure, etc.

Fund - An accounting entity created to record the financial activity for a selected financial group.

Fund Balance - Funds accumulated through the under-expenditure of appropriations and/or receiving revenues greater than anticipated and included in the budget.

General Fund - A fund which provides for the accounting for most of the basic government services, such as police, fire, sanitation, inspections, recreation, and other general services.

General Obligation Bonds - Bonds issued by a government which are backed by the full faith and credit of its taxing authority.

Goal - A broad statement of desired conditions to be maintained or achieved through the efforts of an organization.

Governmental Funds - Funds generally used to account for tax-supported activities.

Impervious Surface - Hard surfaces such as concrete, compressed gravel, asphalt, and rooftops. These surfaces increase the amount of stormwater runoff.

GLOSSARY

Indirect Cost - The component of the total cost for a service which is provided by one department but budgeted within another department or division. Indirect costs are budgeted to more accurately reflect the true total cost for such services.

Interest and Penalties Receivable on Taxes - Uncollected interest and penalties on property taxes.

Intergovernmental Revenues - Revenues from other governments (state, federal, and local) which can be in the form of grants, shared revenue, or entitlement.

Land Use Management Ordinance (LUMO) - The Chapel Hill Land Use Management Ordinance establishes standards and procedures for new development or redevelopment in the Town. The major purpose of the LUMO is to implement the Town's adopted *Comprehensive Plan*. It is designed to provide clear rules about what is expected of applicants in order to gain approval to develop land in the Town.

Lease Purchase - A method of purchasing equipment in which payments are spread over a period of time.

Levy - The amount of tax, service charge, and assessments imposed by the government.

Line Item - A budgetary account representing a specific object of expenditure.

Major Funds - Funds whose revenues, expenses, assets or liabilities are at least 10% of corresponding totals for all governmental or proprietary funds and at least 5% of the aggregate amount for all governmental and enterprise funds for the same item. Any other fund may be reported as a major fund if the government's officials deem the fund particularly important to financial statement users.

Modified Accrual - The basis of accounting for the Town. Under this system, expenditures are recognized when encumbered.

NCDOT - North Carolina Department of Transportation

Non-Major Funds - Funds whose revenues, expenses, assets or liabilities are less than 10% of corresponding totals for all governmental or proprietary funds and less than 5% of the aggregate amount for all governmental and enterprise funds for the same item.

Non-Operating Expenses - Expenses which are not directly related to the provision of services, such as debt service.

Non-Operating Revenues - Revenues which are generated from other sources and are not directly related to service activities.

GLOSSARY

Objective - A specific statement that is to be accomplished or achieved for a particular program during the fiscal year.

Operating Budget - The Town's financial plan which outlines proposed expenditures for the upcoming fiscal year and estimates revenues which will be used to finance them.

Operating Costs/Expenses - Those expenditures of a recurring nature, covering services and supplies necessary to operate individual departmental activities.

Ordinance - A formal legislative enactment by the Town Council which has the full force and effect of law within the boundaries of the Town.

Performance Agreement - A contract with an external agency to provide funding for specific functions with specific performance targets. These agreements are designed to provide accountability from external agencies to align with the Town's strategic goals.

Personal Property - Movable property classified within two categories: tangible and intangible. "Tangible," or touchable, property includes items of visible and movable property not permanently affixed to real property. "Intangible," or non-touchable, property includes stocks, bonds, notes, cash, bank deposits, accounts receivable, patents, trademarks, copyrights, and similar assets.

Personnel Services - Salaries and wages paid to employees for full-time, part-time, and temporary work, including overtime and similar compensation. Also included in this account group are employee benefits paid for employees.

Program - A well-defined portion of the operating plan for which a distinct set of goals and objective may be developed.

Property Tax - Tax paid by those owning property in the Town.

Property Tax Rate - The rate at which real property in the Town is taxed in order to produce revenues sufficient to conduct necessary governmental activities.

Proprietary Fund - A fund used to account for the operations similar to those in the private sector. This includes enterprise funds. The focus is on determination of net income, financial position, and changes in financial position.

Public Safety - A group of expenditures related to the provision and enforcement of law enforcement and fire and disaster protection.

Real Property - Land, buildings, and items permanently affixed to land or buildings.

Real Property Value - The value of land and buildings which are taxable.

GLOSSARY

Reappraisal - The process of revaluing a jurisdiction's real property in order to adjust the tax value to the market value; by North Carolina law, a revaluation must be conducted at a minimum of every eight years. Property was most recently revalued as of January 1, 2025.

Reclassification - A change in the classification and corresponding job title of an existing position which results from a major change in assigned responsibilities.

Reserve - An account designated for a portion of the fund balance which is to be used for a specific purpose.

Revenue - All funds that the Town government receives as income, including items such as tax payments, fees for specific services, receipts from other governments, fines, forfeitures, shared revenues, and interest income.

Revenue Neutral Tax Rate - G.S. §159-11(e) states that “the revenue-neutral tax rate is the rate that is estimated to produce revenue for the next fiscal year equal to the revenue that would have been produced for the next fiscal year by the current tax rate if no reappraisal had occurred.”

Rolling Stock - Vehicles and other similar equipment which use wheels to move about.

Sales Tax - Tax paid by retail consumers.

Service Level - The amount of service provided during the fiscal year as indicated by one or more performance indicators.

Shared Ride - An extension of transit service to designated areas of town which do not receive regular bus service.

Special Assessment - A levy on certain properties to defray part or all of the cost associated with improvements or services which will benefit those properties. For instance, a special assessment would be levied against property owners who have petitioned for paving a street.

Special Districts - A tax district approved by the voters to provide specified services. A special district in the Town is the Downtown Service District, which provides improvements in the Town center.

Special Revenue Fund - A fund used to account for the revenues from specific sources which are to be used for legally specified expenditures.

Tax Levy - Revenue produced by applying a given tax rate to a property's assessed, or tax value.

Town Council - Nine-member Council elected at large by the voters of the Town for four year terms.

GLOSSARY

Town Operations Center (TOC) - Town property on Eubanks Road; site of Public Works and Transit Operations.

Triangle - Chapel Hill is located in central North Carolina, in the area commonly referred to as the Triangle, including Orange, Durham, and Wake Counties.

Two-Thirds Bonds - General obligation bonds that can be issued by a local government without voter authorization under a formula set by the State of two-thirds of the previous year's net debt reduction.
